## PROGRAMME OF TIMMINS CHAUTAUQUA CONCERTS

Series of Unusual Entertainments by Gifted Artists, Etc. Fun, Pleasure, Entertainment, Education.

At Timmins Rink to-day and Thursday, Friday and Saturday, afternoons and evenings, the I.O.D.E. presents Timmins third Chautauqua. It is claimed that this Chautauqua will prove "the best yet," which is high praise indeed. The programme, as outlined below, however, seems to warrant the claim:

This afternoon—Opening preliminaries in charge of the Superintendent. Entertaining Concert, instrumental and vocal music, with Harry Lauder songs and other specialties,—by the Walter Henderson Entertainers, a noteworthy trio of popular young men.

This (Wednesday) evening—Musical prelude, featuring Lauder songs, by the Walter Henderson Entertainers. Lecture, "Tallow Dips," by Dr. Robert Parker Miles, newspaperman, traveller and orator. This lecture is said to be unique in its interest, humor and entertaining review of the big men and the little ones of the world of affairs.

Thursday, July 20, Afternoon—Entertainment Prelude by the Chavez-Conover Company. This includes:—Miss Conchita Chavez, Spanish coloratura soprano; Mr. Keith Conover, baritone; Miss Margaret Ives and Miss Mae Berlin, readers and story tellers. Spanish songs in costume feature the programme. Lecture, "The Four Corner-stones of Citizenship," by Mrs. Isabel Prie Beyea, one of the most gifted women speakers on the continent. Mrs. Beyea was born in England, of Scottish parents, is married to a Frenchman, and lives in the U.S.A.

Thursday evening—The great laugh-provoking hit, the play, "It Pays to Advertise," presented by the Elias Day Players of Chicago who made a hit here last year.

Friday July 21, Afternoon—Special Afternoon for the children, music, art, fun and a general happy time, featuring Little Miss Alice Shrode, the wonderful entertainer, in stories, songs, imitations, dances, whistling, etc; and Stevens the Musical Clown, who plays all sorts of instruments and can get music from anything and fun from everything. Address "The Sentinels," by Arthur E. Rannels, Montreal.

Friday evening—Entertainment Prelude by Little Miss Alice Louise Shrode. Illustrated Lecture, "Naval Defense and Disarmament," by Major Arthur E. Rannels, one of Canada's most brilliant orators and student of world affairs. His address, "The Sentinels," and the evening lecture, are acclaimed as among the finest features of the Chautauqua. The Illustrated Lecture in the evening shows the surrender of the German Fleet at Scapa Flow as witnessed by Major Rannels as a guest of the British Admiralty.

Saturday July 22, Afternoon—Grand Concert of Orchestral Music, featuring Violins and Flute, by the Casford-Reed Violin Girls, featuring also a comedy specialty in costume.

Saturday evening—Musical Prelude by the Casford-Reed Violin Girls. Entertainment of Character Sketches and Impersonations by Mr. Noah Beilharz. Mr. Beilharz is reckoned as entertaining as any twenty entertainers. He changes from character to character in full view of the audience and his humorous lines are said to be unique in fun and philosophy.

The afternoon entertainments all start at 3 p.m. and the evening concerts at 8 p.m. Single admissions are only 35c. for the afternoons and 50c. for the evenings, with children at 25c. war tax extra. For the Play Night the prices are:—adults, 75c. and children 50c. By buying a season ticket, however, the whole eight entertainments may be enjoyed for only \$2.00 and war tax, or \$2.20, with children's season tickets half that amount.

No lover of good entertainment should miss any of the Chautauqua events this year.

The New Empire Theatre here is planning to erect a new motion picture theatre in Mattagami on the Dan St. Onge's corner, and a couple of lots from the Balmoral House, (the big rooming house with the glass front). The new theatre will be 40 by 100 feet and will be modern and elegant in every way. Plans are now being perfected for the erection of the building at an early date. The purpose of the new theatre is to provide a convenient picture house for the rapidly-increasing population of the New Hollinger townsite and of Mattagami generally.

## COCHRANE WOMAN DEAD HUSBAND AWAITS TRIAL

Chair Aimed at Intruder Crushes Wife's Skull. Tragedy at Cochrane on July 12th.

Mrs. Arthur George Wilde of Cochrane is dead, her husband is in jail awaiting trial on a charge of murder, and a man named Wells, said to be a prospector, is held as a material witness, all as a result of a domestic tragedy on July 12th at Cochrane. The event put a damper on the enthusiastic celebration of the Twelfth at Cochrane. There were innumerable stories of just how the tragedy occurred, many of these stories reaching Timmins in the evening. According to the information secured by the police, however, it would appear that the husband going home unexpectedly found the house locked. Forcing an entrance he found a man in the house. Apparently he picked up a chair and attacked the man. It is said that the man had his arm broken and his collarbone fractured. While the husband was thus wielding the chair the wife attempted to get between the two men. Evidently the chair crashed down upon her head, fracturing her skull. She lived for maybe an hour and then passed away without regaining consciousness. The tragedy occurred shortly before noon. The man eventually got out of the house and told a neighbor woman that there was serious trouble at the Wilde home. When this story was investigated the body of Mrs. Wilde was found lying in a pool of blood in the hallway of her home. The husband later gave himself up to the police and the man Wells, was taken into custody later by Provincial Officer Kenny who took charge of the case. Wells is being held as a material witness in the case. Wilde and his wife were well-known and generally esteemed in Cochrane and the affair came as a decided shock to the townspeople. Sympathy seems to be general towards Wilde who has always been highly regarded in Cochrane where he has lived for several years. He is an employee of the C.N.R. and the officials and his fellow employees alike speak very highly of him as a man, a workman and a citizen.

Particular sympathy is felt for the two children who have thus had both their father and mother taken away from them.

## COCHRANE HAD BIG DAY ON TWELFTH OF JULY

Eleven Lodges of District in the Parade. Good Programme of Sports, Etc.

The Twelfth of July was celebrated by this district at Cochrane this year, and the northern railroad town had a big day. The programme and the way it was carried out reflected the greatest credit on those in charge. In the big parade there were eleven lodges of the L.O.L. of the district. Cochrane Band furnished good music all day. Brief but telling addresses were given by talented speakers for the occasion. The programme of sports and athletics was noteworthy and all the events were well handled. As will be noted by the article elsewhere in this issue, Cochrane defeated Timmins in district baseball. Dome and Cochrane football teams played to a tie, 1 to 1, in a match in the contest for the King Cup. A dance in the evening rounded out a very successful day. Many from Timmins and other towns on the Porcupine branch enjoyed the day at Cochrane. A special train was run for the occasion by the T. & N. O. from as far south as Matheson.

## SCOTLAND AGAIN WINS INTERNATIONAL MATCH

In the "International" Football match at the Dome on Saturday, for the benefit of that good football supporter, Mr. Ralph Calverley, "Scotland" again proved the winner as in the first game here some weeks ago. The score was a close one, 1 to 0. At half-time there was no score, and it was within ten minutes of the finish that A. Cadman shot in a cannon ball that Field could not save. "No goalie could have stopped that shot," said more than one spectator. But it was a dandy game of keen and clever football, with the honours fairly well distributed between the two teams. Owing to the bad weather the crowd was not so large as it would otherwise have been. All who missed the match missed one of the very finest exhibitions of classy football.

## TIMMINS DISTRICT TEAM WINS FROM FALLS, 4-0

Six Innings Without a Run and With Only 6 Hits and One Error. The Seventh Was Lucky For Timmins.

The district baseball league game Thursday afternoon here drew a big crowd and the match was followed with great interest throughout. In the first six innings both Timmins and the Falls put up a fine old game, there not being a run scored and only six hits made altogether four by the Falls and two by Timmins. Only one error was chalked up in these six innings. In the seventh innings, however, Timmins got three hits and two nice runs. In the eighth they did the same, and so did not take their half of the ninth, winning 4 to 0, without it.

The big crowd enjoyed the game, but would have enjoyed it even more if Johnny hadn't talked so much. Everybody likes to see Johnny play ball, because he plays so well, but there's too much competition in the cramping game.

The new score board was in use for the first time, and was appreciated.

Timmins—4 runs. Falls—0 runs.

## SHAFT SINKING TO START SOON ON THE ROCHESTER

Work Will be Carried Along Energetically and Property Developed.

Although not officially announced it is understood that shaft sinking will start on the Rochester property at an early date. The interests recently taking over this property are said to be profiting by the work done by the Nipissing and really starting where the latter left off. The new owners of the Rochester are the Canadian Gold Mines Corporation, operating under a Delaware charter, with a six million capitalization, and including New York and English interests. The corporation now holds close to 2500 acres, including well-located claims in Porcupine and Kirkland Lake camps. Mr. Frank C. Loring is consulting engineer and has been in the Camp recently in the interests of the corporation.

Prospector's Race a special feature. Watch for programmes.

## FUNERAL LAST WEEK OF THE LATE W. H. DEACON

The funeral took place on Thursday last of the late William Henry Deacon, eldest son of Mr. and Mrs. D. Deacon, of South Porcupine. Rev. Mr. McVitty conducted services at the home after which the body was taken to the T. & N. O. station, thence to go by train to Westport, near Ottawa, for interment. The large number of beautiful floral tokens and the many attending the funeral at South End testified to the high esteem in which the deceased was held and the sympathy felt for the family in their loss. The pallbearers were Messrs. Hugh Boyle, H. W. Hooker, W. H. Phillips, Geo. Lake, S. Pearce, and J. T. Easton.

The late W. H. Deacon, known to hosts of friends throughout the North as "Harry," was 33 years of age at the time of his death. At one time he was a noted hockey player and as such was well known and popular in the Cobalt and Porcupine Camps. He had been in poor health for some seven or eight years past but illness never deprived him of his courageous cheerfulness and unflinching good humor. He will be sincerely mourned by all who knew him.

## QUALIFYING ROUND FOR TIMMINS GOLF CLUB TROPHY

The qualifying round for the Club Trophy will be played on Saturday of this week, July 22nd, at 2 p.m. and cards have been sent this week to all members of the Timmins Golf Club to notify them of this and invite their presence.

Messrs. B. E. Martin, W.M. of Golden Beaver Lodge, and Geo. Lake, W.M. of Porcupine Lodge, together with other Masons of the district, left this week to attend the Masonic Grand Lodge at Port Arthur.

## FALLS AND COCHRANE TO SPEND LABOUR DAY HERE

Understood that Cochrane and Iroquois Falls are Deferring To Timmins This Year.

From word received here this week it is understood that both Iroquois Falls and Cochrane intend to drop all plans to celebrate Labour Day and this year, and both these towns propose to join with Timmins in observing this year's Labour Day. Timmins Football Club has been preparing a big programme for the coming Labour Day, Sept. 4th, and Cochrane and the Falls are to join in to make the event a big success. Leaders in the Falls and Cochrane for some time past have been working with Timmins people to see if a plan could not be arrived at to eliminate unnecessary and harmful competition between the three towns in the matter of celebrations and big days. There has been general agreement that when two or three of these neighboring towns put on a big day the result is an increased expense and a decreased patronage for each. To avoid this hurtful sort of competition and so that all may work together, plans are under way to have the big days go by turns, as it were. The Falls and Cochrane this year, to show their generous earnestness in the matter, are dropping their plans for Labour Day events and will co-operate with Timmins. "There will be at least 1000 people from Iroquois Falls and Cochrane at Timmins on Sept. 4 this year," says one Falls citizen.

## NEW GORDON BUILDING 3-STOREYS AND BASEMENT

Fine New Brick and Tile Structure Being Added to Town's Business Blocks.

Work is in progress this week removing the frame structures from the J. R. Gordon property next to the Imperial Bank on Pine street. The barber shop building is being moved to the lot across the road owned by Mr. Chas. Pierce where Mr. Carson will carry on until October when the new building will be ready and his shop will be in the basement of the fine new structure. The new building is to be of brick and tile and will be three storeys high with large basement. There will be some offices, etc., in the basement, and on the first floor there will be fine store premises. On the second floor there will be offices, and the third floor will be a lodge hall. The building is to be of brick and tile and of the most modern construction. The block will be a noteworthy addition to the buildings of the town. The contract for the work has been awarded by Mr. Gordon to Wells & Gray, of Toronto, and the work will be rushed to completion. It is expected that the new building will be ready by Oct. 1st.

## \$1000.00 IN PRIZES AT BIG DAY AT SOUTH END

South Porcupine is putting on a monster celebration on Aug. 4th. Over \$1000.00 will be given in prizes. There will be baseball, football, field and aquatic sports, and the day is promised to be the best day of athletics and sports yet held in the North Land. South End can do it, too. Timmins Citizens' Band in attendance all day. Further particulars later.

## TO-MORROW (THURSDAY) TIMMINS PLAYS AT FALLS

In the District League Baseball Timmins plays at Iroquois Falls to-morrow (Thursday). The local boys expect a victory as they are out to win the second half of the series sure. Anyway, it is going to be a lively game, for the Falls think they have lost enough games for this season in district ball and they are out to turn the tables.

On Wednesday next, the 26th Cochrane plays here in the district series. The following game here will be with the Falls on Aug. 17th. In the meantime, the Falls will play Cochrane on July 31st, and Cochrane plays at the Falls on August 5th. Timmins is scheduled to play at Cochrane on Wednesday, August 9th.

Mr. C. S. Carter returned last week from a prospecting trip west of Sudbury. He brought back some fine samples with him and is returning shortly for more prospecting work as he has apparently made a nice find.

## OVER \$5,000 MADE AT BIG BAZAAR HERE LAST WEEK

Remarkably Successful Event under Auspices of Altar Girls' Society.

The Bazaar in the Timmins Rink Tuesday, Wednesday, Thursday, Friday and Saturday last week, under the auspices of the Altar Girls' Society was a great success from every viewpoint and reflects the highest credit on the young ladies in charge and all others assisting in the event. The event will net over \$5,000.00. The attendance each evening was large, Saturday being an especially big day. The booths and various amusement features were splendidly arranged and managed. The array of fancy goods was something special, and there was a generous list of valuable prizes. Music for the evenings was supplied by the McIntyre Orchestra and by the Timmins Citizens Band and visitors were delighted with the good music. The various booths all did exceptionally well, practically everything being sold before closing time Saturday evening. The Bazaar was a great success and everybody attending enjoyed it. Some were particularly interested in one special feature and others found something else of first interest, but there was something to interest and please everybody.

Some of the prizes awarded have not yet been claimed. Anyone having a winning number can secure their prize now by calling at Rev. Fr. Theriault's house.

## OFFICERS INSTALLED AT REBEKAH LODGES

On Thursday last D.D. President M. E. Cook and Installing Officers B. P. Smith, E. M. Wilson and S. Boyle went down to Matheson to install the officers of Mons Companion Lodge. The train being late Mons Lodge sent a car to Porcupine Junction to motor the visiting installing officers to Matheson. On arrival supper was served, after which the installing of the officers took place. All were much impressed with the hospitality and progress of this new lodge. On the following evening the same officers with a number of members of the Timmins Lodge of Rebekahs visited South Porcupine to install the officers of Kitchener Rebekah Lodge. After the work of the lodge a very pleasant social evening was enjoyed.
