Timmins and District Notes

Mr. and Mrs. F. C. H. Simms left on Monday for a holiday in the south.

Mr. W. W. Mulligan of Buffalo, N. Y., was a visitor to the Camp last week.

Mr. H. W. Hooker returned on Sunday from a few weeks holiday in the south.

The Medal Handicap will be the feature at the Golf Course on Saturday. All members are asked to be present.

Mr. C. S. Carter returned this week from another visit to his mining claims west of Sudbury. The mining engineer who accompanied Mr. Carter to the property on behalf of an English syndicate was much impressed with the showings made by the claims, and it is likely that a satisfactory deal will be made between the syndicate and Mr. Carter and his partner.

The Continental Limited (south-bound) suffered some damage to windows, etc., one day last week through the rowdiness of a group of harvest excursionists from the east. When the excursion train met the Continental west of Cochrane the eastern fellows bound for the west deliberately stoned the Continental. This is not the first time rowdiness has been displayed by the harvest excursion trains from the far east, but it should be the last.

One evening last week the wife of one of the settlers up the river encountered a big black bear just at the edge of the farm clearing. The lady and the bear saw each other about the same instant, and it is a toss-up which was the most startled. The big black bear, however, made the most speedy recovery, and with a grunt sidled off to the bush at a very lively pace. The incident explained one mystery—the question as to what was happening to currants and other fruit. Berries would be noted one day as forming nicely and the next day would have disappeared completely. The big black bear had been the patron of the berry patches.

Mrs. Geo. Pond is visiting at the home of her mother in Cobalt.

Mr. C. G. Pirie, of The Advance staff, returned on Sunday from a two weeks' holiday in the south and east.

It is probable that the Gold Reef property will re-open this fall and work carried on there on an extended scale. Plans to this effect are understood to be now under way.

Mr. Jack Thomas left last week for the Night Hawk area, having taken a contract with the Porcupine Peninsular Gold Mines for work on their promising property.

A dance is announced for Thursday (tomorrow) night, Aug. 17th at the McIntyre Hall, Schumacher. Music by the McIntyre Orchestra. A good time assured to all attending.

"In Flanders Fields the poppies grow!" Also they grow in Timmins. At one residence on Sixth Avenue there is a magnificent display of poppies of many shades and all of the finest type of flower.

Other municipalities in the North Land seem to be following the good example of Timmins in reducing the tax rate this year. Teek Township last week fixed the tax rate at 43 mills,—a drop of 7 mills from last year.

Another Sunday evening band concert in the New Empire Theatre after the church services on Sunday, Aug. 20th There will be band selections by the Timmins Band, and vocal and instrumental numbers by local talent.

While playing with another little girl at her home in Cobalt last week, Etta McMillan, 5 years old, was so badly burned that she died in a couple of hours. The youngsters started a bonfire in the yard and little Etta got too near the blaze. Her clothes caught fire and before the neighbors could do anything such serious burns were sustained that the child's death resulted within two hours of the accident.

It is understood that about twenty men now residing in Timmins, but formerly employees of the International Nickel Company at Copper Cliff and Creighton Mines, have been invited to report for duty and resume their former positions on August 28th. The same invitation is also understood to have been extended to former employees now at Iroquois Falls. Apparently the International Nickel Co. intends a more general resumption of business.

Mr. Chas. P. Grill left last week for the south, where he will visit for a time at his home in Hespeler, Ont. His plans after that are not yet definitely decided though he intends to take a trip to the west before again locating in a new town. Mr. Grill recently sold his jewelry business here to Mr. John E. Garrett. Mr. Grill will be much missed in town where he was a popular and useful citizen, taking a prominent part in sports, musical and other circles here.
