## Timmins and District Notes

Mrs. G. F. Brennan left on Monday for Toronto for the winter.

BORN—In Timmins, on Saturday, Nov. 4th, 1922, to Mr. and Mrs. A. W. Leach,—a son.

Mr. W. R. Hendrickson, of Buffalo, N.Y., was a visitor to the Camp over the week-end.

Mrs. Jack Brownlee left on Tuesday for Toronto after a visit here at the home of her parents, Mr. and Mrs. Thos. Hardy.

BORN—At the Cairns Hospital, Timmins, on Thursday, Nov. 2nd, 1922 to Mr. and Mrs. John O'Loughlin, Mattagami Heights,—a daughter, still born.

Miss Eleanor Warren, of Hamilton, who has been visiting her brother, Mr. H. W. Warren, for the past couple of months, returned to-day to her home in the south.

Mr. Baker of the Dominion Department of Agriculture was a visitor to town this week, and was making an inspection of stock kept here, with the view to having conditions all favourable for the public health. On previous visits here Mr. Baker emphasized the necessity for guarding the public health by instituting police court proceedings against those who disregard the laws of sanitation and cleanliness in the keeping of stock in the town and district.

Last week two policemen standing on the street corners in Timmins were knocked down by a runaway team and badly smashed up. The team had been standing at the freight sheds taking on a load when they became frightened and bolted. The driver hung on to the lines as long as he could but eventually was thrown aside by the frightened horses. At the corner of Third Avenue and Pine street the team smashed into and smashed up the policeman there and did the same to the police at the corner of Pine and Fourth Avenue. Neither of the police will ever be much good again. The horses were injured but not seriously so. They were stopped before further damage was done. P.S.—The police battered up were "Silent Policemen." P.P.S.—Please excuse the old gag.

BORN—At 60 Elm street, Timmins, on Thursday, Nov. 9th, 1922, to Mr. and Mrs. G. Robertson,—a son.

The Sudbury Star last week says:—"Miss Monica Devine left this week for Timmins, where she has accepted a position."

No one should forget the Bazaar, Tea and Hot Supper, in the Masonic Hall, Timmins, on Friday, Nov. 17th, under the auspices of the Ladies Aid of the Presbyterian church.

Last winter skiing was one of the popular pastimes at Iroquois Falls, and this year promises to be even more popular. The Ski Club was recently re-organized for the season and already has a large and enthusiastic membership.

Charles Sandrelli, sometimes referred to as the "King of the Italians at North Bay," was acquitted last week of receiving goods said to be stolen from T. & N. O. cars. In dismissing the case the judge suggested that the evidence pointed to the existence of an organized band of thieves, but that the case against Sandrelli was not founded on very substantial grounds.

The office of the Division Court Clerk, Mr. E. H. Hill, has been moved to the municipal building, upstairs.

"Porcupine Miners Wading in Gold," says a heading in an outside newspaper. Sure, boys, come on in, the water's fine!

A somewhat peculiar incident is told regarding some in the party of Cornishmen coming here recently. Some of them were singers of ability, but when they attempted some chorus work here a few days after their arrival they found that they had lost their voices. Since then, however, their voices have returned to normal and they are able to show that Cornishmen are still leaders in chorus singing. The explanation of the temporary loss of the singing voice lies no doubt in the effect of the change of climate, and this theory seems to be supported by the fact that as soon as the men had opportunity to become acclimatized their voices returned as good as ever.

## XMAS IS COMING

The early shoppers make their selections with ease and comfort. The tardy ones in fear and frenzy. Therefore "now is the accepted time." Come in and make your selections; We will hold them for you till Xmas.
