**MUSICAL FESTIVAL HERE
TUESDAY, NOVEMBER 28**

Lovers of music will have an opportunity to enjoy a genuine musical treat on Tuesday evening, Nov. 28th., in the New Empire Theatre, Timmins, under the auspices of the Caledonian Society of Timmins. As the people of this district are especially fond of good music, and as it is a considerable time since a concert of this type has been presented here, the chances are that the event will be greeted with a crowded house. The way the tickets are selling at the present time would support this theory and it would be well for all interested to secure their tickets now. It may be added that should the event on the 28th. prove as successful and popular as it promises to be, further events of a similar kind will be presented in the coming months.

The Caledonian Choir, including about forty excellent voices, is devoting practically unlimited time, patience, energy and talent to the preparation for the event. Under the capable leadership of Mr. Jas. Geils the Caledonian Choir, is making very striking progress and the selections by this well-balanced mixed choir will undoubtedly find favour with a music-loving audience. A practice of this choir Monday evening of this week showed them giving the selections with a vim and harmony that were most attractive. In addition to the work of the Choir, the programme will include vocal and instrumental selections of special merit, as well as specialties that are sure to please. The complete programme as it will be presented will be published next week and will include songs, duets, trios, quartettes, etc., as well as literary numbers. The publishing of the full list of numbers is a proof of the confidence felt in the excellence of the programme, and the assurance that music-lovers in the town and district will give the event the heartiest support.

A HINT TO THE WISE

Down in Virginia a farmer had an ox and a mule that he hitched together to a plow. One night, after several days of continuous plowing, and after the ox and mule had been stabled and provendered for the night, the ox said to the mule:—"We've been working pretty hard; let's play off sick tomorrow and lay here in the stalls all day."

"You can if you want to," returned the mule, "but I believe I'll go to work."

So the next morning when the farmer came out the ox played off sick. The farmer bedded him down with clean straw, gave him fresh hay, a bucket of oats and bran mixed, left him for the day and went forth alone with the mule to plow.

All that day the ox lay in his stall, chewed his cud and nodded, slowly blinking his eyes and gently swishing his tail.

That night, when the mule came in, the ox asked how they got along plowing alone all day. "Well," said the mule, "it was hard, and we didn't get much done, and—"

"Did the old man have anything to say about me?" interrupted the ox. "No," replied the mule. "Well, then," went on the ox, "I believe I'll play off again tomorrow; it was certainly fine lying here all day and resting."

"That up to you," said the mule, "but I'll go out and plow."

So the next day the ox played off again, was bedded down with clean straw, provendered with hay, bran and oats, and lay all day nodding, blinking, chewing his cud and gently swishing his tail.

When the mule came in at night the ox asked again how they had gotten along without him.

"About the same as yesterday," replied the mule, coldly.

"Did the old man have anything to say about me?" again inquired the ox.

"No," replied the mule, "not to me, but he did have a d— long talk with the butcher on the way home."

Dr. "Jerry" Laflamme, who coached Sudbury's team last winter, is now in Toronto, and, according to the reports given by visitors to Sudbury from the Queen City, he will try for a place this winter with his old love, the Granites.

The Ladies of the R. C. Church, Schumacher, are giving a Euchre Party tomorrow (Thursday) night, and a pleasant evening is assured for all.

Announcement is made of the marriage of Mr. Herbert Holman and Miss Bertha Holman, of Schumacher, on Monday, November 13th, the wedding taking place at St. Matthew's Church, Timmins.

There promises to be few new cases at police court this week, though a number of important cases remained from last week will be heard. Up to yesterday the town had been unusually quiet and orderly, only one lone drunk being picked up in six days.

White Kid Baby Shoes, \$1.00 a pair. The Needlecraft Shop, 6 Marshall Ecclestone Blk.

The Timmins Lodge of the Rebekahs will hold a Sale of Home-made Cooking and a Tea on Saturday, Nov. 25th, in the I.O.O.F. Hall. Afternoon Tea will be served from 3 to 6, and there will be an attractive array of home-made cooking on sale.

The next regular dance scheduled for the McIntyre Recreation Hall, Schumacher, is to be on Thursday evening, Nov. 23rd. These McIntyre dances continue in growing popularity and are always pleasant events. McIntyre Orchestra will furnish the music.

Sault Ste. Marie has asked for the transfer of Gordon Spence, the Hailybury and New Liskeard hockey player. Gordon Spence proved himself a good defence player with Liskeard some seasons ago and may stage a come-back in the faster company of the Sault team.

The next regular meeting of the Caledonian Society of Timmins will be held in the I.O.O.F. Hall on Friday evening of next week, Nov. 24th. It will be a "Musical Evening," in charge of Mr. James Geils, and will undoubtedly be a most pleasing and attractive meeting.

The granite memorial to the brave lads from Hanbury who fell overseas in the great war is practically all that is left by the recent fire of the village of Hanbury. The memorial shaft was alongside the Hanbury church which was destroyed by the fire as were practically all the other buildings in the village.

Sudbury Hockey Club has been reorganized for the season, with Mr. P. Morrison re-elected as president and Mr. Fred Donegan again the secretary treasurer. Mr. John Bell has been re-appointed manager for the season. Sudbury had a deficit of between \$500 and \$600 on the past season's proceedings.

The many friends in this district of Capt. Tom Magladery read with sincere regret and sympathy for the bereaved the despatch last week from Edmonton announcing the death in that western city of Mrs. Lillian Howson Magladery, wife of Capt. Tom Magladery, Member of the Ontario Legislature for Temiskaming. The body was taken east for interment and burial made at Keene, Ontario, on Tuesday of this week.

The fine new Prince of Wales restaurant next to the New Empire Theatre and opposite the station, expects to open for business on November 25. It will be conducted by Mr. Geo. Yung and the others formerly connected with Fat's Lunch, and this is assurance that it will be a pleasant and well-conducted restaurant. So many have wished to inspect the new building that November 23rd and 24th have been set aside for visitors. On that date all will be welcome to go through the Prince of Wales Cafe and Hotel and see the big new building and equipment.

Mr. and Mrs. Stan. Pearce returned on Sunday to South Porcupine to take up residence there and are being warmly welcomed by their hosts of friends, both these young people being very popular in South End. The bride was formerly Miss Dupuis, for some time the popular and talented head of the millinery department of Sky Bros.' store. The marriage took place last week in Toronto, Rev. W. J. Armes, formerly of South Porcupine, officiating. Mr. and Mrs. Sta Pearce are being fairly showered with sincere good wishes from their innumerable friends in the Camp.

Mr. Jas. Bourke, of the Ontario Tie, Timber & Construction Co., arrived here on Sunday to superintend the arrangements for the re-opening in this district of the operations by the firm.

Mr. J. J. Harpell, President of the Industrial & Educational Publishing Co., of Gardenvale, Que., is a visitor to the Camp to-day. He is here making arrangements for educational courses for miners and prospectors. The course for prospectors has been arranged by Prof. Goodwin. Mr. Harpell has also been in Iroquois Falls recently in connection with educational courses for those in the pulp and paper industries.

There have been a number of complaints made recently that some of the lumber furnished the fire sufferers for re-building purposes is of poor quality, some of it being practically useless. It is said that this poor quality came from outside the district, the lumber sent by North Land mills being all of good quality, though some of it was given free of cost. As The New Liskeard Speaker says, every fire sufferer should see that his lumber is good; he should insist on this, as the money was raised for marketable lumber not for useless stuff.

SUCCESSFUL ARMISTICE DANCE BY EASTERN STAR

The Armistice Dance given in the Oddfellows' Hall, South Porcupine on Friday evening last, by the Porcupine Chapter No. 84, Order of the Eastern Star, was a successful and attractive event. There was a good attendance, good music, pleasing refreshments, good dancing and a happy social time. Because of the bad condition of the roads and for other reasons, there were only two or three from Timmins at the pleasant evening. This, however, was the loss of those from this end of the Camp, for all attending agree that it was a very enjoyable and successful event.

GOLD FIND MADE ON THE PIERCE FARM IN MOUNTJOY

This week a find of gold-bearing ore was made on Mr. Chas. Pierce's farm in Mountjoy, about half a mile from Timmins. Ore showing free gold was uncovered and as soon as the discovery was made work was started to prospect the property and see what may be in it. Half a dozen men have been at work for the past couple of days and it will likely be evident in a day or so whether there is possibility of another mine for this area or whether the find is simply a case of an odd piece of gold-bearing ore being on the property. The work so far is understood to suggest the possibility of a formation favourable to gold, but the work now in progress will likely decide whether or not there are chances of another property worth developing.

AND THEN THE LADIES WENT ON DOWN STREET

Two ladies from a nearby town came into The Advance office yesterday. Very politely the one young lady asked a question:—"Would you be good enough to tell us where the Municipal Building is?" "Right across the street," was the reply.

"What? the Police Station?"

"Yes!"

"Then to Hell with it!" And the two ladies hurried on down street.

EAST AND WEST

The proofreader on a small Middle Western daily was a woman of great precision and extreme propriety. One day a reporter succeeded in getting into type an item about "Willie Brown, the boy who was burned in the West End by a live wire."

On the following day the reporter found on his desk a frigid note asking "Which is the West End of a boy?"

It took only an instant to reply:—"The end the sun sets on, of course."

A Deserved Diploma-- Certificate of Health

Miss M— lived in the Ottawa Valley, not far from the capital, with her mother and young sister. Work seemed the natural thing when she left school, and accordingly, she started out to get what she could for her services. Progress was not fast, but at least she did not stand still, and her earnings were always increasing.

With such prospects it seemed that her little sister could get the chance that she had been denied—a University education. The baby of the family went to Queens, and this year, her alma mater gives her the degree of Bachelor of Arts. Next year she's going to do better—Master of Arts. But here's where the sadness comes in. The elder sister, broken in health by overwork, is no longer able to assist. She is a patient at the Muskoka Hospital for Consumptives, but it is hoped that she will shortly graduate—with "A Certificate of Good Health."

Seventeen thousand patients have been cared for by the National Sanitarium Association in its hospitals in Muskoka and at Weston. Half of them have been restored to health and happy homes. You can share in this great work if you will.

Contributions may be sent to Hon. W. A. Charlton, 223 College Street, Toronto.
