COCHRANE WINS 3 to 2 IN 13-INNING STRUGGLE

Exciting District Game Here Last Wednesday. Cochrane's Win Popular in Town.

On Wednesday afternoon last in a regular N.O.B.A. fixture here Cochrane's string of victories remained unbroken. They won their fifth straight game, and deserved to win, though as much might be said also had Timmins won for it was anybody's game until the thirteenth innings.

The game started off in rather ragged and listless manner and developed into a pitcher's battle after the 3rd. innings. Glen Campbell on the mound for Cochrane was in trouble in the first three innings, as no less than 11 men were on bases in that time. He was lucky to escape with only two runs scored against him. Then he settled down and pitched a masterly game. Only five hits were gathered from his delivery after the third innings. The support behind him was of the choicest variety.

Thacker in right field pulled down Farr's fly that was labelled for two bases. G. Campbell in left field accepted three chances in nice style. Dunc, McLean at short accepted seven chances and his throwing was about perfect. He is about one of the best fielding short stops in the league, as he plays ball at all times and leaves the grandstand stuff alone. Don Campbell at third accepted four chances perfectly and contributed a double that developed into a run when Pierce dropped an easy throw that might have meant three men out.

Douglas, second baseman, featured with his hitting. He contributed a double and two singles. He also scored the run in the sixth that tied the score, and he crossed the plate with the winning run in the 13th, when he singled and scored on a sacrifice fly by Thacker.

Tate, pitching for Timmins, deserved a win as he pitched nice ball at all times and only walked one man, against his opponent's four.

Scully and Lake fielded in spectacular style, three of their catches especially pleasing the crowd. Destefano also made a circus catch and fielded nicely, but his performance was marred by his prize bone in the 13th that practically lost the game. Johnny wants to pay more attention to the game and less to the bush league crabbing and he will be the best short-stop in the league. He is a first-class all-around ball player, and all good sports are galled to think that he may be kidded into the bush league stuff.

From the spectators' viewpoint, Wednesday's game was one of the best. There was so much exciting ball that the crowd forgot to care who won. Cochrane boys are such good sports that their victory was a popular one. A victory for Timmins, of course, would have been even more popular, naturally. The Timmins team is generally believed to be superior to the Cochrane boys, and perhaps the answer lies in practice. Timmins team would not suffer a bit from more practice together as a team. There is generally from three to five players missing at all practices held lately and this does not give the team its best chance. With practice and team play Timmins can yet make them all sit up and take notice.

The following is the official report of Wednesday's game as furnished by Mr. J. N. Levine, official scorer:—

"The Thoughts of Youth Are Long, Long Thoughts"

STRIDING along in the first stages of life's journey, the young man looks ahead at the road as it stretches before him in the radiant sunshine, and it seems a road of infinite length. His pathway winds through alluring landscapes to a far distant horizon. The future stretches far, far out of sight. He cannot see the end of the road, nor does he realize that the road for him, as for all, is but a span.

"The thoughts of Youth are long, long thoughts", says the poet.

But the "long, long thoughts of youth" grow ever shorter and shorter the farther the youth advances on life's road. Let him, therefore, think seriously betimes, and mingle practical planning with his dreams.

Mutual Life endowment insurance is practical foresight. Mutual Life endowment insurance looks ahead ten, fifteen, twenty, twenty-five, thirty or thirty-five years. Mutual Life endowment insurance gives a man an asset from the start, protection all the way, and a sure, safe fund for the future.

Endowment policies in the Mutual Life of Canada on the participating plan constitute one of the best examples of organized and co-ordinated forethought that the world has known. If you wish to secure life or endowment insurance at cost, ask our nearest agent.
