

Nyal Remedies **Curtis Drug Co.** Penslar Preparations

OPTICAL DEPARTMENT

YOUR CHILDREN

Have their eyes properly looked after, if there is any sign of eye trouble. Children often get along for years, having trouble both at school and at play, all caused by defective eye-sight.

Send your children to us for eye examination.

PRESCRIPTIONS
In leaving your prescriptions with us you are sure of getting pure, fresh drugs and chemicals, correctly compounded.

We are extremely careful in preparing every prescription and each one is double checked before being given to the customer.

Leave your prescription with us.

THERMOS GOODS

We have just received a shipment of Thermos and Universal Vacuum Bottles and Outfits. They are the finest made and our prices are right.

See our stock.

Timmins News in Brief

Mr. Harry Stuckey is spending a few days' holiday at Cobalt.

Mr. A. E. Riddle, of the Hamilton B. Willis office staff, is spending a few days in Sudbury.

Mr. J. C. Waite, manager of the Keora, has just returned from a business trip to Toronto and Peterborough.

Mr. W. Dunn, of the Dome, has gone to Nevada in connection with the erection of a new mill on the Candelaria property there.

Owing to unforeseen circumstances it has been found necessary to postpone the Band Concert scheduled for Sunday in the New Empire Theatre to the following Sunday, Oct. 31st.

The I.O.O.F., South Porcupine, are giving a Grand Masquerade Ball in the Oddfellows' Hall South End, on Friday evening, Oct. 29th. Colombo's Orchestra has been secured to furnish the music, and it goes without saying that a delightful evening will be enjoyed by all attending. The South End Oddfellows know how to handle such events with the maximum of pleasure for all attending.

The annual meeting of the Northern Ontario Hockey Association is scheduled for Saturday, Oct. 30th at Cobalt. This is noted as a reminder that general as well as special interest should be rousing now in the hockey situation here. There is the best kind of a good team in sight and all that is needed now is the general public interest and enthusiasm to get everything going in good fashion.

A party of the directors and shareholders of the Muir Consolidated Gold Mining Co., visited the Camp this week. Their property is in Thomas Township, about 20 miles from Connaught. Mr. David Sloan has been engaged as consulting engineer. Among those in the party visiting here were:—Mr. J. C. Clark, president; C. R. Sade, New York; Tennessee Clark, Bingham, and R. R. Land, New York. In a report on the property Prof. Hopkins looked upon its prospects as very promising, and the visitors here were enthusiastic regarding the possibilities of the property and the future of the whole big North so far as mining is concerned.

Mr. Neb Faulkenham, of Matheson, was a visitor to the Camp this week.

Armistice Night, Nov 11th should be reserved for the big G. W. V. A. Dance to commemorate the occasion.

BORN—On Monday, October 18th, 1920, in Timmins, to Mr. and Mrs. J. G. Sheridan, —twins—daughters.

A tea and sale of home baking will be held at the home of Mrs. Dayton Ostrosser, 11 Hemlock street, on Saturday, Oct. 23rd, from 3 to 6 p.m., the event being in aid of the W. A. of St. Matthew's church.

Mr. Babayan, of Toronto, who holds a number of claims in the Porcupine, as well as in other parts of the North Land, and who before the war was actively interested in the North's mining industry, was a visitor to the Camp this week.

Mr. and Mrs. Schlettler left last week for the south and east, intending to visit their old home towns of Ottawa and Renfrew, after which they will spend a short time in Toronto, from the latter city going to Detroit for the winter. Mr. and Mrs. Schlettler were among the pioneers of the Porcupine and their numerous friends here, while regretting their removal from town, will wish them the best and hope to see them back here again. Mr. Schlettler recently sold the garage business to Mr. Jos. Berini, and purposes taking special business and professional courses in Detroit this winter.

Newspapers in mining camps are no more immune from general economic conditions than anyone else. Touching on this matter the last issue of The Pas (Manitoba) Mining Herald says:—"The cost of newsprint alone has gone up 1,200 per cent, since 1915, which only partially explains the mess weekly papers are in. Wages have jumped 50 to 80 per cent., and only recently have the sleepy editors realized they must jump too, or go to rot. These are reasons in themselves sufficient to cause The Herald subscription rate to be \$2.50 a year on January 1st, payable in advance, or in lieu of cash, five muskrats. Awfully sorry to raise the ante, but the missus needs a new dress and perhaps a bonnet or two, and there you are."

WANTED—Maid for general housework. Apply to Mrs. H. J. Marshall, 12 Hemlock street, phone 57. —40—

FURNITURE FOR SALE—A quantity of good furniture for sale. Used only a short time. Apply over Lowery's Store or phone 83. —40—

WATER RATES.

Water rates for the fourth quarter of 1920 are now due and payable on or before Nov. 1st, on which 10 per cent. discount will be allowed.
