

Nyal Agents **Curtis Drug Co.** Penslar Agents

Creophos
The wonderful tonic and body builder may now be had at our store. Quickly revives and strengthens the invalid and those suffering from coughs and colds.
\$1.00 a bottle.

Optical Department
IT would be better for all of us if we would drop into our optometrists office now and then and have him examine our eyes — just as we have the dentist examine our teeth.
Perhaps the reluctance of most people to do this is due to economy or perhaps they feel the optometrist will advise a change of lenses anyway, whether they are needed or not.
No reliable optometrist will advise a change unless it is necessary.
If an examination shows your present lens and mounting to be satisfactory we will be only too glad to tell you so.

Prescriptions
Your doctor's prescription will receive here the care it justly deserves. Competent dispensers do the work.
Bring your prescription here.

Stationery
Our stock is now complete with stationery of all kinds. You will find here the latest in writing papers at moderate prices.
See our stock.

Purses Hand Bags Card Cases
and all other different articles in leather goods now in stock. See our complete line of leather sundries before purchasing.

Timmins News in Brief

Mr. S. Goldstein went to Toronto last week on a business visit.
DIED—On Sunday, Oct. 31st, 1920, infant son of Mr. and Mrs. J. J. McCarthy.

Mr. J. H. Black, of Toronto, was a visitor to the Camp over the weekend.

Cochrane last week collected over \$360.00 for the Navy League campaign.

Thousands of ducks are on their annual migration to the south this week. Some of the flocks passing through here are reported by settlers in the district as unusually large and especially squawky.

Rev. J. D. Parks returned last week from his vacation in the south. Rev. Mr. Parks took advantage of his holiday to take further courses at the University.

Mr. and Mrs. M. Sally left this week on a visit to Ottawa and other points east. While in the east Mr. Sally intends to take a hunting trip and secure some more trophies with the gun.

Mr. and Mrs. Simms leave to-day for Rochester, N. Y., where they will take up residence. They were very popular here and will be much missed in many circles. Mr. Simms was one of the expert hockey players here last winter.

Sincere sympathy will be extended to Mr. and Mrs. J. J. McCarthy, of Moneta, in the death on Sunday of their infant son. The child was only a few days old and had been ill practically since his birth.

There was an alarm of fire at 6.55 Monday morning to which the firemen made a very speedy response. The alarm was sent in on account of a burning chimney at the Poitras building on Balsam street. The chimney blaze was very promptly extinguished, with out any harm or damage being done.

Mrs. T. Lawlor, now of Sudbury, is renewing acquaintances in town. Mrs. Lawlor and her son, Arthur, have just returned from a trip through Minnesota and other western States. Mrs. Lawlor will spend the week here, returning then to Sudbury.

There is to be a Euchre and Dance in the Masonic Hall on Thursday evening, Nov. 18th, under the auspices of the Timmins L. O. L. No. 2552. Cards at 8.00 p.m. sharp. Dancing at 10.00. The best of music.

The Armistice Night Dance, under the auspices of the Timmins G.W.V. A., will be held in the Masonic Hall on Thursday evening, Nov. 11th. King's Ottawa Orchestra will furnish the music. Refreshments will be served. The Veterans are perfecting plans to make this the best dance yet.

EUCHRE AND SOCIAL TO BE HELD IN KING'S HALL, NOV. 12.

The prizes for the Tombola in aid of the R. C. church will be awarded at the Euchre and Social on Nov. 12th. Rev. Fr. Theriault has been searching for some days past for the best place to hold this event, and eventually has been able to secure King's Hall. Accordingly the Euchre and Social will be held in King's Hall on Friday evening, Nov. 12th. This will be one of the best events of the season and none should miss it. As for the Tombola prizes, the tickets are still on sale and all should allow themselves a few chances to secure some of the very valuable and beautiful prizes offered.

Mr. A. H. Reed, of the North American Incinerator Company, was in town this week in connection with the new incinerator plant for Timmins. Mr. Reed says that the plant can be installed as soon as the necessary by-law is passed by the town and thus may be in use in the course of a few weeks. Mr. Reed left here for Kapuskasing, the new town there intending to install an incinerator. The North Land is showing good judgment in recognizing at an early date the advantage of the incinerator method of disposal of garbage, etc., as a guard to the public health. The North American Incinerator Company has a number of contracts for installing incinerators in the North Land at the present time.

At the Euchre and Social on Friday evening, Nov. 12th there will be a pleasant evening for all. Light refreshments will be served, and all attending can rest assured of a happy evening.
