### IMPORTANT GOLD FIND REPORTED NEAR TASHOTA

Despatches sent out last week from Cobalt say that according to Capt. J. Reddington, who has just returned from the Kowkash Mining Division, a discovery of gold has been made by prospectors who are engaged in carrying on exploration work in the Reserve at a point about 12 miles south from Tashota. The gold occurs in a vein lying in greenstone formation in close proximity to a quartz porphyry intrusion.

### MISS ORR WRITES AGAIN FROM LONDON ENGLAND

Miss Olive Orr, who as the North Land's candidate won a place in the party taken on the European tour by the Toronto Sunday World, has been kind enough to again favour The Advance with some notes of the trip. Writing from the Hotel Russell, Russell Square, London, W. C. 1, under date of July 22nd, Miss Orr says:—

"Here we are in London having a grand time. Everyone is happy to be where we can talk English and be understood.

"Have had nice weather in London, but it poured every day we were in France and Belgium.

"Have been to the Tower, St. Paul's Westminster Abbey, also saw them change guards at Buckingham Palace. To-day we go to Windsor Castle.

"Yesterday p.m. Mrs. Moses of our party, who should have been in London to put the wreath on Wolf's Monument, but was one day late, placed a wreath of maple leaves and red carnations on the Cenotaph in Honour of the Glorious Dead. This tribute was from 21 Canadian girls.

"We certainly have seen some wonderful sights. The battlefields are mostly under cultivation now, and the fields of poppies are lovely. Some of the towns suffered very greatly in the war, for even now after four years they still look terrible.

"Hope everyone in the Camp is enjoying the summer and holidays.  
 Sincerely, OLIVE ORR."

### MYSTIC SHRINE CEREMONIAL AT HAILEYBURY, SEPT. 22.

The date of Friday, Sept. 22nd, has been definitely selected for the Ceremonial to be held by Rameses Temple Ancient Arabic Order Nobles of the Mystic Shrine, in Haileybury. The various candidates in the Porcupine district and others interested should make a note of the date—Sept. 22nd.

### PIERCED TO DEATH BY SPLINTER OF WOOD FROM SAW

The following is from the last issue of The New Liskeard Speaker and tells of a rather unusual fatality:—

"A shocking accident occurred at Latchford, Saturday afternoon, when Alford Mortson, second son of Mr. and Mrs. W. Mortson was instantly killed. The accident took place at Mc Lellan's Lumber Mills when a splinter of wood, almost four feet long, sprang from a board he was feeding to an edger saw, and pierced his eye and brain, causing almost instantaneous death. Alford, who was eighteen years of age, was highly respected here. He leaves to mourn his loss, besides his parents, three brothers, Allen, Max and Clifford, and two sisters, Marjorie and Edna, all residing at home."

### GOVERNMENT EXPERIMENTAL FARM AT NEW LISKEARD

Announcement was made last week to the effect that the Ontario Government plans to have an Experimental Farm for Temiskaming at New Liskeard. The Government owned some 230 acres at Liskeard, but this was considered too small for an experimental farm. Last week the final steps were taken for the purchase of some 170 additional acres adjoining making a total of 400 acres, more or less. This property will be the Government Experimental Farm for Temiskaming. Recently the Monteith Demonstration Farm was transferred to the Department of Education for the purposes of the Northern Academy, the North Land's general educational institution. This left this part of the North without a Government Farm. The farm at New Liskeard gives Temiskaming a Government Demonstration farm again.

Mr. R. LeHeup, Inspector of the C. A.S. of Haileybury, was a visitor to Timmins last week, attending Juvenile Court here in the interests of some boys charged with theft and other misdemeanors.
