Timmins and District Notes

GINGHAM DRESS DANCE

MCINTYRE HALL, JUNE 20th

The dances at the McIntyre Recreation Hall are always enjoyable and have made a reputation all through the district. Novelty and originality are always aimed at in connection with any special dances, and these specials are always specially attractive. The attraction announced for the McIntyre Recreation Hall, Schumacher, on Wednesday, June 11th, commencing at 9.15 p.m., is a Gingham Dress Dance. Lunch will be served during the evening and the McIntyre Orchestra will furnish the music for the occasion.

MR. JACK MARSHALL HAS RETURNED TO MONTREAL

Mr. Jack Marshall, who managed the Timmins Hockey team last season, and who has shown a very helpful interest this year in local baseball, football and all other sports, has returned to Montreal to accept his former position in that city with the McDonald Tobacco Co. During his stay in Timmins, Mr. Marshall made innumerable friends by his genial, happy ways and his genuine good sportsmanship. He will be missed in all lines of sport, and his departure from town is generally viewed with regret, but all will join sincerely in good wishes to good old Jack in his present location and wherever he may be in the future.

BOY KNOCKED DOWN BY AUTO, BUT NOT INJURED

Sunday afternoon just as the crowds were coming down from the R.C. church, a boy was struck by an auto on the crossing in front of the Goldfields. The taxi sounded its horn, but the boy failed to get across before the auto. The lad was knocked down, and at first it was feared that he might be injured. The taxi, however, was going slowly and stopped at once. The boy was carried into Dr. Moore's office where it was found that he had escaped any injury except a bruise or two. The lad was able to walk home. Officer Sally took the taxi driver in charge, bail being accepted for his appearance on Thursday to answer to a charge of careless driving.

A ten-year-old son of Joseph Dumoulin, Ville Marie, was drowned in the creek at that place last week. The boy, with some chums, had been playing on a raft and fell off into the water. His companions were unable to rescue him.

Mr. R. Eddy left this week for a visit to Toronto.

Band Concert at the Athletic Grounds, Friday evening of this week at 8 p.m.

Mr. John Lawlor leaves tomorrow for an extended visit to his home in Londonderry, Goldchester County, Nova Scotia.

All music lovers should remember the big event to be given in the Rink on Thursday evening (tomorrow), by the Timmins Male Chorus.

The next regular meeting of the Timmins Town Council is scheduled for Monday afternoon, June 25th.

Mr. Alex. Wilson ("Scotty"), of Iroquois Falls, spent the week-end in Timmins. He went recently from here to the Falls, taking a partnership in a barber business in the Paper Town.

Mr. J. J. Morrison, the United Farmer leader with whom Premier Drury has clashed on several occasions, is to campaign in the North Land on behalf of the Drury Government. Mr. Morrison is expected to speak at Cobalt on June 20th.

While Mr. Hartley Dewart was busy campaigning for the Liberal Party in the North Land last week, some of his enemies apparently got busy and robbed him of the nomination as Liberal candidate for South-west Toronto. At any rate the Convention voted 162 to 65 for E. J. Curry, a plastering contractor, to be the candidate. Friends of Mr. Dewart say it was a plot to kill Dewart politically and they go so far as to say they will not support the nominee, the said plastering contractor.

ANNUITY FOR WIDOW OF MURDERED CONSTABLE

It is understood that Mrs. John Urquhart, widow of the late Provincial Police Officer Urquhart, who was killed while seeking Leo Rogers, the North Bay bandit, will receive an annuity from the Provincial Government as long as she lives, or remains a widow. General Williams, head of the Provincial Police, has forwarded a recommendation to the Attorney-General and it is said that the Government favours an annuity as against a lump sum. Mrs. Urquhart will also receive \$2,000.00 insurance carried by her husband at the time of his death.

THE DANGER SIGNAL

ONE of the most common complaints that accompany any sort of eye trouble is headache. This is one of the first danger signals and should not be overlooked. Taken in time defects of the eye may be remedied with glasses, whereas delay means pain, discomfort, poor vision, and all the other hundred and one troubles that go with defects of the eye.

Our experience and equipment assures you of satisfaction in every way. If suffering with headaches, or if suspicious in any way of eye troubles consult our optometrist. His advice is worth having.
