**SOME OF THE BOYS OF THE TOWN NEED ATTENTION**

In the last few days boys have caused considerable damage at the athletic grounds. They broke the lock off the main entrance gate and caused other injury to the property. One of the most provoking of their pieces of senseless mischief was the removal of pipes from the tennis courts, causing a flooding of the courts. The various sports in general and the Athletic Association in particular have been very good to the boys and their silly damaging of property shows a form of meanness that should be checked up at once. Parents would do well to get a line on their boys in the interests of the boys themselves as well as of good sport and the town generally. Unless the parents play the part of good sports in this matter and see that the young lads play the game, other less pleasant methods will have to be taken to keep the mischievous boys from damaging their own characters along with public property.

**THIS YEAR'S CHAUTAUQUA SAID TO BE SPECIALLY GOOD**

The Chautauqua is always good; sometimes, however, it is credited with being even better than that. This year's Chautauqua is credited with being in the better class—something unusually pleasing and attractive. Among those giving voluntary testimony to the excellence of this year's Chautauqua is Hon. Wm. Lyon Mackenzie King, Premier of Canada. Hon. Mr. King admits a great interest in the Chautauqua and remarks on its educational value. "The people I have met this morning express themselves as delighted," he wrote recently regarding the Chautauqua. For a merely nominal price the public of Timmins and district may see these fine entertainments in the Timmins Rink, July 19th, to 22nd.

**TIMMINS PLAYING BALL AT COCHRANE THIS AFTERNOON**

The district baseball match, Timmins at Cochrane, scheduled for Monday of this week, was postponed until to-day and will be played this afternoon. To-day the Twelfth is being observed at Cochrane and there is a big day, all the Orange Lodges of this district gathering at the northern town for the occasion. This is the first Orange celebration put on by the new Orange District, Temiskaming District C III., organized this year, and the event is expected to be a big one. An interesting programme of sports and athletics has been arranged, and a number left here to be present at the Big Twelfth at Cochrane. The district baseball game, Timmins vs. Cochrane will be a feature of the day.

**TIMMINS GOLFERS WIN FROM VISITING HAILEYBURY TEAM**

On Saturday last a visiting team from Haileybury was entertained at the Timmins golf links. The following was the scoring:—

Moore, Dr. H. H. . . . 1	Dickenson, J. G. . . . 0

12 1/2                      21 1/2

The visitors from Haileybury were much impressed with the excellence of the course and found the greens in splendid shape. A tasty luncheon was served at the new club house for the visitors, the ladies of the Timmins Golf Club looking after this in very effective way. The visitors had a delightful time, many of them returning after the regular match for further golf on the Timmins course. The party left again for Haileybury on Sunday, all well pleased with their visit.

A team from Timmins expect to play a return match at Haileybury at an early date.

**DISTRICT NOTES**

A very enjoyable band concert was given on Wednesday evening last on the lawn of Mr. J. B. Pare, Hemlock street, by the Timmins Citizens' Band. Mr. Pare kindly loaned his lawn for the occasion and provided lights, seats etc. The selections given by the Band were especially well rendered and proved the excellence of this musical organization.

In the report last week of the July 1st. event at Schumacher mention was inadvertently omitted of the dance in the McIntyre Recreation Hall in the evening. This dance made a very enjoyable conclusion to the day's pleasure. The event was very well attended and the music for the occasion was up to the usual McIntyre Orchestra standard. Indeed many thought the McIntyre Orchestra excelled itself that evening. The value of the McIntyre Orchestra as a skilled musical organization is now generally recognized.

During the past week or two many animals have been poisoned in Mattagami, the list including prized dogs and cats. Last winter Mattagami had an epidemic of poisoning. The man or woman who will put out poison where it is accessible to animals is very thoughtless, to put the matter very mildly. Also, he or she, is very criminal, according to the laws. Perhaps, if some one is sent to prison for this contemptible sort of crime, Mattagami will have a rest for a considerable period from the poisoner or poisoners.

Cobalt Council has had many lawsuits to face during the history of the Silver Town. The latest is an action started by the Cobalt Silver Hills Mines, Ltd., against the Town and a number of operating companies for alleged damage done through the construction of the dam and flume built at Cross Lake. The Town contributed \$2500.00 to the cost of the work on the flume and was to have no further responsibility.
