

"HAD A NARROW ESCAPE"

"I never realized until a few months ago how risky it is to neglect a cold in the chest. I have always had such good health, that a cold either in the head or chest, while unpleasant, never gave me any worry. Outside an occasional cold, I had never known what it was to be laid up even for a day in all my life, until last December. One afternoon I got a chill and no matter how close I got to the stove, I couldn't seem to get warm. This chill was followed by a cold in my chest. As usual I neglected it and it kept getting worse and worse. Finally I had to go to bed and send for the doctor. His examination showed that I had pneumonia and a bad case at that. By careful nursing on the part of my husband, my children and some friends, I managed to pull through, but the doctor told me I had a narrow shave. And here's where my troubles began. While I was now out of danger, I was anything but well. I was still very weak from the effects of the pneumonia. Although I had lots of life and energy before my sickness, I was now worn out and tired all the time. I slept fairly well, more because I was exhausted. But my sleep didn't refresh me because, while I appeared to be asleep, I was conscious most of the time of what went on around me. Although all kinds of tempting dishes were prepared for me, I had no relish for food. This sickness had already undermined my health to such an extent that I was a living skeleton. I was getting discouraged as nothing I took seemed to do me any good. 'I wonder if Carnol wouldn't build you up,' a friend said one day, 'it did me a world of good, I was completely run down and you can see for yourself how well I look today. Why don't you try it?' Thanks to this friend's advice I am in perfect health again, as healthy and as full of life and vitality as I have ever been." Carnol is sold by your druggist, and if you can conscientiously say, after you have tried it, that it hasn't done you any good, return the empty bottle to him and he will refund your money. 9-622

WEDNESDAY Bulletin

Mr. Randall Vansyckle, an ex-graduate of the Timmins Business College, is again at College preparing to try the Civil Service Examinations prescribed by the Ottawa Parliament Buildings, Ottawa, Ont.

Miss A. Gerovich, of Schumacher, Ont., was this week promoted to the Intermediate Classes of the Stenographic Dept., of this Golden School.

The many friends of Miss Blanche Boivin, a graduate of the College, will be pleased to know that she had completely recovered from her recent illness and has accepted a position as Stenographer in the new office of the Timmins Investment & Realty Co.

We have this week had two calls for office employees, one for Male Bookkeeper and the other requiring a Stenographer. We would certainly advise that those contemplating enrolling in the College would do so immediately in order that we may continue to fill the demand for office employees.

The School guarantees positions to its graduates.

HOCKEY MATCHES HERE ON GOOD ICE, APRIL 12-15

Unusual Weather Conditions Make Variation in Sport This Glad-some "Spring."

This part of the North Land made a hockey record some months ago by Timmins starting a game at Iroquois Falls after two o'clock in the morning, playing full time to a tie and then starting out at 3.45 to play off the tie.

During the last few days Timmins has made another hockey record. Hockey matches were held here on April 12th and April 16th on good ice in the rink,—something unprecedented even for this North Land.

The game on Thursday last was an exhibition match for the benefit of Mr. Ran Montgomery, the Liskeard hockey player who had the misfortune to have an eye injured in an exhibition game at Timmins last year. The game was between the Hollinger team winners of the Mines League Championship, and the Timmins Senior N.O.H.A. team, with variations. The ice was in good shape, and the game was a lively one. The N.O.H.A. team had little difficulty in winning, the score being 11 to 6. Geo. Lake refereed, and there were many penalties won on merit. Indeed, at one time White and Levine and the goal-tender were the only ones on the ice for the N.O.H.A. lads. There was a fair crowd in attendance, the benefit netting around \$50.00. The play was largely individual on both sides, but there was so much of interest and amusement that all felt they had the worth of their money, and then some.

The following were the players:—Hollinger team—McIntyre, goal; Gorman and Jackson, defence; D. Cameron, O. Campbell, Joe Jacobs, forwards; Kelly and Macdonald, spares. Timmins Seniors—Hoggarth, goal; Fournier and Levine, defence; McGuire, Roach and Scully, forwards; White, spare. It will be noted that Scully played forward, and that the Seniors had only one sub., and that sub. not one of the regular subs of the team during the former season.

Thursday's game aroused so much interest that it was decided to try it again on Monday night, April 16th. Just think of it,—April 16th. On this occasion the ice felt a little cut up on account of the weather. Nevertheless it was a snappy game. The line-up was as follows:—Timmins—Hoggarth and Sol Levine, goal; at different times, of course; Fournier and Roach, defence; McGuire and Behan and Don Campbell, forwards; this team having no subs. Hollinger—McIntyre goal; Fraser and Levine, defence; Macdonald, O. Campbell and J. Jacobs

forwards; Boyd, spare. After the first period, the teams swapped defences, just to add to the interest. No one knows the real score, but it is generally conceded that Timmins won by a large margin. Frank Carlin refereed.

DELIGHTFUL EVENING AT CALEDONIAN SOCIETY

The meeting of the Caledonian Society of Timmins in the I.O.O.F. Hall on Friday evening last was a noteworthy one, about 130 members and their friends enjoying a very pleasant and attractive evening. The meeting took the form of a social evening and reception in honour of those assisting in the success of the recent Musical Festival given by the Caledonian Choir under the auspices of the Society. After the regular business of the Society, the President in introducing the programme for the evening took occasion to express the general appreciation for the services given by those in the Caledonian Choir and those otherwise assisting in the success of the recent Musical Festival. Special mention was made of the talent from Schumacher,—a place that seems to have more musical and literary talent than most towns of its size. The programme for the evening consisted of dancing, cards, games, music, etc. The dancing included waltzes, fox-trots, the Grand Old Duke of York, the Jolly Miller, Quadrilles, and the Highland Schottische. The dancing of Mrs. Sims and Mrs. J. K. Moore in the last named number was one of the special features of the evening. A duet by Mr. and Mrs. H. McCullough was one of the pleasing features of the music of the evening. Another outstanding number was the solo by Mrs. U. L. Acton, who was enthusiastically encored. Comic songs by Mr. W. Shewan, Mr. Jas. Cowan and Mr. Steve Lynn were among the special hits of the evening. Mr. Steve Lynn was asked to sing by special request of a number in the gathering. His first number was a big hit and a second and third number were very heartily requested by the gathering who were delighted with this very clever comedian. Music for the dancing was furnished by Miss Giffin and the Caledonian Orchestra which includes Messrs. W. H. Wilson and F. Wolno. During the evening in one of his own inimitable addresses, Mr. W. M. Whyte took opportunity to move a vote of thanks to the Caledonian Choir and the others assisting at the recent musical festival, and this tribute to the guests of the evening was

very heartily endorsed by the society. Refreshments were served as usual during the evening, and the gathering concluded with "Auld Lang Syne" and "God Save the King," all present agreeing that the evening had been a very pleasant one indeed.

VARIETY OF CASES AT THE POLICE COURT LAST WEEK

There were no serious or particularly important cases at police court last week, though Magistrate Atkinson had a large number and a big variety of charges to deal with. Three drunks were each fined \$10 and costs for being drunk, while a fourth drunk paid \$17.50 and costs, his drunk being a drunker drunk than the others. The charge of aggravated assault preferred against John Boroko by his brother-in-law was withdrawn, John paying the costs. The two foreigners arrested in connection with a row at a christening party in Moneta were each fined \$10.00 and costs for being drunk. The man whom they were alleged to have set out to beat up had evidently turned the tables by beating them up. They laid a charge of assault against him, just as he had been the means of having them charged with assault. Magistrate Atkinson adjusted the matter by assessing each of the three \$50 and costs for the blooming row. For breach of section of the Pharmacy Act, clerks in Burke's drug store were fined \$20.00 and costs on each of five counts in charges laid by the Inspector recently visiting here in connection with the enforcement of the Ontario Pharmacy Act. The charges against the Ryan Murray drug store and clerks in connection with the Inspector's charges of breach of the Ontario Pharmacy Act were dismissed, no breach of the law being shown, and the sales in question being made regularly by qualified druggists. Charges by the Inspector in connection with the Peerless Drug Store (usually known as Dr. Minthorn's) were withdrawn, it being shown that this drug store complied with the requirements of the Pharmacy Act. The charge under the Pharmacy Act against S. B. Scobell for not displaying his certificate in the store was remanded for a week.
