**KIRKLAND LAKE VIEW OF
 RECENT KING CUP GAME**

The Kirkland Lake correspondent of the Northern News, of Cobalt, sends the following report of the recent game when Kirkland lost to Timmins. It might be well to add a special word for the good work of W. Field in goal, and also to say that the team as a whole played so well for Timmins that there is a general disposition among football enthusiasts to pin their faith to this line-up for Timmins. The Kirkland Lake report is as follows:—

"Timmins presented such a strong line-up Saturday night that the strong Kirkland Lake football team had to suffer a 2 to 0 defeat in a King Cup game. There is no doubt but what the better team won. The Kirkland backs Ramsay and McPhail, with Elrick in goal kept the score from running up. Time after time the fleet-footed Ramsay was called upon to save the situation. Elrick had some difficult ones to handle, real hard shots, once stopping the ball with his legs when not able to reach it with his hands. F. Cadman, centre half for Timmins, was the outstanding player for the visitors. He played a good heady game all the way through. There are two Cadman brothers playing with Timmins and one with Kirkland. The play opened fast, switching from end to end. Kirkland secured a corner, Purser making a nice kick which Parsons tried hard to head in. The sun was very strong, making it hard to judge kicks. This was a decided disadvantage for Kirkland. Play went from end to end with Kirkland having the better of the play. Timmins almost scored from a corner after which they pressed hard, but were not successful. Kirkland secured possession and bombarded the Timmins' goal, hitting the goal post once and another time almost getting it past the goalie. Timmins then had a go at it. They had a kick on the goal but Elrick looked after it. They gave Elrick another hard one, but he was there. To half time there was no scoring. Timmins towered over Kirkland the first few minutes of the second half, and after a scramble in front of the goal drew first blood, Dunbar scoring. Purser made a beautiful centre kick but G. Cadman charging the goalie on the line when the latter had the ball. Kirkland had the better of the play for a short time, but were not successful in scoring. Play switched to Kirkland territory, Timmins securing a foul kick after which there was another scramble around the goal James man-

**KIRKLAND LAKE AT DOME
 SATURDAY IN N.O.F.A. SERIES**

On Saturday at the Dome, Kirkland Lake will play football in the second N. O.F.A. series, for the King Cup. The kick-off will be at 6.15 p.m. A collection will be taken on the field. The game is sure to be an interesting one as both teams are good. The Kirkland Lake team won the Dickson Cup this season, and the Dome is noted for its football, so both teams have the reputation. The Dome is determined to redeem itself from the poor luck of the first part of the season, and consequently a lively contest may be expected.

**SENSATIONAL QUARTZ
 FIND AT LIGHTNING RIVER**

The Sudbury Star last week says:—"Bob Maxwell, well known Sudbury prospector, was in town Monday with one of the richest and most sensational samples of gold bearing quartz brought to Sudbury in a long time. He got it in the Lightning River area, on the Upper Abitibi, and he is on his way to Toronto, where a syndicate has an option on the property following an examination by one of the most eminent gold mining men in Northern Ontario."

aging to slip the second goal in for Timmins. Kirkland tried to score, but seemed to lose possession at the Timmins' defense. Play ended with Kirkland pressing to even the count, Timmins winning two to nothing. The Timmins' players are all big heavy men and they all know football. The game was clean, being in the capable hands of A. Anderson, who has had considerable experience refereeing. This is the first game for Kirkland for the King Cup.

The line-up:
 Timmins: Field; Dalgarno and Street; Donald, F. Cadman and Cooper; Dunbar, Roberts, Carr, A. Cadman and James.

Kirkland:—Elrick; Ramsay and McPhail; Hastie, Parsons and Purser; Bassett, Hamilton, G. Cadman, Lynn and Bolton."

Mr. G. W. Lunney, vice-president of Wills & Gray, Limited, contractors, Wells & Gray, Limited, contractors, Toronto, came to town last week to see about the preliminary work in connection with the erection of the new J. R. Gordon business block on Pine street, next the Imperial Bank.
