Timmins and District Notes

(Mr. D. B. Curtis leaves this week for a holiday in the south.)

Mr. Wm. Salter, of Ottawa, visited the Camp this week.

(BORN—In Timmins on Thursday, Aug. 3rd, 1922, to Mr. and Mrs. Mark Bowie, a son.)

The next regular meeting of the Town Council is scheduled for next Monday afternoon, Aug. 14th.

Miss Grace Macdonald left on Sunday for a couple of months' vacation in Toronto and other points south.

Chief M. Greer and family left on Sunday for a holiday in the Ottawa district and other points east.

Mrs. D. D. Chisholm and family left last week for a month's holiday in Dalkeith, Ont.

Fire Chief A. Borland, Mrs. Borland and Miss Mamie are spending their vacation at London, Ont., and other points south.

(Misses Nevada and Lillian McCarthy left on Saturday for a three weeks' vacation to be spent in Toronto, Chicago, and other points south.)

Mr. M. B. Scott returned last week from a month's vacation spent in the Muskoka district. Mrs. Scott and the children will remain until September.

The Football Club's Day of Sports at Timmins on Labour Day, Sept. 4th, promises to eclipse all similar events in the North Land. An unusually attractive programme is being prepared.

Mr. Geo. W. Lee, Chairman and Col. Martin and Col. McLaren, Commissioners, of the T. & N. O., together with a number of the high officials of the road paid a brief visit to Timmins last Thursday. They travelled in a special of two cars, and it is said that Premier Drury was in the party, but this report is not confirmed. If the Premier were here he must have been suffering from a severe attack of modesty, for he did not make himself known to any of the many who would like to see him here and discuss North Land affairs with him.

(The funeral of the late Wing Wen on Thursday afternoon last from the Club Cafe building, Third Avenue, was largely attended, the number of citizens present showing the high esteem in which the deceased was held by all who knew him, and his long connection with Fat's Cafe gave him a wide circle of friends. Funeral services were held in the Presbyterian church, Timmins, Rev. Mr. McVittie, of South Porcupine, conducting these services, in the absence of the pastor, Rev. J. D. Parks. Services were also held at the grave. Interment was made in the Timmins cemetery.)

One of the Timmins business men who sees that Timmins keeps in modern city ways is Mr. Leo Maseioli. Recently he put on a force of motor dump trucks for use in his extensive contracting business. This week he added a power excavator,—more commonly known as a steam shovel,—to his up-to-date equipment. This steam shovel, which is of the tractor type, is equipped with various kinds of shovels or scoops and so can be used for a large variety of purposes, including trenching, ditching, excavating, etc. It will do as much work in a given time as a large number of men. When the big machine was brought down street from the station on Monday under its own steam, and with its warning whistle going when necessary, it attracted much attention, and prompted four different men to say, "Timmins gets more like New York every day."

Rev. J. D. Parks is away on a few weeks' holiday in the south.

Mr. and Mrs. R. Richardson and family returned last week from a holiday visit to the south.

Officer J. O'Connor is Acting Chief of Police during the absence of Chief Greer on his vacation.

Mr. Geo. M. Black, of the Homer L. Gibson & Co. office staff, Toronto, is visiting his brother, Mr. A. J. Black this week.

"Last and Best of the Season,"—the Football Club's Day of Sports at Timmins on Monday, Sept. 4th, Labour Day.

Miss Louise Davis, of San Antonio, Texas, is spending a month's holiday with her uncle, Mr. Vincent Woodbury.

Tomorrow (Thursday) is the annual Oddfellows' Picnic at Wilson's Farm, Golden City,—always a very enjoyable and successful summer event.

Mr. W. Stapells, of the Royal Garments, Toronto, was at the Hollinger Stores last week with a fine display of new dresses and suits for fall and winter.

Haileybury's annual horticultural show will be held this year on Aug. 23rd, and 24th, in the Armories. A "baby show" is to be a feature of the event.

As will be noted by the announcement elsewhere in this issue the Hollinger Stores are holding a special sale to clear out all summer dresses, and the high quality goods are priced so attractively as to guarantee their quick disposal.

Tomorrow (Thursday) afternoon and evening the ladies of the Schumacher R. C. Church are giving a Raspberry and Ice Cream Social on the grounds near the church. The pleasant social events given by the ladies of the Schumacher R.C. Church in the past will be full assurance that the Social tomorrow will be a pleasant and enjoyable event.

A dance is announced for tomorrow (Thursday) evening, Aug. 10th, in the McIntyre Hall, Schumacher. Dancing at 9 p.m. Refreshments. McIntyre Orchestra in attendance. The dances in the McIntyre Hall are always enjoyable events and the one tomorrow evening will be up to the usual high standard.

Work is in steady progress on the various big new buildings in course of erection in town, including the new R. C. Church, the new R. C. Separate School in the town annex, the addition to the public school, the new J. R. Gordon block, the new Bardesseno block, the new hotel next to the Empire Theatre, etc., as well as in connection with many fine new residences.

TOWN OF TIMMINS

Tenders for Water Works Extensions

Sealed tenders, marked as to contents, will be received by H. E. Montgomery, Town Clerk, until 12 o'clock noon, Monday, August 14th, 1922, for the construction of 1500 feet of 6" cast iron water main on Sixth Avenue from Cedar Street to Vimy Road. Plans and specifications may be seen and form of tender obtained at the Engineer's office, Town Hall, Timmins.
