

A.S.D. CLUB HAD PLEASANT GATHERING LAST WEEK

The usual weekly meeting and dance of the A.S.D. Club was held last Wednesday evening in the I.O.O.F. Hall here. The attendance was good, and an enjoyable time was spent by all. The meeting this evening will be a Ladies' Night, the programme and all arrangements being in the hands of the young lady members of the Club, and thus a good time is assured to all.

RINK CLOSES SATURDAY NIGHT FOR THIS SEASON

Timmins Rink will close for the season on Saturday evening of this week. The season has been a successful and pleasing one from the public viewpoint, and the public generally will miss this fine amusement feature, while, of course, welcoming summer and the sports of that coming season. The ice at the rink is in fine condition and there will be good skating for the balance of the week. The last Band Night of the season will be Friday evening. There will be no afternoon skating, except for the children on Saturday afternoon.

Under the efficient management of Mr. Jack Marshall, the Rink this year has won an increased popularity with the public, and the ending of the Rink season will leave a place to be filled in the amusement line. Accordingly, baseball, football, golf, tennis and the other summer sports will be looked forward to with interest and anticipation at this particular time.

ALL-CANADIAN FEATURE PICTURE AT NEW EMPIRE

On Friday and Saturday the special at the New Empire Theatre was a picture adapted from scenes in Ralph Connor's famous novel, "The Man From Glengarry." This is one of the best pictures shown at the local theatre recently, and it possessed additional attraction to Canadians because it was a Canadian feature from a plot written by a Canadian author, the production being by Canadians and the company presenting it being a Canadian company that was starring Canadian actors and actresses.

LIGHT DOCKET AT POLICE COURT ON THURSDAY LAST

As a sort of variation from many of the recent weeks, there was only a light docket at the Timmins Police Court on Thursday last week. For a change, Magistrate Atkinson had a comparatively easy time. There was only a single drunk charge, the assessment for same being \$20.00 and costs. Also, there was only one B.O.T.A. general charge. Arthur Liberty was charged with illegally having liquor for sale. He was fined \$200.00 and costs. Provincial Officer Gardiner had a case from down Connaught way, the trouble being a dispute over the support of a woman. This case was remanded for a week.

He profits most who serves best. Good ideas are only seeds. They must be planted and tilled before they can produce.

SCHUMACHER FIREMEN'S ANNUAL BALL, APRIL 11

All attending may be sure of a pleasant evening. Remember the event and the date,—the Schumacher Firemen's Annual Ball, Wednesday, April 11th.

At 11 a.m., the pastor, the Rev. J. D. Parks, will speak on the subject, "An Easter Message.—Hope." There will be special music. Communion at close of service.

At 7 p.m., Rev. Mr. Parks' subject will be, "Millions Now Dying Have Never Lived." The special music at this service will include the anthems, "Spirit Immortal," and "The Radiant Morn," and the duet, "Love Divine."

"BEAUTIES OF THE NORTH" PICTURED IN ST. JOHN, N.B.

Through the kindness of Mr. C. P. Grill, formerly of Timmins, The Advance has received a copy of a recent issue of The Daily Telegraph of St. John, New Brunswick, the paper carrying interesting photographs in connection with the Porcupine Dog Race and Carnival. Under the heading of "The Beauties of the North," The Daily Telegraph says:—"There were other interesting features of the Timmins Winter Carnival as well as the classic dog derby. The pictures show, left to right, Miss Margaret Boyle, of South Porcupine, Queen of the Carnival, her four ladies-in-waiting. Below, three of the snow shoe beauties, Margaret Morrison, Frances Jackson and Janet Purvis." The pictures are clear and well-printed. The photos are by Billie Browne, the official photographer of the event.

It is interesting to note that the event is receiving attention and interest as far away as St. John, N.B.

Vancouver. — in the U. S. R. Hotel Vancouver at Vancouver, there are approximately 600 rooms. The all-the-year-round staff numbers about 400 employees. The comparatively small matter of keeping paintwork, etc., in spotless condition calls for the continuous service of five painters and ten helpers; and five engineers with four stokers, four ash-men, two soveillers and two truckmen are required in the engine-room. Then there are basement cleaners, store-room men, four kitchen cleaners, two painters (for menus), a yardman, an iceman, five food checkers, and three men on food control. The duty of these last is to see that every ounce of food leaving the storerooms is tabulated, so that at the end of each day the results of lining-room operations can be checked instantly. The kitchen is the largest unit of the hotel. There is a chef with 48 assistant cooks, to serve the dining-room and grill. There are three separate cooks for the lunch counter. Two of the cooks attend to the broiling, three do nothing but frying three cook vegetables exclusively, and there are six pastry cooks. In addition, there are cooks who boil eggs, others who make tea, and others who make coffee. On man spends his working hours making toast; and there is another whose sole duty is to clean and open oysters. To feed the guests in one day 90 dozen eggs are required. Between 3,000 to 5,000 lunch and dinner rolls are baked daily, and to butter these, and for cooking, 100 lb. of creamery butter are used each day. Carrots are consumed at the rate of 100 lb. a day, and between 800 and 1,000 lb. of potatoes are used every twenty-four hours. Other vegetables are used in quantities of from 50 to 500 lb. according to the number of guests in the hotel. It takes from 18 to 20 gallons of cream, 50 gallons of milk, and 175 to 200 lb. of poultry daily to satisfy the demands of the guests. Winter and summer the hotel ice plant turns out ten tons of ice daily. Even buying at the lowest wholesale prices, food alone costs the hotel from \$1,500 to \$2,000 daily.
