## GEO. D. HAMILTON ELECTED REEVE OF WHITNEY TP.

Close Contest Thursday for Municipal Honours in Neighboring Township.

The deferred election contest in Whitney Township resulted in the following being elected for 1923:—

Reeve—Mr. Geo. D. Hamilton.  
Councillors—Messrs. Z. Hart, A. Mills, I. P. Wilson and J. W. Young.

In the contest for the Reeveship, Mr. Hamilton was re-elected by a majority of 6, receiving 28 votes as against 22 votes received by Capt. MacGregor.

The contest for Councillors was a close one. The four elected each received 24 votes. Messrs. Rotonda and Howey each received 22 votes and Messrs. Smith and Gervais, the other two candidates, each received 20 votes. Nominations in Whitney were held last year the Friday preceding Christmas Day as provided by law, and candidates for the several offices were duly nominated. None of the candidates so nominated qualified for office as required by a recent amendment to the Municipal Elections Act, and so a new nomination had to be held. At the second nomination meeting the same list of candidates was nominated as before and all duly qualifying the election took place last Thursday with the result already noted. While candidates for municipal office in towns and cities have for some years past been required to qualify within 24 hours of the nomination or their names were automatically dropped, this provision did not apply until recently to candidates for township municipalities, who qualified after being elected. A more recent amendment however, made the qualifying necessary in townships as in other municipalities. The change was not understood in Whitney Township until after the time limit had expired, and so the new nomination meeting was necessary this year.

### CALEDONIANS DELIGHTED WITH EXCELLENT PAPER

The papers given from time to time at the meetings of the Caledonian Society of Timmins have always proved of unusual interest and inspiration, and the one given Friday evening last by Mr. J. K. Moore even set a new high standard for excellence and interest. The title chosen by Mr. Moore

was "The Land O' Cakes," and round this title he gathered a remarkable array of facts and ideas of particular interest to Scots and Scotswomen. In opening he referred to the name, "Land O' Cakes," as a title for Scotland, pointing out that the cakes that made Auld Scotia famous were not of the fancy, highly-sugared variety, but the wholesome, sustaining sort that made for health and strength. Oatmeal, of course, was not forgotten, and its virtues as a food for men was fittingly commented upon. The title of the paper gave Mr. Moore a wide latitude and he took advantage of this to introduce a number of facts and thoughts that made particular appeal by reason of their originality and uncommon interest. There was fitting reference to the reserve of the typical Scot, his deep-seated affection and loyalty, as well as the more commonly ascribed virtues of thrift and canniess. Emphasis was given to the Scot's devotion to liberty and independence, and the passion he has shown in his own and other lands for education and improvement. One of the specially interesting facts cited by Mr. Moore was that the United States was indebted to a Scotsman,—Alexander Hamilton,—for the virtue of its model written constitution. Other striking facts and thoughts were woven into Mr. Moore's paper, the whole essay making a most interesting and inspiring paper. On motion, carried unanimously, Mr. Moore was given a hearty vote of thanks for his excellent paper, and the paper itself was ordered to be preserved in the archives of the Society. Mr. W. M. Whyte in a short but very interesting address commented on Mr. Moore's paper, expressing the general appreciation for its excellence. The gathering also thoroughly enjoyed the humorous stories so well told by Mr. Whyte. Mr. T. S. Clark added to the interest of the evening by a brief critical review of the paper,—a paper that he pointed out left little room for any criticism but commendation and appreciation. During the evening, pleasing piano solos were given by Mr. W. H. Wilson, and Mrs. Shewan capably presided at the piano for the dancing. The vocal solo by Mr. A. J. Downie was one of the specially pleasing features of the programme, while Mrs. H. McCulloch, as usual, delighted all with her rendition of an attractive solo. Refreshments were served as usual during the evening. The chief business transacted during the evening was the unanimous re-appointment of the Committee in charge of the recent Musical Festival to take in hand the arrangements for a similar event to be given, probably in March, by the Caledonian Choir, under the auspices of the Caledonian Society of Timmins. Arrangements were also gotten under way for the success of the annual Burns Banquet, to be held in the Masonic Hall on Thursday evening, Jan. 25th.

Night and day calls promptly attended to.

### HOLLINGER MARRIED MEN WIN AT BROOM BALL, 1 TO 0

Those who failed to attend the week end game of Broom Ball because they did not think there would be any excitement or amusement missed a whole lot. It was one of the fastest, cleanest, funniest, cleverest games witnessed on Timmins ice. The Timmins Married Men were out to play the Hollinger Married Men off their feet and this they succeeded in doing in a few individual cases, but after three strenuous periods the Timmins Married Men had to go home to their wives and lie about the game or admit that the Hollinger Married Men were the better men at Broom Ball by a score of 1 to 0. The scoring took place in the second period when after a brilliant piece of playing where rudy, lacrosse and hockey tactics were employed, the Hollinger Married succeeded in putting the ball past the Timmins goalie, and the Hollinger supporters went wild with joy. The game was handled in capable way by the Senior Hockey Defence Man, Fournier. There were quite a number of penalties, Jim Scully, Sid McCoy and Geo. Lake being the worst offenders, though there was some other wild woman stuff that also got by the eagle eye of the referee. It was a great old game, full of fun and much sport for players and spectators alike. There was a good crowd out to see the game and all were pleased. Messrs. Lowe and McCoy starred for the Hollinger, and Messrs. Brazeau and Carson for the town. As for the play, the members of the two teams showed superior skill in playing rover and inside home, but anyhow it was a good old game and the call is for more of it. It is likely another match will be staged in the next few days. The following is the line-up of the two teams:—  
Timmins Married Men—Messrs. A. G. Carson, Geo. Lake, W. G. Smith, W. R. Rinn, Geo. S. Drew, Jimmy Deacon, A. Brazeau, A. Garrett, E. J. Meyers.  
Hollinger Married Men—Messrs. G. S. Lowe, S. R. McCoy, J. Scully, C. G. Williams, W. H. Wylie, Jack Marshall.

The bumper the fiver—the louder the horn.
