

**FALLS WINS WITH 10 TO 0 SCORE AGAINST TIMMINS**

The district baseball game scheduled for Iroquois Falls last Wednesday was postponed, and was eventually played on Monday of this week. Owing to Monday being election day many of the Timmins players were not able to get over to the Falls for the match, so the game was not a very strenuous one for the Papermakers to win. Timmins might have known that no game could be properly played without Official Scorer J. N. Levine on the job, and of course he could not go from here on election day. However that may be, though, Timmins' picked-up team met very decided defeat, the score being 10 to 0.

**WEDNESDAY Bulletin**

Among the latest enrollments in the different departments of the Timmins Business College are Miss B. A. Rooney, Miss Edith Slotnick, Stenographic Dept. and Mr. Philip Chactien, Preparatory Dept.

Miss A. Feldman, Timmins, Ont., and Mr. Gerald Banning, Timmins, Ont. were successful in writing 30 net words per minute in the June Typewriting Test set by the Underwood Typewriter Co., for which they will be awarded Efficiency Certificates.

The report of the standing of the Business College Students will be published in the next issue of this paper. Parents interested in the advancement of their sons and daughters are asked to give their particular attention to the above mentioned report.

Many applications are being received daily for enrollment immediately by students who have just completed at other schools. The fact of the College remaining open all summer gives many an opportunity to enroll now and prepare for the Fall positions.

Call or write us for full information.

**A COMMON SENSE TALK**

The Only Graduate Specialist in  
BY DR. C. E. HAWLEY  
Chiropractic and Drugless  
Therapy in This Mining Camp.

Room No. 6,  
Marshall-Ecclestone Bldg.

Nature is the only cure under the canopy of heaven.

My reason for stating this:—

If you fracture (break) a bone the skilled physician will place the broken bone in proper position to mend, but he can not mend it. Give Nature a few weeks and the bone is mended. Any intelligent person will admit it. Medicine only assists nature and should it fail to assist nature, there is no cure.

Drugless treatments have proven to be a great aid in assisting nature and have shown results where all other healing methods have failed.

Read what this patient, who suffered for two years with liver trouble, has to say:—

"Doctors said I had liver trouble. For two years I suffered. Had to give up work one year. After spending \$700.00 with different doctors I found no relief. I started to take drugless treatments from Dr. Hawley and after the second treatment found some relief. At the end of 38 treatments I was as well as ever. Have been working six months since taking treatments and feel in the best of health.—Tony Matymity, 140 Pine street, Timmins."

The official scorer being at more important business that day, there is no official record for Timmins of the game, but perhaps that is not as serious loss as if the score had been more human-like. There is no question that the Falls won this particular game, so let it go at that. The Falls is scheduled to play here tomorrow (Thursday) afternoon, and it is likely that the tables will be turned and Timmins again get in the winning list.

**BOX SCORE**

Iroquois Falls	AB.	R.	H.	PO.	A.	E.
Gauthier, ss.	.5	0	0	1	1	0

Struck out by Little 7, by Tait 7, by Spence 3. Base on balls off Spence 1. Wild pitch—Spence. Hits—off Little 2; off Tait 5 in 3 innings; off Spence 7 in 5 innings. Two base hits—Spence Derosier, Coons. Sacrifice hits—Anson, Brydge. Stolen bases—Derosier (2), Anson and Coons. Double play—Brydge to Coons. Earned runs—Falls 5; Timmins 0. Left on bases—Falls 8; Timmins 1. Winning pitcher Little. Losing pitcher Tait.

**QUALIFYING ROUND FOR THE GOLF CLUB TROPHY**

The qualifying round for the Golf Club Trophy will be held the weekend of June 30th. Further particulars may be secured from the Greens' Bulletin Board at the Club House. The thirty-two best scores will qualify.

**HOCKEY MEETING CALLED FOR FRIDAY NIGHT AT 8**

A meeting of all interested in hockey is called for Friday evening of this week, June 29th, in the Council Chamber, Timmins, at 8 o'clock, to perfect organization and to generally plan and prepare for the next season's hockey. Every hockey fan should make a point of attending this meeting in the Council Chamber at 8 p.m. Friday evening.

**RETURN JUNIOR FOOTBALL MATCH HERE SATURDAY**

The football match between the Timmins Juniors and the Dome Juniors at the Dome was a nice exhibition of good football. The Juniors showed very noteworthy improvement in play and the game was a pleasant one to watch. The two teams are evenly matched, as may be judged from the tie score, 2 to 2. The return match between these Junior teams will be played at Timmins on Saturday evening, and there should be a big turnout, not only to encourage the boys but also to see first-class good Junior football.

Provincial Police Inspector Walter Moore and License Inspector Blackwell were in town last week in their handsome and seasonable new Provincial Police uniforms. These new uniforms are of khaki and are completed with broad hats of the Stetson type. They look well and have the additional advantage of being comfortable for hot weather wear.

**PRETTY WEDDING SUNDAY AT CONGREGATION HALL**

There was a fashionable and interesting wedding event on Sunday last at the Congregational Hall, Cedar street, when Rabbi Shulman officiated at the solemn ceremonies uniting in marriage Mr. Sam Heicklen and Miss Molly Feldman, of Schumacher. There were about 200 invited guests and after the ceremony dinner was served. Monday morning there was a dance and social time enjoyed by a large gathering of the friends of the young couple in the basement hall of the New Empire Theatre. The presents to the bride were many, and beautiful and costly. Among the presents was a marked cheque for \$1,000.00 from the father of the bride. Friends of the newly-wedded couple will extend good wishes.

**Notes of Interest**

Kirkland Lake is among the North Land centres celebrating Dominion Day this year. The programme features football, baseball, field sports and a Machine Drilling Contest.

Mr. R. J. Matheson was appointed Fire Chief at Cobalt last week to succeed Chief Wilkes who had resigned. Chief Matheson has been a member of the Cobalt Volunteer Fire Department for some three years past.

After the Dominion Day sports and novelties, the next big day to be looked forward to is the annual Regatta and Aquatic Sports, under the auspices of the Timmins Citizens' Band, to be held likely some Thursday in July.

Sam Rothschild, of Sudbury, will be out of baseball for the balance of this season, being laid up with a broken leg sustained in a game at Espanola in the Nickel Belt series. He had bunted, and as he reached first base his foot caught under the outstretched foot of the baseman and he fell heavily to the ground, his left leg snapping for a clean break.

The outside newspapers have been so busy lately burning up the towns of the North Land that they have not given their customary attention to advertising the North Land's black flies and mosquitoes. A Toronto paper once described the North as "nothing but flies and forest fires." Oh well, anyway, we have no potato bugs in this country. You go south for bugs!

There is an ancient story of a man who explained his failure to repair the defective roof on his home by saying that when it was raining he could not fix it, and when it wasn't raining it didn't need repairing. It may be a similar situation in regard to the town dust nuisance. When the dust is blowing, it would be difficult to get a team and watering cart through the clouds, and when the dust is not blowing naturally, it's all right.

Some weeks ago Mr. Alexandre Theoret came to Timmins from O'Brien, west of Cochrane, in answer to a letter from his 17-year-old son. On arriving here, however, he was unable to locate the lad. Mr. Jas. Paul kindly gave his services in the search, and eventually Mr. Paul brought the father to The Advance office. The Advance published a little story of the matter, and within a few hours the boy's attention was drawn to it, and father and son were soon happily re-united.

The Geological Branch of the Ontario Department of Mines loses a good man in the resignation of Mr. Cyril Knight from the staff. Mr. Knight has entered the employ of the Nipissing mine. It is to be regretted that the Department of Mines failed to provide the salary and other attractions to hold as good a man as Mr. Knight. Fortunately, private enterprise has seen to it that Mr. Knight's services will not be lost to the mining industry in the North Land. It is unfortunate, however, that Governmental enterprise and vision did not hold him in the public service where he was undoubtedly doing helpful work,—under difficulties.

Thomas Grier, prospector, was awarded \$1,000 last week at the non-jury Supreme Court sittings before Mr. Justice Mowat at New Liskeard in the case brought against the Skead Gold Mines and its former president, D. M. Gilpin, both parties being held liable for the payment of the money. The case developed from an offer said to be made by Gilpin at what the judge termed a "jovial meeting" in 1920, when \$1,000 was promised the man who found free gold on the property. Grier claimed he had fulfilled the conditions of the offer. He brought a similar action some time ago, and was given a favourable decision, this, however, being upset by the Court of Appeals which ordered another trial.

**DANCE IN McINTYRE HALL MONDAY EVENING, JULY 2ND**

Another of the enjoyable McIntyre Hall dances will be held on the evening of Dominion Day, July 2nd. Music by the McIntyre Orchestra, and all other features up to the usual high standard of McIntyre Recreation Hall events.

**INSTALLATION OF OFFICERS AT I.O.O.F. NEXT TUESDAY**

Next Tuesday evening, July 3rd, there will be installation of officers at the Timmins Lodge, I.O.O.F., the District Deputy Grand Master, Bro. A. Tompkinson, of South Porcupine, to be present for the occasion.

**PRIZES TO BE GIVEN FOR HOME COOKING, JULY 2ND.**

In connection with the Home Cooking exhibition at the Dominion Day event here, Monday, July 2nd, prizes will be given for the following classes:—

Doughnuts, Cakes, Scones, Cookies, Pies, Biscuits, Rolls, Brown Loaf, White Loaf, Fruit Loaf, Best Pickles and Best Jar of Fruit.

The exhibition of Home Cooking is in charge of Messrs. H. Hatton and H. Johns, who will be pleased to give any information or particulars on the matter.

**PARADES TO PRESBYTERIAN AND ANGLICAN CHURCHES**

On Sunday, July 8th, the newly re-organized Timmins Orange Lodge will hold its annual church parades, attending divine service at St. Matthew's Anglican church in the morning, and at the Timmins Presbyterian church in the evening. In last week's issue of The Advance the evening parade was referred to as being to the Baptist church, but this mistake arose through a misunderstanding on the part of one of the newly-elected officers. The evening parade of the L.O.L. on Sunday, July 8th, will be to the Presbyterian church. All Orangemen in the district are cordially invited to take part in the parades to church, both morning and evening.

**ONTARIO CHAMPIONSHIP FOOTBALL AT THE DOME**

The first match in the semi-finals of the Ontario Championship Football series for the Ontario Cup will be played at the Dome Football Grounds on Thursday of next week, July 5th, between North Bay and the Dome. The kick-off will be at 6.30 p.m., and no lover of good sport should miss this match as it will be a classy exhibition of good football. North Bay's team has a creditable reputation, and as for the Dome, the latter club is so well known for putting up the right brand of football that comment is unnecessary. The winner of the North Bay-Dome game will play the winner of the Kirkland Lake-Timmins game to decide the winner to go south for the finals.

The heavy rains last week were given hearty welcome here. They were recognized as good for the dust nuisance, the crops, the bush fire, the panic possibilities, and everything. Even the regular floods Saturday night were not objected to.

To-day (Wednesday) the Temiskaming Motor Club is giving a picnic at North Temiskaming for the motorists of Ontario and Quebec and their friends. The programme includes horse racing, baseball, races, etc., as well as an address by Dr. E. P. Doolittle, president of the Canadian Automobile Association.

**SMOKE OGDEN'S CUT PLUG**

**FIRST UNIT OF STURGEON POWER ON ANY TIME NOW**

The first unit of Sturgeon Falls power development will likely be supplying power to the Camp by July 1st, or sooner. In any event it is safe to say that this new unit of power will be available almost any day now.

**TOWN LEAGUE FOOTBALL POSTPONED ACCOUNT RAIN**

The Town League Football match scheduled for last night had to be postponed on account of the rain. The match will be played at a date to be decided upon later. Up to date the standing of the town league teams is Hollinger, won 1; Town, won 3, with two games to play.

**PAYMASTER PREPARING TO ENLARGE PLANT AT MINE**

Dr. Harvey A. Weed, the noted geologist, and Mr. E. H. Walker, of Boston, are expected this week to pay a visit to the Paymaster Mine. Dr. Weed will no doubt note much progress since his last visit to the property. The shaft is now down to 500 feet and is being continued to further depth. Work in every way has shown unusually encouraging results. The confidence now felt in the property by the management and officers is evidenced by the fact that the Paymaster is planning noteworthy additions to its plant. Among these it is understood there will be a Diesel Oil Engine which will be a material aid in solving the power question.

**'MONTE CRISTO' AT NEW EMPIRE THEATRE THIS WEEK**

The special at the New Empire Theatre Friday and Saturday of this week, June 29th and 30th, is the famous Wm. Fox Production of Monte Cristo, the thrilling Dumas story. Those who delight in romance, adventure, spectacular scenes and settings, and a plot that has force and fire every second will find this motion picture a genuine joy. Those who have read the story by Alexandre Dumas will renew the pleasure of that reading in the seeing of this film version. Those who have not read the story will have a big treat ahead of them in this picture which has so thrilling a plot and such fine setting.

**AEROPLANE IN DISTRICT FOR FIRE PROTECTION**

Sunday morning considerable interest was evidenced in town in an aeroplane that went over the town. The machine passed Timmins at a comparatively low altitude. The machine was one of the planes of the Laurentide Company making a cruise over the district for Fire Protection Service purposes.

**TIMMINS LOSES CHANCE FOR KING FOOTBALL CUP**

By losing the game at the Dome last Thursday evening Timmins saw its last chance for the King Cup disappear for this season. But there are other cups for this year, and other seasons coming for the King Cup. There has been a lot of good football this year and that is the way things. Somebody has to lose. The game at the Dome, however, was a hard match to lose. Timmins put up a gallant battle and it seemed to be more luck than anything else that left the team at the wrong end of the score. The new men on the line-up, Messrs. Sathrong, Peterson and Berg, delighted the crowd with their fine brand of good football. Sathrong had some beautiful shots, a couple in particular being dandies, swift and unrepeatable, but just a fraction too high on account, perhaps, of the difficulty of judging on a new and different ground. The crowd at the game felt that Timmins had the better of the play even if the score is the other way. All the Timmins team played their places well and gave a fine exhibition of football. This is not saying anything against the Dome, the Dome boys playing their usual good game. The new man in goal made some nice saves, while other new men on the line-up showed up well. And the old-timers were the same old reliable that have made the Dome the winning team it is. The final score was 1 to 0, in favour of the Dome. The two teams lined up as follows:—

Timmins—Street, goal; Jackson and A. Cadman, backs; Delgarno, F. Cadman and C. Wazna, halves; Dunbar, Sathrong, Berg, Peterson and Ford forwards.

Dome—Tunncliffe, goal; Fell and Ewert, backs; Wallace, Harrewer and Anderson, halves; Walters, Hendrie, Hitt, Carboy, McKenna, forwards.

Referee—J. Hays.
