COSTS ALIEN \$20.00 AND COSTS FOR HAVING GUN

Thursday last was an easy day at the police court,—that is, easy compared to some already this year and some to come. Still there were many cases on the docket, and a little money changed hands. One drunk paid \$20 and costs, and another of the same escaped with the fine of \$10. Two men charged with being disorderly were fined \$5 and costs each. They got into a dispute and went onto the street to settle it by combat. The police were then anxious to settle with both the men, and Magistrate Atkinson said \$5.00 and costs. An alien giving the name of Geo. Morrison was charged with illegally having a gun.—He was fined \$20.00 and costs, and the gun confiscated. Theophil Desentelle, of Mountjoy, on a charge of making liquor, secured a remand for a week. He is at liberty on a thousand dollar bail. There was a fine of \$4.00 and costs imposed for a breach of the early closing by-law, and three men for breach of the traffic regulations paid \$1.00 and costs each.

LOCAL SPORTSMEN AFTER GAME DESTROYING VERMIN

A movement is under way to protect the game of this section by enlisting the aid of sportsmen in shooting game destroying animals and birds before they have an opportunity to cause destruction during the nesting and mating season. Plans are being made to have every sportsman interested in game protection, spend some time ridding woods, field and marsh of predatory hawks, owls and crows, weasels and others who annually kill ten times as much game as all gunners combined. It has been stated that the red squirrel alone will kill 200 birds a season, while the great horned owl destroys annually coveys after coveys of Partridge. Special efforts are being made to enlist the aid of game lovers against the crow who is described as destroying individually more birds of all kinds, more birds' eggs and young poultry than any other bird that ever flapped a wing. All game destroying animals and birds are classed by sportsmen and game lovers as vermin, and it is expected that vermin hunting clubs can be organized here and that members of established gun clubs will join in the movement by going into the woods and shooting as many game destroyers as they can find.

CARDS AND DANCING AT A.S.D. MEETING TO-NIGHT

The regular weekly meeting and dance of the A.S.D. Club, held last Wednesday evening in the Club Rooms in the I.O.O.F. Hall here, as usual was well attended, and the scene of a very enjoyable time.

Music for the evening was provided by Wolno's Orchestra, these talented musicians providing the usual high-class music furnished by them. Refreshments were served by the lady members of the Club. The programme for the summer is not completed yet, the Management Committee having not yet been able to secure a cottage at Golden City, and not wanting to have to use a tent unless it is absolutely necessary.

The meeting this evening will be the usual dance, with cards for any who do not dance.

DOMS SCHOOL REPORT FOR THE MONTH OF MAY

Senior Fourth:—Patrick Murphy, Alma Johns, Jenny Alexander, Mary Murphy, Alex. McMurray, Martha Michaelson.

Senior Third:—Betty Dowsett, Hubert Doran, Fred Taylor, Oral Doran, Isobel Lahti, Bobby McWilliams, Edward Lahti, Ione Cuthbertson, Clifford Young, Gordon Grainger, Viola Doran, Tena Zaitz, Reggie Humphrys.

Jr. Primer A.—Carlo Cattarello, Annie Bucovetsky, Mike Vronick, Violet McNulty, Jerry McNulty, Jack Schneider.

Kindergarten Primary—Kathleen Gallagher, Jimmie Hong, Joe Cosentino, Ada Wilson, Mike Miller, Nora Costain, Mirjam Wuori, Ailee Eyre, Violet McKay.

Danny Pine, who pitched last year for Iroquois Falls, is making a fine showing this year with Espanola ball team. At the opening game of the Nickel Belt League, Espanola vs. Copper Cliff, Danny struck out 15 men. Danny is looked upon as a great pitcher in the Nickel Belt League. They say he practically won that game himself.

Studebaker
STUDEBAKER LIGHT-SIX TOURING CAR \$1375
**A Six—and a Studebaker—
for \$1375**
The advantages of six-cylinder performance and Studebaker quality
are combined in the Studebaker Light-Six—at a price of \$1375.
You can throttle down to a snail's pace in high—then quickly and
smoothly accelerate to a racing speed. Vibration is practically
eliminated at any speed—due to the perfect engine balance secured
through machining the Light-Six crankshaft and connecting rods on
all surfaces. No other car in Canada selling for less than \$3500
follows this practice.
The operating cost of the Light-Six, like the initial cost, is low.
Proof of its low fuel consumption has been established through 27
world-wide tests, which set an average of 26.9 miles to the gallon.
Minimum repair cost is proved by Studebaker's limited volume of re-
pair parts sales, which in 1922 averaged only \$13 per car in operation.
Thousands of owners vouch for the Light-Six, while Studebaker's
71-year-old reputation is a further assurance of quality. Your purchase
of a Studebaker Light-Six will be a safe and satisfactory
investment.
