Timmins and District Notes

Mr. L. Halperin was a visitor to Toronto this week.

The next regular monthly meeting of the Timmins Board of Trade is scheduled for Monday evening, May 7th, at 8 p.m., in the Council Chamber.

Mr. L. E. New, of North Bay, is here as assistant at the local post office in place of the night sorter who is ill at present.

Messrs. Jas. Congino and Reg. Lansfield, of the King's Hall Orchestra, left on Sunday for North Bay where they will resume residence.

Mr. T. F. King was among those going to Cochrane last week to attend the funeral of the late Duncan McKinnon.

The regular weekly meeting and dance of the A.S.D. Club was held in the L.O.O.F. Hall last Wednesday evening. There was a good attendance of the members and an enjoyable time was spent. The meeting this evening will be the usual cards and dancing, and a large attendance is requested.

Last week Mr. L. Halperin, Bottling Works, Timmins, ordered a want advt. inserted for two weeks. This week he ordered it out. "Article sold from the one issue," he said, "it pays to advertise." Those Advance Want advts. are great little workers, as hundreds hereabouts can testify from experience.

Golden Beaver Lodge, A.F. & A.M., Timmins, is giving an At Home in the Masonic Hall, on Friday evening, May 4th, commencing at 8.30. Dancing and cards will be among the features of the evening's pleasure, music for the occasion being furnished by Wolno's five-piece orchestra. Attendance is by invitation only.

Mr. J. Destefano left on Sunday for Detroit. Johnny has been a popular figure in sport here, and will be much missed, especially in baseball, his gifts as a player winning him hosts of admirers. As a good citizen and a good fellow he has also been deservedly popular, and the general word to him will be to "hurry back."

Mr. W. E. Martin, night sorter at the Timmins Post Office, was taken ill some days ago and consequently left for his home town, North Bay. It will be some time before he will be able to resume his duties here. Mr. Martin's illness last week threw much extra work on the Post Office staff until arrangements could be made to increase the staff.

Mrs. J. B. Forrester and children, of Timmins, are the guests of Mr. and Mrs. D. M. Forrester, North Bay.

The next regular meeting of the Timmins Board of Trade is scheduled for Monday evening, May 7th, in the Council Chamber.

The Timmins Dancing Club will hold an extra dance in the form of a Masquerade on Thursday evening, April 26th.

Yesterday Mr. W. Pacher started his duties as a constable on the Timmins police force. This brings the strength of the force to six, all first-class men.

An auction sale is announced to be held at C. Stefano's, Pine street, Moneta, on Thursday of this week, April 26th, commencing at 2 p.m., when there will be offered for sale by public auction six horses, six new milch cows, chickens, some harness, etc.

Mr. Thos. Snell, who came to this Camp some two or three years ago from Cornwall, left on Friday last to return to the Old Land. During his stay in Timmins Mr. Snell made many friends who will regret his departure while wishing him the best wherever he may be.

Mr. W. W. Ellis, Inspector of Division Courts, was a visitor to Timmins last week in connection with his duties. The Inspector visits the various Division Court centres about once a year. He was much impressed with the evident growth of Timmins since his last visit here.

A Retail Employees Association is being formed in town for the pleasure and advantage of the large number of clerks in the stores here. The purpose of the Association is to advance the interests of the employees, and also to guard the welfare of the employers in many ways. Frequent meetings are to be planned for, and an annual picnic on a large scale is also contemplated.

Following advertising in The Advance, Mr. W. Dalzell found his spring selection of classy model suits for men and young men selling so rapidly that he faced a shortage. Accordingly Mr. Dalzell made a special trip to the city this week and secured over 200 more of the most attractive new models, which he is placing on display to-morrow (Thursday). These smart suits, all moderately priced, will make special appeal to men and young men who like to be well dressed and up-to-date.
