**PAPERMAKERS WHITEWASH  
 TIMMINS WITH 8-0 SCORE**

Yesterday at Iroquois Falls in the district league baseball series Iroquois Falls whitewashed Timmins 8 to 0. The one-sided score, however, is quite misleading in regards to the quality of ball played. Only six of the regular team were able to go to the Falls and the reserves accordingly had to be hastily secured. Tate got off to a poor start in the first, hitting three batsmen and walking one, along with three singles, and a double and some poor infielding, giving the Falls six runs. Gauthier and Bart were both up to bat twice in this innings. Tate settled down after the first and pitched very clever balls only two more hits being gathered off his delivery for the rest of the game. Only one hit (by McIntyre) was gathered off Little. Tate struck out ten and Little nine. McIntyre caught a good game, and Meggs showed up well in the field. White and Levine did good work also in the field. Timmins generally, however, had an off day for batting. Space this week will not allow for the usual official report, but suffice it to say that apart from the first and eighth innings not a run was scored and the game was a very interesting one.

**COCHRANE BALL TEAM TO  
 PLAY HERE ON SATURDAY**

The last regular District League Baseball game to be played at Timmins will be the match here on Saturday of this week, Aug. 26th, when Cochrane and Timmins again try conclusions. This will be a decisive game so far as championships chances are concerned and it should be an unusually interesting game.

This game will start at 4.15 p.m. sharp and the crowd should be a record one for the occasion.

**To Holders of Five Year  
 5½ per cent Canada's  
 Victory Bonds**

Issued in 1917 and Maturing 1st December, 1922.

**CONVERSION PROPOSALS**

**THE MINISTER OF FINANCE** offers to holders of these bonds who desire to continue their investment in Dominion of Canada securities the privilege of exchanging the maturing bonds for new bonds bearing 5½ per cent interest, payable half yearly, of either of the following classes:—

(a) Five year bonds, dated 1st November, 1922, to mature 1st November, 1927.

(b) Ten year bonds, dated 1st November, 1922, to mature 1st November, 1932.

While the maturing bonds will carry interest to 1st December, 1922, the new bonds will commence to earn interest from 1st November, 1922, GIVING A BONUS OF A FULL MONTH'S INTEREST TO THOSE AVAILING THEMSELVES OF THE CONVERSION PRIVILEGE.

This offer is made to holders of the maturing bonds and is not open to other investors. The bonds to be issued under this proposal will be substantially of the same character as those which are maturing, except that the exemption from taxation does not apply to the new issue.

Holders of the maturing bonds who wish to avail themselves of this conversion privilege should take their bonds AS EARLY AS POSSIBLE, BUT NOT LATER THAN SEPTEMBER 30th, to a Branch of any Chartered Bank in Canada and receive in exchange an official receipt for the bonds surrendered, containing an undertaking to deliver the corresponding bonds of the new issue.

Holders of maturing fully registered bonds, interest payable by cheque from Ottawa, will receive their December 1 interest cheque as usual. Holders of coupon bonds will detach and retain the last unmaturing coupon before surrendering the bond itself for conversion purposes.

The surrendered bonds will be forwarded by banks to the Minister of Finance at Ottawa, where they will be exchanged for bonds of the new issue, in fully registered, or coupon registered or coupon bearer form carrying interest payable 1st May and 1st November of each year of the duration of the loan, the first interest payment accruing and payable 1st May, 1923. Bonds of the new issue will be sent to the banks for delivery immediately after the receipt of the surrendered bonds.

The bonds of the maturing issue which are not converted under this proposal will be paid off in cash on the 1st December, 1922.

**W. S. FIELDING,**  
 Minister of Finance.

Dated at Ottawa, 8th August, 1922.
