FALLS JUNIORS WIN FOR FOURTH STRAIGHT GAMES

In Lively Match Here Last Thursday Locals Have Mean End of 3 to 1 Score.

Iroquois Falls Juniors were again the victors in the N.O.H.A. match on Timmins ice last Thursday, the final gong leaving the score recorded as 3 to 1 in favour of the Falls. The Timmins lads, however, made the visitors go some to win, and there were many who expressed the opinion after the game that the Timmins boys played the better game and with the breaks in their favour might well have won on the play of the evening. In the first period particularly it looked like Timmins' game. The local-boys started off with a rush and their back-checking was good. They also did some nice combination work. The Falls' goaler had a busy time and his skill and coolness in the nets was the greatest asset the Falls boys had. Seven minutes from the opening Gorman got in a nice one. Graham evened the score from a pass from Fahey a few minutes before the period closed. The second period found the Timmins lads putting up a nice game, all working hard, but with the breaks against them. In this period the scoring was done by the Falls, but they didn't have all the play by any means. Lowrey scored the goal that put the Falls ahead and Lowrey and Boucher in combination were responsible for the final score of the evening. The second period was lively hockey.

In the third period Timmins made valiant efforts to reduce the lead, but despite much hard work and good play were unsuccessful. Timmins Juniors in this game tried out a new goal-tender, Lorraine Downey, and found him O.K., doing especially good work for a first game. He put up a good exhibition of goal tending, making a number of difficult saves. Aspet, who has been the Timmins Juniors' goaler up to date this season, has moved to Iroquois Falls, and his place had to be filled accordingly. Gorman and Campbell on de-

fence for Timmins played good hockey and showed a skill and ability at the game that marks them as sure comers. Portelance, Briden and Cameron were fine forwards, doing effective work all evening. Desormeau and Johnson, the subs, also did their part O.K.

For the visitors, Cox in goal was a team in himself. He stopped them from all sides, corners and angles. Graham on defence played a star game his partner Connors being not quite so good, but pretty fair at that. Dewar, who subbed for Graham, also showed up well, his game being of altogether different type to his play in some previous games. He was not penalized once Thursday evening. Boucher starred for the Falls, playing a persistent and consistent game. Gauthier made a good impression as a promising player, his fine work in the third period being specially noteworthy. Lowrey and Fahey were also good and did their part in the scoring and near-scoring. The game was refereed by Mr. A. Kendall of Iroquois Falls, who at times was not apparently able to keep up with the game.

To tie the series the Timmins boys now have to win the next four games straight.

HOLLINGER LEADS MINES LEAGUE AT THE PRESENT

Great Interest being Taken in Matches In Local League.

In the Mines Hockey League series, Hollinger won from Timmins, 6 to 2, and McIntyre beat Dome 7 to 3, in the games last Saturday evening. The games were refereed by Messrs. Frank Carlin and Fournier respectively. There was a good crowd out and the games were good. The Hollinger team was: McIntyre, goal; Fraser and Wyllie, defence; MacDonald, Ross, and Kelly forwards; Jacobs, Jackson and Boyd, spares. Timmins—Hoggarth, goal; Lilly and Chamillard, defence; Garrett, Leblanc and McCoy, forwards; Lafleur, Nelson and Moore, spares. McIntyre—Byrnes, goal; Borden and Keeley, defence; Jones, Parker and Burke, forwards; Bean and Bergeron, spares. Dome—Mansfield goal; Croteau and Ashe, defence; McCormick, Purdy and Howe forwards; Travers, Brooks and Mason, spares.

Much interest is being shown in the Mines League and the games and play deserve even more interest from the public. The following is the standing of the teams:—Hollinger, won 2, lost 0; Timmins, won 1, lost 1; McIntyre, won 1 lost 1; Dome, lost 2.

Those who enjoy euchre and a pleasant social evening should keep in mind the Grand Euchre to be given by the Ladies of the R.C. Church, Schumacher, on Jan. 31st.

FOUR MORE JUNIOR N.O.H.A. GAMES TO BE PLAYED YET

In the Junior N.O.H.A. series the Falls has won four straight games, but there are still four more to be played, two at the Falls and two at Timmins. The next game is at the Falls on Thursday (tomorrow). On the following Thursday, Feb. 1st, the Falls plays here. Feb. 8th, Timmins plays at the Falls, and Feb. 15th, the Falls plays in Timmins in the Junior series. Timmins Juniors can tie up the series by winning the next four.

TORONTO MEN ACQUITTED IN KIRKLAND GOLD ORE CASES

The two Toronto men, R. Kleiser and Leslie Donnelly, under charges in connection with the alleged theft of gold precipitates from the Kirkland Lake Gold Mine, were acquitted at Toronto when the cases came to trial in that city before Judge Denton. The defense in the Kleiser case was chiefly that any remuneration he had received was understood by him to be in part payment of money previously owed him on a mining real. He also said that he believed his transactions with Dean to be perfectly legitimate, Dean representing that he, with others, owned a mining property at Kirkland Lake. The jury in the case was out an hour and half.

Leslie Donnelly, manufacturing jeweler, of Toronto, was also acquitted on two charges in connection with what is known as the Kirkland Lake high-grading case. He said he had understood that Dean and others were interested in a Kirkland Lake gold property and so he (Donnelly) had taken the precipitates in good faith. The gross receipts of ore received by him had amounted to \$1,649.44 which was duly entered in his books. He had retained \$2,424.29 as his commission. He explained his frequent personal week-end visits to Haileybury to secure the gold by saying that he was working very hard at the time and he took the trips for relaxation. Judge Denton acquitted Donnelly after hearing the case.

There are two more men to come before the court in this Kirkland Lake case. These two, Ed. Dean and R. C. Beswick, are to appear before Judge Hartman at New Liskeard on Jan. 29th.

From 9 to 10 there will be skating. A big evening of fine sport surely for the quarter dollar charged.

OPENING OF WOOLWORTH'S STORE DRAWS BIG CROWDS

The formal opening of the new Woolworth 5c, 10c, and 15c Store in Timmins drew unusually large crowds last Friday. No goods were sold on Friday, the store and stocks simply being open for public inspection. A feature of the opening was the music furnished by Brown's Orchestra. Saturday the store was regularly opened for business, and from morning to night the large staff of clerks were rushed to the limit handling the big crowds. "Have you been to Woolworth's?" was a regular sort of greeting among the readers of The Advance who read the announcement in last week's issue of this paper.

DEATH OF FORMER EMPLOYEE OF MATTAGAMI PULP CO.

Innumerable friends in the Camp will read with great regret of the death of Mr. James W. Callan, formerly with the Mattagami Pulp & Paper Company at Timmins. Two years ago Mr. Callan was superintendent of supplies and touting for the company and he made many friends here. The following reference to his death is made by a Lynn, Mass., newspaper of recent date:—

"James W. Callan, of Lynn, Mass., formerly a resident of Bangor, died suddenly Thursday night at the home of his brother, William O. Callan, also a former resident of this city. The deceased had only recently taken a position as travelling representative for the American Made Canned Fruit Co., of New York, with headquarters at Bronxton, N.Y., and his territory the western part of the state, but illness forced him to give up his work and return to his home in Lynn. His age was 44 years.

"The deceased was born in Winn, but the family moved to Salem, Mass., when he was a young man. He came to Maine about ten years ago and became connected with the Great Northern Paper Co., in its spruce wood department later taking a position with a lumber concern in Timmins, Ontario, after which he returned to Bangor and resided for a time before going to Lynn.

"He is survived by one sister, Miss Agnes Callan of Lynn and three brothers, John and W. O. of Lynn and Michael L. of Boston.
