TIMMINS MALE CHORUS
MAKING GOOD PROGRESS

Promises to be Noteworthy Musical Feature. Over 60 Members. Regular Practices Held. Concert Planned for May or June.

Very pleasing progress is being made by the Timmins Male Chorus, and from recent indications this organization bids fair to become an important factor in the musical life of the community. The Male Chorus now has a membership of over 60. Regular practices are held each week, the average attendance at practices being between twenty and thirty. Under the capable direction of Mr. Johnston of the Theatre Orchestra, who is a musician of talent and wide experience, great progress is being made. A concert is now being planned for the end of May or the beginning of June, and this musical event will be looked for-

ward to with the greatest interest by all lovers of good music. It will undoubtedly be a musical event of special importance.

The Timmins Male Chorus was organized in February of this year with the purpose of fostering musical talent in this Camp. It was designed to provide a training field for male singers and to develop the male voices of the town and district and add to the musical pleasures and advantages of the Camp. The following officers were elected for the organization, and the name "The Timmins Male Chorus," selected:—

President—W. Dodge.
Honorary Vice-Presidents—Dr. J. A. McInnis, Dr. H. H. Moore, C. G. Williams, A. F. Brigham, Rev. Fr. Theriault, P. Bardessono, G. A. Macdonald.

Secretary-Treasurer—J. E. Garrett.
Business Manager—W. B. Burrill.
Librarian—A. J. Snow.
Executive Committee—T. F. King, chairman; W. Ramsay, E. R. Street, J. T. Heffernan, A. J. Downie, J. K. Moore, John Skelly.

For some weeks past the Timmins Male Chorus has been holding regular practices with marked success. Practices are held every Thursday from 6.30 to 8 p.m. in King's Hall, and every Sunday afternoon at 3 p.m. in the Public School. The Timmins Male Chorus is still open for additional voices, baritone in particular.

J. P. T. CARON APPOINTED
JUDGE COCHRANE DISTRICT

Announcement was made last week of the appointment of Jean Baptiste Thomas Caron, of Ottawa, to be Judge of the District Court in the new Provincial Judicial District of Cochrane and local judge of the High Court Division of the Supreme Court of Ontario. An appointment to this position has been expected for many months, and recently those interested in the matter in the district have been urging that the new judicial district might thus be placed in position to carry on. Several legal men in the District of Temiskaming have been mentioned in past months as possible or desirable appointees, the names of Cochrane and Haileybury barristers being among those mentioned. The announcement of the appointment of Mr. Caron puts an end to the discussion. Judge Caron for some years past has been a lawyer in high standing in the east and may be expected to bring both ability and wide experience to his new position. The District of Cochrane is the new Judicial District created to better provide for the legal needs of the northern part of the former District of Temiskaming. With the rapid growth and development of this northern part of Temiskaming, it has been felt for some years that there has been distinct hardship entailed by the fact that all in this area had to travel long distances for court business. Haileybury being the only judicial seat available. With the creation of the Judicial District of Cochrane to look after this northern section, and with the appointment of a Judge for this district to make its work effective the people of the northern section of Temiskaming will now find the use of the courts much more convenient and economical than under the former plan where one court had to serve for an unwieldy area of country. Timmins, of course, will be in the new Cochrane District, and people from here now finding it necessary to deal with the courts will be required only to go as far as Cochrane, instead of to Haileybury as in past times.

LIFE WAS MISERY!

"I was reading the other day about Neurasthenia, about the large number of people who were troubled with this disease. It is just what my wife had. She felt miserable all the time and was constantly depressed. She would waken in the morning and tell me that something dreadful was going to happen that day. Life was nothing short of misery for her. She was so depressed that I expected she would lose her mind and have to go to a sanitarium and I kept wondering how I would get the money to pay for her. She could not eat and had no appetite for food. She was irritable and cranky most of the time. If she was crossed in any way, she would immediately work herself up into a violent temper. This worried me because she had always had a kind and gentle disposition and nothing which was said or done seemed to irritate her. I spoke to our family doctor about her and he said that her trouble was imagination and that if she would try and forget about her depression and look on the bright side of life she would be all right. Of course I didn't dare tell her this because I knew she would get into one of her tempers. When she got over these fits of temper, she was always weak and ill and more depressed than ever. The doctor said a tonic might help her and gave me a prescription but this did not do her any good. She tried all kinds of other tonics with the same result. Carnol was recommended to me and I wish to state that it is the leader of all tonics. Since taking it my wife has changed completely. Now she is always ready for her meals and work is no burden. It is a pleasure for me to recommend Carnol to anyone who is in need of a tonic or a body builder. Excuse me for writing this letter but I want you to accept my thanks for that wonderful tonic known as Carnol." — Mr. J. M., Toronto.

Carnol is sold by your druggist, and if you can conscientiously say after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. 7-622

"DOUGLAS FAIRBANKS IN
ROBIN HOOD," NEXT WEEK

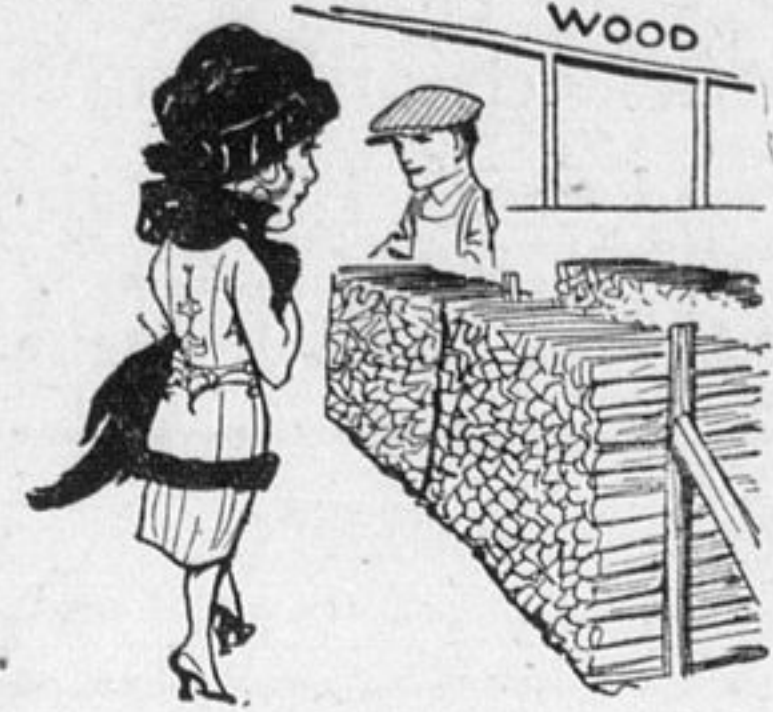

The motion picture, "Douglas Fairbanks in Robin Hood," that has made such a hit in the big cities and towns in the south is to be shown at the New Empire Theatre on Friday and Saturday of next week, April 13th and 14th. This is one of the spectacular productions released by the United Artists Corporation, and made under the direction of Allan Dwan. It is the type of play that has made Douglas Fairbanks famous, combining the highly spectacular with the romantic and athletic in a peculiar combination. No expense has been spared in staging the event and the cast is a particularly strong one. The play gives a very realistic picture of life, high and lowly, in the twelfth century. There are palaces and hovels and simple homes. Some of the scenes are laid in a Norman Castle, with deep moat, drawbridge, and everything. The reproduction has been carried to such a point of realism that there is not only water in the moat, but also lilies and honest-to-goodness bullfrogs all alive and swimming. Soldiers, knights, peasants, friars, etc., all have their part in the play. The story of the play is a combination of history, fable, romance and imagination, with a touch of Douglas Fairbanks in addition. In the play the Earl of Huntingdon returns from the Crusades to find Prince John has burned his castle, stole his sweetheart and attempted to depose the king. The Earl takes the name of Robin Hood and gathers about him a band of loyal and staunch supporters as a robber band. They rob the rich to help the poor. Douglas Fairbanks is in his glory and the audience also has a good time, thank you. After perilous Fairbanks adventures, the play goes thrillingly through many exciting scenes to a final happy ending. None who like romance or spectacular plays or good acting or interesting pictures should miss "Douglas Fairbanks in Robin Hood," at the New Empire here on April 13th and 14th.

Officer (to sailor who has rescued him from drowning)—"Thank you, Smith. To-morrow I will thank you before all the crew at divisions."
Sailor—"Ow, don't do that sir. They'd 'arf kill me!"—McClary Wire less.
