### LADIES' NIGHT DELIGHTFUL EVENING AT CALEDONIANS

Friday evening last was "Ladies' Night" at the regular meeting of the Caledonian Society of Timmins, the programme for the occasion being in the very efficient charge of a committee of ladies, including Mrs. A. Roberts, Mrs. M. B. Scott, Mrs. D. Mackie, Mrs. J. K. Moore, Mrs. Patrick and Mrs. G. A. Macdonald. After two new members had been welcomed into the Society and the regular business of the evening transacted, the meeting was taken over by the ladies, Mrs. D. Mackie presiding in very efficient and pleasing way. Among the items of business before the meeting was the report of the Committee relative to the Burns Banquet. The report showed that the event had been successful financially as well as in other ways, a balance of some five dollars remaining to the good after all expenses were paid. The programme for the evening was a remarkably good one, even for Caledonian Society events. The big crowd present enjoyed every minute of the evening. It was agreed to be "one of the very best yet." The programme included dances, musical and literary selections, games, refreshments, etc., each item having a special touch of originality and attractiveness. The dancing included waltzes, the Grand Old Duke of York, Circassian Circle, The Dusty Old Miller, the latter making a special hit. In the games, quoits and forfeits were particularly popular and much enjoyed. Mr. Forrester won the grand prize for quoits, with Mr. Siewan in second

### VICTORIAN ORDER NURSE FOR TOWN OF TIMMINS

Illustrated Address on Sunday Evening. Organization Meeting Monday Afternoon.

Miss Boswell, Victorian Order Nurse, who has been in town for some days past, gave an address on the work in the New Empire Theatre on Sunday evening after the church services. The address was illustrated by a number of very interesting lantern slides. Dr. McInnis, Mayor, occupied the chair in his usual happy manner. While the attendance was not unusually large, all found Miss Boswell's address interesting and informative. Miss Boswell after showing the amount of good work accomplished in other towns and cities, emphasized the fact that the V.O.N. work supplements the work of the regular nurses of a community and does not overlap. It provides skilled nursing for those who cannot afford professional nurses in the ordinary way. It also features advice and assistance to mothers and expectant mothers. Its usefulness in these lines has been very great elsewhere. What may be termed "community work" is also featured, the Nurses co-operating in every way with the Health authorities, the doctors, nurses, etc., for the public health and benefit. The nurses do not give their services free, except in indigent cases, the homes being expected to pay what they can for the services rendered. The nurses were supported by the fees, municipal grants and voluntary subscriptions.

### TIMMINS LADIES HOCKEY TEAM AT FALLS SATURDAY

The real big hockey game of the season remains to be played, as The Broke Hustler suggests, when Timmins and Iroquois Falls Ladies' teams meet in mortal combat at the Falls on Saturday, March 2nd. Timmins ladies have won one and lost one and have two games to play. The Falls has won two and lost one and one to play. If Timmins wins this game, as they likely will, it will tie up the league, with Timmins having Cochrane to beat to win.

Mr. L. Stadelman, of Cobalt, is spending a few days in town.

### SIXTH ANNIVERSARY OF PRESBYTERIAN CHURCH

The sixth anniversary of the Timmins Presbyterian Church will be observed by special services on Sunday, March 4th. These services will be known as "Old-timers' Services," and will be in appreciation of the pioneers who opened up the North Land. The Old-timers who made this country seem to be dropping off one by one by death or removal from the district. It is desired to show the fine old pioneers honour and recognition of their character and life. Sunday morning at 11 a.m., the title of the address of the pastor, Rev. J. D. Parks, will be, "A View of the Past and a Glimpse of the Future." In the evening, at 7 o'clock, his subject will be, "The Spirit of the Pioneer in Life and Religion." There will be special music for the occasion. All will be welcome to these anniversary services, with a special invitation to all old-timers.
