Timmins and District Notes

Miss Mary King, of Latchford, was a visitor to Timmins last week.

Mr. J. Perrault, of New Liskeard, spent the week-end in town.

Mr. Roger Manley, of London, Ont., was a visitor to the Camp this week.

Mr. C. A. Byam was re-elected one of the Councillors of the Ontario Library Association at the annual meeting of that Association recently.

(Mrs. Gagnon and daughter, of Pembroke, were the guests recently of the former's sister, Mrs. W. F. Richardson.)

The next regular meeting of the Timmins Town Council is scheduled for Monday afternoon, April 23rd, at 4 p.m., in the Council Chamber.

Magistrate Atkinson had a busy day last Thursday all right. Between Timmins and South Porcupine courts he had no less than sixty-four cases to deal with during the day.

A Church Tea and Sale of Home Cooking, under the auspices of the W.A. of St. Matthew's church, will be held at the home of Mrs. H. Webb (over Hollinger Stores) on Saturday, April 14th, from 3 to 6 p.m.

The Fire Brigade made another of their speedy responses Monday evening about 9.30. The call was due to a chimney blaze at the Timmins Garage. No damage was done and the use of the water was not necessary.

His hosts of friends in the town and district are pleased to see Mr. W. G. Smith "back on the job" after being confined to the house for some weeks through trouble with his eyes. His eyes are much improved and going along to complete recovery.

The next regular meeting of the Caledonian Society of Timmins will be held in the I.O.O.F. Hall Friday evening of this week. It is to be a Reception to the members of the Caledonian Choir and others assisting in the recent Musical Festival. A very pleasing and attractive programme has been prepared, including vocal and instrumental music, dances, games, etc.

The charge of having muskrat skins out of season, preferred against Miss Edith Atkinson, of Kirkland Lake, was decided by the imposition of a fine of \$200 and costs, the accused pleading guilty to the charge. Some 291 skins were found in the room occupied by the young lady who did not realize how far she was going counter to the law.

It's a great world, this North Land, if you don't weaken! Mrs. Kalannek charged with a breach of the O.T.A. at Cobalt, said she had come on a visit to her daughter bringing along as a present a bottle of whiskey lawfully bought in Quebec City. The police got the liquor and she was fined \$200.00 and costs or three months in jail. She said she would go to jail, but she couldn't understand the laws of this country, where a thing was all right in one province and very bad in an adjoining province.

Miss Marguerite Gagne was given a surprise party last week at her home here by a number of her friends, the occasion being her seventeenth birthday. This popular young lady was showered with good wishes, and as a tangible evidence of the regard for her was presented with a beautiful parlour lamp and ivory set, the presentation being made by Mrs. H. Charlebois in a few brief but appropriate words. The many friends present spent a most enjoyable time, a dainty lunch being served, and music, dancing, readings and other pleasures being enjoyed.

Mr. A. Holland, father of Major Eddie Holland, a well-known old-timer of the North Land, died recently at his home in Ottawa.

R. W. Bro. F. K. Ebbitt, D.D.G.M., pays his official visit to Golden Beaver Lodge, A.F. & A.M., this (Wednesday) evening.

All will regret to know of the illness of Mrs. M. Greer and will wish her a speedy recovery to complete health again.

Sincere sympathy will be extended here to Mr. and Mrs. James Durack, formerly of Timmins, in the death last week at Cochrane of their young son, James Lawrence Durack.

After sixteen years' service to North Bay, Chief of Police Wm. Raynor has tendered his resignation, and has taken up his duties as constable in the employ of the T. & N. O. Railway.

Meeting of the Porcupine Baseball Club, Thursday evening this week, April 12th, at 7.30, in the Council Chamber, Timmins, for the election of officers, etc., for the 1923 season. All baseball fans be present.

Mr. J. N. Levine returned last week from Milwaukee where he spent the winter and where he won a big name for himself in senior hockey. All are glad to welcome Rosie back to the North, the season's baseball being incomplete without this loyal baseball score-keeper.

Rev. Geo. McVitty, of South Porcupine, conducted both morning and evening services at the Timmins Baptist church on Sunday. Rev. Mr. McVitty pleased the large congregations present with his inspiring evangelical addresses. At the evening service there was special music, a feature being a particularly well-rendered tenor solo by one of the church singers.

All will regret that Mr. C. S. Carter, Principal of the Public School, is on the sick list, and all will wish him an early and complete return to health and strength again. While at his duties at the school Monday, Mr. Carter had an attack of heart trouble that required medical attention and that will keep him to the house for a few days.

Haileybury's Board of Trade has been re-organized for the year, Mr. J. E. McCuaig being re-elected president and Mr. W. J. McLean re-elected secretary-treasurer. A Council of eight was appointed to work with the officers in promoting the interests of the town. Regular monthly meetings were decided upon, the Haileybury Board of Trade to meet the second Thursday in each month.

There will be general regret at the departure from town of Mr. L. G. Alexander, who has been one of the registered druggists at the Meyers Drug Store for some time past and who was on previous occasion resident here in the same capacity. Mr. Alexander was popular here in many circles and very highly esteemed by all as a young man of ability and high character. He left last week to reside in Toronto.

Five Cobalt citizens were fined \$10 and costs each recently for allowing "punch boards" in their establishments. Magistrate Atkinson found the punch boards were contrary to law and said the Department wanted them put down. If the Department hopes to stop the gambling spirit by suppressing the punch board, it is to laugh. If there were no gambling spirit, there would be no country here. It will be noted that if development of a country had to wait on the pioneering of men like Raney, for instance, it would wait until the world goes dry.

EYE GLASS COMFORT

Glasses properly fitted should rest comfortably on the bridge of the nose, close to the eyes. Sometimes you see a man with glasses on the end of his nose. There is a reason for this. In such cases we can supply glasses that will be close to the eyes and efficient for wear and for seeing. "Ducking" and "peering" over the rims of glasses make many men of forty look fifty. Wearing the right glasses—our invisible double vision glasses—makes men of fifty look forty and gives them the keen sight of young men.

If suffering from eye troubles, see us.
