**COCHRANE'S FOURTH WIN AT EXPENSE OF TIMMINS**

Duncan, with Four 2-Fly Wallops is Batting Hero of Day. Destefano and Sheehan Fielded Brilliantly.

At Cochrane on July the Twelfth before one of the largest crowds ever to witness a baseball game in Cochrane, Timmins went down to defeat. Their very poor base-running and loose fielding in the sixth innings was mainly responsible for the loss, as the Timmins boys had four men put out on poor base-running in the first five innings and had 10 men stranded on the sacks during the game.

Slip Campbell started on the mound for Cochrane, but only lasted three innings. He was hit pretty hard and was fairly wild. He walked two and eight hits, including three doubles were gathered from him during these three innings. Thacker relieved him in the fourth and was lucky to have a win credited to him, as the Miners filled the bases twice in the fifth innings but could only get one run across.

Farr, for Timmins, pitched good ball until the sixth, when two infield errors, a hit, two walks with two more errors thrown in followed by a single, resulted in 6 runners crossing the plate, which netted Cochrane enough to win.

Tate took up the mound duties in the seventh, after Cochrane had scored another run on a double, followed by a triple.

McIntyre had his finger split and that forced an entire re-arrangement of the Timmins team. Destefano catching, Scully moving over to second, Duncan going to short, Farr to third and Roehon to left field.

Cochrane now has a one-game lead and Timmins will have to win the postponed game with Cochrane to tie that town for the first half of the district series.
