BY-LAW No. 9.

A By-law of the Board of Trustees of the Roman Catholic Separate Schools for the Town of Timmins, to raise by way of loan the sum of \$75,000.00 for the purposes therein mentioned.

Whereas the Board of Trustees of the Roman Catholic Separate Schools for the Town of Timmins require to borrow the sum of \$75,000.00 to provide funds for the purpose of acquiring a school site in the said Town of Timmins and erecting a school building thereon, and for such purpose to issue debentures therefor bearing interest at the rate of five and a half per cent per annum, which is the amount of the debt intended to be created by this by-law;

And whereas it is expedient to make the principal of the said debt repayable in yearly sums, during the period of twenty years, of such amounts respectively that the aggregate amount payable for principal and interest in any year shall be equal as nearly as may be to the amount so payable for principal and interest in each of the other years;

And whereas it will be necessary to raise annually the sum of \$6,275.97 during the period of twenty years to pay for said yearly sums of principal and interest as they become due;

And whereas the amount of the whole rateable property rateable for Separate School purposes in the said Town of Timmins, according to the last revised assessment roll, is \$1,055,180.00.

And whereas the amount of the existing debenture debt of the Board of Trustees of the Roman Catholic Separate Schools for the Town of Timmins is \$66,000.00 and no part of the principal or interest is in arrear.

Now therefore the Board of Trustees of the Roman Catholic Separate Schools for the Town of Timmins enacts as follows:—

1. That for the purpose aforesaid there shall be borrowed the sum of \$75,000.00 and debentures shall be issued therefor in sums of not less than \$100.00 each, bearing interest at the rate of five and a half per cent. per annum, and having coupons attached thereto for the payment of interest.

2. The debentures shall all bear the same date and shall be issued with in one year after the date on which this by-law is passed and may bear any date within such year, and shall be payable in twenty annual instalments during the twenty years next after the time when the same are issued and the respective amounts of principal and interest payable in each of said years shall be as set forth in Schedule "A" hereto which is hereby declared to be and form part of this By-law.

3. The debentures as to both principal and interest may be expressed in Canadian currency and may be payable at any place or places in Canada or Great Britain.

4. The Chairman of the said Board shall sign and issue the debentures and interest coupons, and the same shall also be signed by the Secretary-Treasurer of the said Board, and the debentures shall be sealed with the Corporate Seal of the said Board.

5. During twenty years, the currency of the debentures, the sum of \$6,275.97 shall be raised annually, for the payment of the debt and interest and said sum of \$6,275.97 shall be annually included in the yearly Separate School rate to be levied and collected by the said Board for the said twenty years, the currency of the said debentures, and the said sum of \$6,275.97 shall be levied and collected annually by a special rate sufficient therefor over and above all other rates in the same manner and form and from the

like persons and property by, from, upon or out of which other Separate School rates are levied, raised and collected, for the said period of twenty years.

6. The said sum of \$75,000.00 so borrowed and interest thereon and the said debentures shall be and the same are hereby made a charge upon the Schoolhouse property and premises and on the real and personal property vested in the said Board of Trustees of the Roman Catholic Separate Schools for the Town of Timmins, hereafter imposed until the said debentures and each and every of them, together with all interest thereon, shall have been fully paid and satisfied.

7. The said Debentures may contain any clause providing for the registration thereof authorized by any Statute relating to Municipal debentures in force at the time of the issue thereof.

Finally passed this 19th day of March, 1923.

J. E. NEWTON,
 Chairman.
 J. A. WALSH,
 Secretary-Treasurer.

WEDNESDAY Bulletin

WHY ENTER BUSINESS COLLEGE AT EASTER TERM?

Let us give you a few reasons why we advise your enrolling in the Business College now.

First:—We have been at Business College work for years and know the business thoroughly; we know from the accomplishments of others just what you can accomplish.

Second:—We guarantee positions to our Students upon graduation and we are getting more calls for Bookkeepers and Stenographers than we can supply. When we have positions awaiting you, it is only natural that we should want you to train and prepare for them.

Third:—(A real big reason). During the past ten days we supplied the following offices with employees:—Consolidated Gold Mines, Office; Simms, Hooker & Drew, Insurance Agents; Canadian Gold Mines Office and The Arthur E. Moyses, Broker & Stock Office. Now, up to the establishment of this College, bookkeepers, stenographers and all Office help were brought to Timmins from other Towns and Cities, but at the present time you will notice that vacancies on Office staffs are being filled by young men and women of your own Town.

Fourth:—If you must earn your own living and at the same time be well educated, is there any other Institution can do more for you than a good Business College? Ask our Graduates, they will tell you.

Fifth:—As to the cost of Courses, did you ever stop to think, that a mere few months' work after graduation repays you for all expenses in connection with your course and you then have a business training which renders you independent for life.

We need give you no further reasons. Parents, we hope we have put clearly before you, what can be done for your sons and daughters with a few months' training in the Timmins Business College, our graduates of the present day prove everything. It is not necessary to await the Summer Term to enroll, if you can afford it, enroll now. We have no summer vacations. Students enrolling the first day of our Spring Term, April 4th, can be prepared for the fall positions. Call and see the Supervising Principal E. M. Terry, or write Timmins Business College, Timmins, Ont.

OFFICIAL VISIT OF D.D.G.M. TO GOLDEN BEAVER LODGE

R. W. Bro. Frank K. Ebbitt, of Iroquois Falls, will pay an official visit to Golden Beaver Lodge, A.F. & A.M., Timmins, on Wednesday next, April 11th. Brethren in the town and district will no doubt make a special note of the date and greet the official visit with a particularly large attendance.

SCHUMACHER FIREMEN'S ANNUAL BALL, APRIL 11th.

The Schumacher Firemen's Annual Ball will be held this year on April 11th Wednesday evening of next week in the McIntyre Recreation Hall. Dancing at 9 p.m. Refreshments served at 11.30. McIntyre Orchestra will furnish the best of good music. The Schumacher Firemen's Ball is an event that no lovers of good dancing and a pleasant social time should miss.

Balance carried forward, \$411.55.
 Dr. J. A. McInnis, Chairman.
 G. S. Drew, Secy.

FUNERAL OF THE LATE MRS. D. McINNIS LAST WEEK

The funeral of the late Mrs. D. McInnis took place on Wednesday afternoon last, interment being made at the Timmins cemetery. The large attendance at the funeral, despite the inclement weather, and the profusion of floral tributes, testified to the high regard in which the deceased was held by all, and the sincere sympathy felt for the bereaved husband and the other near relatives and friends in their deep loss. Services were conducted at the Baptist church by Rev. M. R. Hall. The Rebekah Lodge, of which the late Mrs. McInnis was one of the valued members, also conducted their services at the church, these being in charge of Sisters Keane, Shepard and other officers. The pallbearers were six members of the Timmins I.O.O.F. Lodge, Messrs. A. G. Carson, M. Moore, P. Thompson, N. Leaman, W. McIlquhan and A. Skelly. There were many beautiful wreaths and other floral tributes, including wreaths from the Rebekahs, I.O.O.F. and Orientals.

The late Mrs. D. McInnis was formerly Miss Ida Landers, and was born near Siseenboro, Quebec. The family moved to Cobalt in the early days of the Camp, coming to Timmins in 1911, where the deceased resided up to the time of her death. She was married in November, 1919, to Mr. Dan McInnis. In addition to the bereaved husband, and her mother, six brothers and three sisters are among the near relatives surviving. The sisters are Mrs. Harry Wilson, of Sou' Porcupine, Mrs. Boone of Englehart, and Mrs. McKinnon of Cobalt.

GOVERNMENT SHOULD ACT

(Continued from page 1)

ger was ready and anxious to go on and double its output, rather than reduce it by an ounce. Because of the power situation men have had to be laid off part time at the Hollinger. It is true that the Hollinger has made a serious effort to keep its staff intact and to avoid injuring the community by passing on to the employees the full power of the power shortage blow. But this has simply meant that the Hollinger has pocketed a loss in the matter for the general good. What is true of the Hollinger is true in proportion of the other producing mines of the district. All are suffering from the handicap of the power shortage. In addition there are newer mines held back from progress because of inability to secure power. In a word, the country is held up because there is a shortage of power. The progress of the Porcupine awaits the action of the rain god. Even the relief that comes in the spring has no assurance

of permanency. There was the power shortage last year and the year before. It does not seem to get any better. Hope is raised from year to year only to perish before the hard facts of another shortage. There were repeated and reiterated assurances that the Sturgeon Falls plans would solve the difficulty and would be ready this year—first, in January, then in February absolutely and positively. And when, now? He will be a bold man who will give absolute assurance as to when the new power plant at Sturgeon will be in active use. Even with the Sturgeon Falls addition, there is reason for believing that the power supply will be inadequate for the early needs of this growing camp.

The feature of the Porcupine appears bright indeed. The only retarding force at present seems to be inability to secure assurance of adequate power. The Hollinger came forward with a proposal that seemed to promise relief from the oft-recurring power problem. The Hollinger volunteered to finance and build a power plant of its own and supply its own growing needs. This would leave the

present power supply and the additions being made to that supply for the use of the other mines of the area. Just how long the power supply thus available would be sufficient for the needs may be a matter of opinion. It appears, however, that for some time at least there would be a full supply ready for the mines of the district, though there are also evidences to indicate that with the power shortage removed the development of the mining industry would prove phenomenal. Surely no one questions the fact of the power shortage or the serious handicap it has proven to the gold mining industry. Yet the solution offered by the Hollinger has met with delay after delay. Much of the delay has undoubtedly been due to propaganda from various sources. The Government cannot afford longer delay in the matter, but should take its courage in its hands and with the facts before it make such a decision as will give the North Land a fair opportunity to develop and progress. To-day the North's chief industry is tide down. Will the Government loosen the bonds? And do it now?
