COBALT HOSPITAL PATIENT SUICIDES WHILE DOWNCAST

Last week a Finlander named A. Keirinta slashed his throat with a knife at the Cobalt Mines hospital, and bled to death in a short time as a result of the wounds so inflicted. Keirinta had been a patient at the hospital for some months past, suffering from heart trouble, and it is understood that disappointment at the slowness of his recovery prompted him to the rash deed.

FARMERS CAN BE HORRIBLY SARCASMIC, DON'T YOU KNOW!

The following is from the last issue of The New Liskeard Speaker:— "The Porcupine Advance urges that trains No. 46 and 47 should now be known at the 'Timmins Special' instead of the 'Cobalt Special.' Who but a newspaper-man would have thought of making such a demand? However, if the Northern News and the Mining News have no objection, The Speaker is quite willing that the change be made. But what has the Northland Post and the Broke Hunter to say. We ask the T. & N. O. Commission not to interfere, but to let the Temiskaming press settle this matter."

I.O.D.E. PROPOSE TEN COT HOSPITAL FOR HAILEYBURY

While in Toronto last week Mayor R. LeHeup of Haileybury was informed that the Daughters of the Empire have raised a fund sufficient to provide a ten-cot hospital for Haileybury. The Red Cross have signified their willingness to operate such an hospital for six months or longer, so both the hospital and its maintenance are thus provided for. The need for an hospital in Haileybury has been very evident recently, the fire having not only wiped out the big hospital that gave such good services to the whole district, but also the conditions following the fire were naturally such as made the need for an hospital very pressing.

MANAGER JACK MARSHALL IS GOING ON RIGHT LINES

Manager Jack Marshall is looking after the Timmins Rink in the right way, and the rules and regulations he has announced are the kind that will work to the general advantage of sport and all concerned. One or two may imagine that he is a little too "hard" but this is not the case. What he is after, and determined to keep after, is simply the best deal for all concerned. A square deal for the players, the officials and the public alike—that is his aim, and he should be given very generous co-operation in every way. In this connection the following paragraph from the sporting page of The Toronto Star should be of interest and helpfulness:—

"Claude Robinson, the Winnipeg amateur hockey enthusiast, who is in town to-day en route home from the annual meeting of the A.A.U. of Montreal, says that the manager of the Winnipeg amphitheatre, Wm. Butler, is making the fans up there toe the mark to a decimal. Mr. Robinson says that no smoking is permitted, even in the foyers, that any fan who shows signs of liquor is refused admittance, and that mean-mouthed rooters are given the air in short order. Mr. Butler has the right idea regarding fans who abuse players and officials. No player or official should be forced to take abuse from a fan, who, from the safe refuge of the crowd, makes remarks he dare not make out in the open and personally to the man he vilifies. The meanest rat in sport is the flat-head who makes verbal attacks from ambush. He is so yellow he would carry a sand bag to a church social. If Manager Taylor, of the Arena Gardens, would have his private police toss

about half a dozen local nuisances out, he would confer a favour on the thousands of real sportsmen who attend the games."

The first Senior N.O.H.A. of the season is Timmins versus Iroquois Falls at the Timmins Rink on Friday evening of this week, Dec. 22nd.

PLEASANT EVENINGS AT THE A.S.D. CLUB EACH WEEK

The regular weekly meeting of the A.S.D. Club was held in the club rooms in the I.O.O.F. Hall last Wednesday evening. The program for the evening took the form of cards and dancing. Among the several novel dances for the evening was the "Lucky Number" feature, Mr. Wolno generously donating the prize for this event.

The refreshments furnished by the young lady members of the Club were the usual high standard set at previous meetings.

Owing to the Christmas holiday, the next two weekly meetings will take the form of cards and dancing, but on Wednesday January 3rd, weather permitting a sleigh drive will be held. Any members wishing to take part in this event are requested to hand their names in to Mr. Frank Rogerson, the Treasurer, so that all arrangements can be made in time.

The meeting this evening will be the usual dance and those who are not adepts at the Terpsichorean art can spend a very pleasant evening at the card tables.
