TIMMINS AND DISTRICT NOTES

Mr. and Mrs. J. G. Stewart returned to town on Sunday.

Saturday, November 18th is the date of the annual meeting of the Northern Ontario Hockey Association. The annual meeting will be held in the Council Chamber at North Bay.

Mr. C. D. Dixon, one of the original stakers of the Miller-Middleton-Dixon claims, now part of the Hollinger property, was a visitor to Camp last week. He was warmly welcomed by many old friends here, this being his first visit since the early days of the Camp.

Mr. Alex. Wilson, barber, usually thought to be Scottish, though as a matter of fact he comes from Aberdeen, is now with Carson's barber shop. There ought to be a regular run on Art's barber shop when it is known that he has thus got in a case of Scotch.

A recent issue of The Ontario Gazette announces the incorporation of the Cameron Porcupine Mines Limited. The head office is at Timmins, Ontario. There are a million shares of a par value of \$1.00 each. The incorporators are Messrs. A. C. McLean, G. F. Brennan, T. M. Hazelton and A. C. Brown. The property of the company is in Bartlett Township, being favourably located and giving much promise from the preliminary work.

Mr. Joseph Mortenson, one of the early residents of the Camp, and for some years one of the proprietors of the Ideal Pool Rooms and Rooming House, opposite the New Empire Theatre, returned to the Camp last week and is renewing acquaintances here. After leaving Timmins Mr. Mortenson went to Belgium, later returning to Montreal, where he was in business again here, as may also his former partner, Mr. Geo. Demagne who is expected here shortly on a visit.
