ONE OF THE NORTH LAND'S PIONEER CITIZENS DEAD

Mr. Paul Cobbold Passes After Long And Useful Service to New Ontario.

News of the sudden death of Mr. Paul A. Cobbold, of Haileybury, last week was received with the deepest regret. The late Mr. Cobbold was widely known throughout the North and all who knew him held him in the sincerest esteem and regard. For the past twenty years he has been Government Meteorologist at Haileybury and his accurate but interesting reviews of weather conditions for the district were for many years a special feature of value in the columns of The Haileyburian. The late Mr. Cobbold was also Division Court Clerk for many years, as well as holding other positions of importance and public responsibility, discharging all his duties with an unflinching courtesy and a constant faithfulness and fairness that gave him merited standing and popularity in the community. In Board of Trade circles he was a useful and energetic worker, and the Associated Boards of Trade suffers a decided loss in his death. Indeed, in any public effort for the benefit and advancement of this North Land, Mr. Paul A. Cobbold, of Haileybury, could always be counted upon to do more than his single share.

Mr. Cobbold was one of the heaviest losers in the recent Haileybury fire. Property and money he lost, but the most serious loss to him was the loss of his wife. She gave her life in attempting to save an aged uncle from the flames, and Mr. Cobbold, in his efforts to find and rescue his wife would also have perished in the fire had not others rescued him. He was seriously burned and also suffered from the severe shock of the occasion. He was taken to New Liskeard hospital where, for a time, it was feared that he could not recover. He slowly gained strength, however, and on Saturday, Dec. 2nd, was able to leave the hospital at New Liskeard. He was on the way to the station when he complained of illness and was at once taken back to the hospital, where he died within a few minutes. Death was due to heart trouble.

The late Paul A. Cobbold was about 60 years of age at the time of his death. He was a native of Durham,

in the County of Essex, England, and was educated in the Old Land. He was a graduate of Cambridge University, taking honours in mathematics and science. He taught at a couple of the higher schools of instruction in the Old Land, and in 1893 he came to Canada, taking up residence in Haileybury. Since that time Mr. Paul A. Cobbold has been a helpful and notable figure in the life of the County Town. He was a member of the first Haileybury School Board in 1894, the other members being Messrs. C. C. Farr and P. T. Lawlor. From 1898 to 1901 and from 1909 to the present he was again a valued member of the Haileybury Board of Education. He was Town Clerk of Haileybury in 1907, and has been Division Court Clerk since 1905. For a few years Mr. Cobbold was in business with Mr. C. C. Farr, the founder of Haileybury, and from 1898 to 1906 he conducted a business of his own. From 1904 to 1906 Mr. Cobbold was assistant postmaster at Haileybury. He has been Government Meteorologist since 1893. He was one of the directors of the Haileybury and Cobalt Telephone Company. The late Mr. Cobbold was also prominent in church and other circles. He was one of the first members of the Anglican church at Haileybury and often officiated as lay reader at the church.

The funeral of the late Paul A. Cobbold was held at Haileybury on Tuesday, Dec. 5th.

The death of this pioneer resident and public-spirited citizen is a serious loss not only to Haileybury but to the whole North Land.

WENT TO JAIL FAILING PAYMENT OF \$500 FINES

The special features at police court on Thursday last were the two important liquor cases. One of these was the charge against Mrs. B. Russell of breach of the O.T.A. It was at Mrs. Russell's house that the specially constructed liquor can was found concealed in a narrow partition. The police broke into the house and found several men sitting around and evidences of drinking. A search eventually located the cleverly-concealed liquor cache. Mrs. Russell accepted all responsibility for the presence of the liquor. At police court Thursday she pleaded guilty and was fined \$500.00 or three months at North Bay. Failing to raise the necessary half-thousand she was taken down to the Bay on Friday morning.

Wm. Rutehizinsky, or something similar, was found guilty of having liquor in other than his private residence. The police arrested William Wednesday evening and also took the liquor in charge. Magistrate Atkinson fined the said William, etc., the sum of \$500.00 and costs. The money not being forthcoming to pay the said fine and costs the said William and so forth started Friday morning for North Bay jail to serve a term of three months.

There were four common drunks each fined \$10.00 and costs. Another one, not so common, paid \$20.00 and costs. He had double the ordinary load. He had to be carried to the cells, but in the morning he swore quite surely that he had not been drunk at all. He was taken back to the cells on remand and appearing before the Magistrate again in the afternoon he had completely sobered up, and stated that he did not remember what had been going on. The case of improper conduct against Mrs. S. Duprey was dismissed.

HEARD IN THE BIG GREY BUS ONE DAY LAST WEEK

A daintily dressed young gentleman was holding forth in the big grey bus one day recently as to the horrors of this funny world—the North Land. "Snow, cold and wind!" he said, and his waxed moustache shivered. "I'm getting out of this terrible country," he continued and his porcelain teeth chattered. "Why don't you people come with me down south?" he asked the other occupants in the bus, "down where there is beautiful sunshine fifteen

hours in the day?" And an old-timer snorted: "Why don't you come to Timmins, where we have beautiful moonshine twenty-four hours in the day?"

THE indomitable folk of Northern Ontario deserve your practical sympathy. Remember, eighteen hundred families have been burned out—and must start all over again. These wonderfully rich farms, mines and aggressive young towns will rebuild and come back to their own—but it takes time. And in the meanwhile they must live, they must have temporary shelter and there's nobody to give it to them if we don't.

Make Christmas come back again

Picture a Christmas in a nearly bare shack in a burned out town in a Northern winter. Hundreds of children up there, remember. Make a money contribution now and show your northern fellow citizens that the Christmas spirit lives and has a real meaning in Ontario. All they ask is bare necessities—they deserve at least that much.

Now it is up to you—every public spirited citizen and charitable organization. Spare one dollar, five dollars, one hundred dollars or whatever you can. Spare something from your Christmas cheer. Make Christmas up there a little less than a grim tragedy. Remember, not comforts, but bare necessities in the grip of a northern winter, is all that they ask. Send today? Make cheques payable to—
