"Your Druggist is More Than a Merchant" Try the Drug Store First.

EVERY FAMILY HAS

its own doctor, dentist, grocer, butcher, etc. Why not its own optometrist? Nothing is more important than placing the care of your eyes with those known to be skilled and experienced in the science of optometry.

Make us YOUR optometrist. Let us protect and safeguard your family from eye troubles. Make us your optometrist. Let us protect and safeguard your family from eye troubles. Regular examinations or consultations will keep us both informed as to the condition of your eyes and enable us to provide the proper glasses before serious troubles can result.

The latest suggestion is that placer mining for silver be carried on in the Groulx Lake vicinity. It is said that nuggets of silver are found in the sand and drift that overlies the rock in the ravines. Go to it! Anything is worth trying! If silver in paying quantities can be recovered by placer mining, then placer mining for silver is O.K. And it will not be very costly to try it out.

Sheriff G. Caldwell, of Haileybury, was a visitor to the Camp this week.
