

# Only Two More Weeks!

.....

IF you wish The Advance continued to your address and have not yet paid your subscription in advance you have only two more weeks before the end. On November 1st ALL subscriptions not paid in advance are to be cut from our lists. The high costs of everything, and especially of newsprint paper, makes this necessary.

## Get Busy At Once or Sooner!

IF you are not already a regular subscriber, send \$2.00---\$3.00 for U.S. addresses---for a years subscription in advance.
