

THE TURNING POINT

The past week has seen what we believe to be the turning point in the mining market, sales breaking all previous records for the year. The market generally responded and we look for this broad active market to continue.

The purchase of
PORCUPINE CROWN SCHUMACHER V.N.T.
KIRKLAND LAKE MONETA KBORA
 should show substantial profits in the near future.

ATHLETIC AND LITERARY CLUBS FORMED AT H.S.

Principal Carter Working along Right
 Lines to Make Good Citizens.

It will surprise many to know the
 growth of the Timmins High School,
 Continuation Classes, in the past year
 or two. At present there are about
 25 attending these classes and receiv-
 ing much benefit and advantage from
 the educational facilities thus offered.
 The attendance is about equally divid-
 ed between boys and girls, and a fine
 spirit of good citizenship is being en-
 couraged in the pupils.

Principal Carter has been anxious
 to encourage athletics of all kinds, be-
 cause of the good qualities of man-
 hood and womanhood that may be de-
 veloped both in physical and mental
 and moral lines through athletics.
 Through the Principal's suggestions
 and with the very hearty co-operation
 of the pupils a Timmins High School
 Athletic Association was formed some
 days ago. This Association will in-
 clude all sports,—baseball, football,
 hockey, etc.—and it is hoped to have
 all the boys interested in healthy
 wholesome sport, not alone for the
 physical benefit, but also for the
 moral advantage that may develop,
 all going to the building of good citi-
 zens. Fire Chief Borland was unani-
 mously elected Honorary President of
 the H. S. Athletic Club. Mr. Tom
 Lawrence is the President, and Mr.
 George Hawley, secretary-treasurer.
 Committee of Three—Wilfrid Hardy,
 Joe Peters, Hildreth Auer.

Another plan of Mr. Carter's to en-
 courage the growth of the better types
 of citizenship was the organization of
 a Literary Society. In this Literary
 Society every pupil of the High
 School is a member and every member
 MUST take part in the proceedings.
 The Society has its regular meetings,
 and all proceedings are carried on ac-
 cording to the correct formula of par-
 liamentary procedure. The Society
 has a regular staff of officers chosen
 from the members, and these officers
 are changed each month. The Society
 meets every Friday afternoon from
 3:30 p.m. There are discussions on
 various subjects, music, and other en-
 tertainment. In addition one half-
 hour each week is devoted to the
 consideration and discussion of cur-
 rent topics. Outsiders interested in
 the Timmins H. S. Literary Society
 and its aims and objects will be wel-
 come to any of the weekly meetings,
 and will undoubtedly find there much
 to please and interest.

COMMISSION PRAISES WORK OF ONTARIO POLICE.

Mr. W. D. Gregory, chairman of the
 Ontario Public Service Commission,
 has been expressing his opinion of the
 police work in the North and other
 matters. The Ontario Public Service
 Commission was at Haileybury a
 couple of weeks ago in connection
 with a tour of the Province to investi-
 gate the administration of the law
 and the systems under which the ad-
 ministration is worked. Mr. Gregory
 apparently was much impressed with
 the work of the Provincial Police. He
 also had a good word for many of the
 Magistrates, some of whose jurisdic-
 tion extends right through to the
 north pole apparently. One magis-
 trate referred to by Mr. Gregory
 travelled about 400 miles a week to do
 his usual weekly work.

Speaking of the police work, Mr.
 Gregory is quoted as saying:—"The
 Provincial Police are doing a great
 work in policing the north. We heard
 almost universal commendation of the
 provincial police. The general com-
 plaint is that there are not enough of
 them. There seems to be a wide-
 spread feeling, however, that one or
 more men with full authority over the
 police should be located in the north,
 so that it should not be necessary to
 refer so frequently to Toronto. The
 opinion was also expressed that the
 work of the Provincial Police, the
 Game Wardens and the License In-
 spectors might be co-ordinated, so that
 three men would not have to cover the
 same ground. Such co-ordination, we
 understand, has been effected in the
 Province of Manitoba."

"One matter that was continually
 brought to our attention," says Mr.
 Gregory in reference to another ques-
 tion, "was the fact that aside from a
 home at Sault Ste. Marie, no provision
 is made throughout Northern Ontario
 for infirm and indigent people, and
 there is little or no provision made for
 children who may be brought before
 the magistrates or who have been de-
 serted. At the time we were at Hai-
 leybury the Children's shelter there
 was closed for lack of funds to sup-
 port it."

Mrs. P. Jeffrey left on Thursday
 last for Haileybury to take treatment
 in the hospital there. Her many friends
 in the district will sincerely wish
 her an early and complete return to
 health.

UNUSUAL OPPORTUNITY FOR SELF EDUCATION

Evening Classes Provided by Timmins
 School Board in Industrial and
 Technical Subjects.

Commencing on Tuesday evening,
 October 19th, there will be a series
 of courses at the Timmins Public
 School, providing educational oppor-
 tunity for industrial and technical
 education. The opportunity thus off-
 ered by these Evening Classes should
 not be overlooked by anyone. It is a
 chance for improvement, advancement
 and self-help. The cost of the courses
 is merely nominal. Anyone can aff-
 ord them; few young men can afford
 to neglect the chances thus provided.

This is the second series of Evening
 Classes provided by the Timmins
 School Board in co-operation with the
 Ontario Department of Education. The
 last series were eminently success-
 ful,—both in attendance and the bene-
 fits received. The present series
 should be even more successful and
 beneficial. All young men and women
 who want to better their position in
 life and to gain the added satisfaction
 inseparable from extended knowledge
 should investigate the opportunities
 practically offered free by these Night
 Classes. Mr. C. S. Carter, Principal
 of the Timmins Public School, will be
 pleased to give detailed information
 regarding any or all of the courses
 decided upon for this year.

The Evening Classes to commence
 on October 19th will include the fol-
 lowing courses:—

English for non-English-speaking
 and coming Canadians.

Book-keeping.
 Machine Design and Sketelling.
 Mathematics and Arithmetic.
 Courses for Metal Miners and Mill
 Workers.

Sewing Classes.
 In addition, classes will be opened
 in other subjects, (such as Electricity,
 for example), if a sufficient number
 offer for enrollment in such subjects.

The Evening Classes are provided
 to fill the needs of the people of the
 district. Young and old alike are
 welcome. There are no bars or re-
 strictions of any kind, except that
 those existing are expected to desire
 to improve and advance themselves.

The opportunity offered by these
 Evening Classes should appeal to all.
 As the announcement of the Timmins
 School Board published elsewhere in
 this issue says:—"Study! Learn!
 Win promotion! If interested, see
 the Principal at the Public School, or
 Phone 109. Classes will open October
 19th. Note the date."

WHO KNOWS RELATIVES OF LATE RONALD STEWART?

Chief Wilson last week received a
 wire from the Salvation Army head-
 quarters in Toronto, asking his help
 in locating the relatives of Ronald
 Stewart who was hurt in an accident
 in Toronto a few weeks ago and has
 since died. The telegram said that
 the late Ronald Stewart came from
 the North, or had relatives in the
 North, or was known in the North,
 but outside of this, and the stated
 fact that the late Mr. Stewart was a-
 bout 40 years of age, could give
 practically no information regarding
 the deceased. To search the North
 for the relatives or friends of Ronald
 Stewart, aged about 40, is a contra-
 dict of some proportions. Only through
 publicity in the newspapers of the
 North Land is there much chance of
 the desired relatives being located.
 "The North" is a big proposition in
 every way. The area of the North is
 several times that of Old Ontario,
 and while the settlement is not thick
 over all this large area, still there is
 a larger enough population in "the
 North" to make the search for one
 man or his relatives a matter of much
 difficulty when the field is left so
 broad.

Mrs. Brough has returned from a
 visit to her son, Mr. A. G. Brough,
 at Shawville.

WANTED—MAID FOR GENERAL
 HOUSEWORK; no children. Ap-
 ply Mrs. D. W. O'Sullivan, 36
 Maple street, or phone 192. -39

HORSE STRAYED.

One gray horse, weight about 1400,

 5 Spruce Street, Timmins.

NOTICE RE MCGREGOR'S LIVERY

Take Notice that I have this day
 sold my entire interest in the above
 livery business—formerly known as
 Moore's Livery—at South Porcupine,
 to Percy M. McGregor.

That all debts owing to the said
 Livery business during my ownership
 thereof, namely, from the 16th day of
 July, 1920, to the 13th September
 1920, will be paid to the said Percy
 M. McGregor, and all debts contract-
 ed for by me during the same period
 are payable by the said Percy M. Mc-
 Gregor.

And further take notice that I will
 not be responsible for any debts con-
 tracted by the said Percy M. Mc-
 Gregor or the McGregor Livery after this
 date.

Dated at South Porcupine this 13th
 day of September, A. D. 1920.
 38-39 MARGARET MCGREGOR.

LOST—Green-covered loose-leaf note-
 book containing chemical notes, of
 value only to owner. Finder please
 at once to The Advance Office.
 Reward. -39.

BOIL THE WATER

As a usual precaution at this season
 of the year, householders are advised
 to boil all water before using.
