

NORTH BAY FAIR KEEPING TRACK OF ATTENDANCE

North Bay Fair this year kept track of the attendance each and every day—just like Toronto does with its exhibition. Of course, North

Bay didn't have as many people to count as the City of the Good Down South, but nevertheless the numbers in attendance at North Bay are rather striking. The total attendance was over 7,100. The best day showed 3,815 paid admissions and the other day 3,292.

THE FAMILY REFRIGERATOR

needs to be kept amply supplied with the best ice in order to keep meats and other eatables fresh and cool. The ice we put into your refrigerator has all the lasting properties that can be produced if solidity and purity count for anything. Let us serve you.

DANCING AT 9 p.m. REFRESHMENTS INCLUDED

COME & SPEND AN ENJOYABLE EVENING

MARRIAGE AT PRESBYTERIAN CHURCH ON THURSDAY LAST

At the Presbyterian church on Thursday, Sept. 20th, Mr. W. Isnor, son of Mr. and Mrs. Norman Isnor, Vipond Mines, and Miss Pinie Williams, daughter of Mr. and Mrs. E. Williams, of Goldenville, N.S., were united in marriage, Rev. J. D. Parks, pastor of the Timmins Presbyterian church officiating. After the wedding there was a very pleasant supper, dance and social evening at the home of Mr. and Mrs. N. Isnor, the young couple being showered with good wishes for long and happy life together. The newly wedded couple are taking up residence in Schumacher.

PRETTY WEDDING AT DOME MINES LAST WEDNESDAY

St. Paul's Anglican Church at South Porcupine was the scene of a pretty autumn wedding on Wednesday afternoon at 3 o'clock, when Doris Mary, only daughter of Mr. and Mrs. John Mason, of Dome Mines, was united in marriage to Joseph Nathan, eldest son of Mr. and Mrs. J. Henry, of Copper Cliff. The ceremony was performed by Rev. Mr. Cushing.

The bride, who was given away by her father, looked charming in a suit of navy Poiret twill, with French black Panne velvet hat. Ophelia roses and lilies-of-the-valley were her bridal shower. The wedding march was played by Mr. H. Martin.

Miss Beatrice Michaelson acted as maid-of-honour and wore a beautiful gown of orchid Georgette in panelled effect, black poke bonnet with orchid feather, and carried Ophelia roses and lilies-of-the-valley. Miss Hazel Henry, sister of the groom, was bridesmaid, and wore a French gown of Harding blue espongee, with black picture hat and ostrich plumes, and carried Ophelia roses and lilies-of-the-valley. The groom was supported by Mr. Fred Mason, brother of the bride. During the signing of the register Mrs. F. Reynolds sang very sweetly, "Oh, Promise Me."

After the ceremony a reception was held at the bride's home at Dome Mines. Mrs. Mason, the bride's mother, received in a beautiful gown of navy Canton crepe, with gold brocade trimmings. The groom's gift to the bride was a pearl necklace; to the maid-of-honour a gold fountain pen on Santour, to the bridesmaid an onyx and pearl ring, and to the groomsmen an onyx and pearl tie pin.

The young couple were the recipients of many beautiful gifts which show the high esteem in which they were held by their many friends. They will reside at Dome Mines.

POLICE COURT FINES LAST WEEK TOTALLED \$1,060

The Town treasury last week profited to the extent of \$1,060 from police court fines. This is not an altogether unusual record either for police court fines, the police showing themselves similar good revenue producers many times through the year. The Town might show its appreciation of the money value of the police by getting the department the auto asked for this year as a needed assistance to the best efficiency for the public. The weather the early part of this week looks as if it is not too late even now for a police auto this year.

At Thursday's court last week Magistrate Atkinson imposed a fine of \$400.00 and costs against J. Julta for illegally having liquor. The liquor was found by the police stored in a stable. The police wanted to catch the owner going in after the liquor, so after removing the booze they left Officer D. Martin inside and locked the door in the usual way by the padlock outside. The constable had a wait of 9 1/2 hours before the man came whistling, opened the padlocked door and walked into Constable Martin's arms. The man nearly fainted with surprise when he walked in on the constable. Mrs. D. Hogan, on a charge of selling liquor, paid \$500.00 and costs. Five drunks paid \$10.00 and costs each. Two citizens for allowing cattle at large contrary to the by-law were assessed \$4.00 and costs. One man, who ran an auto without proper lights, paid \$2 and costs for this. A man, whose family was apparently being neglected to such an extent that the Children's Aid Society asked for them to be made wards of the Society, was assessed \$50.00 for being drunk. Alex. Kruley on the charge of selling liquor, was remanded for a week. A remand was also made in the case of a man accused of having a bottle on his hip. Tony Covetsky, on a charge of breach of the town building by-law, was given a remand for a week for decision in the case. A man who was found guilty of having liquor in a public place, decided, or had circumstances decide for him, to take a trip down in place of paying the fine.

MOTOR FIRE TRUCK AGAIN BEFORE TOWN COUNCIL

action—taken as it was felt to be too late in the season now.

Councillor Wallingford called attention to the fire Monday morning and pointed out the advantage the town would have had if there had been a chemical motor truck in the fire department equipment. A motion had been passed to order such a motor truck, but the question had been dropped. In reply to this, the Mayor said the Council could not legally have made the purchase without a vote of the people. "Then, why not let the people vote on it?" asked Councillor Wallingford. Councillor Wallingford pointed out that in view of the size of the town now, the possession of a chemical and hose motor truck might mean the saving of serious loss at any time. There should be new hydrants at several points, but until they could be installed the motor truck would help out. The Mayor suggested that a combination chemical and hose truck to cost less than \$5,000 might do. The matter was eventually referred to the Fire & Light Committee, Councillor Wallingford expressing the hope that the matter would not be deferred until serious loss emphasized the need.

HOLLINGER CO. WIN RIGHT OF APPEAL TO HIGHER COURT

Announcement was made in Monday evening's Toronto papers that judgment had been given in favour of the Hollinger Consolidated Gold Mines in its appeal to the Appellate Court. In the case of the Hollinger against the Northern Canada Power Co. for damages for failure to provide the necessary power required for Hollinger's uses, judgment was given against the mine, and the Justice did not grant an appeal. To secure the right to appeal the case the Hollinger Co. applied to the Appellate Court, and the announcement referred to shows that the appeal was allowed and the Hollinger Co. may now appeal the decision in the damage case.

Messrs. V. H. Emery, W. King and A. W. Young were among those going up on the Transcontinental last week for a hunting trip.

The first Supreme Court sittings for the new judicial District of Cochrane, will open at Cochrane on October 3rd. Many are called from here as jurors. So far as appears now there will be only one important case,—that of Paul Sigrest who is to be tried in connection with the injury mine some weeks ago. Dugerre is still in the hospital, though making good recovery. He was hit on the head with an axe.

LOST—On Monday morning, a lady's fountain pen, with gold band, initialed E.O.P., treasured as a keepsake. Finder kindly phone 365, Timmins. —39p.—

BROADENING OUT, BUT SQUEEZING OUT DRURY

So far as it is possible to judge from the press reports, the recent gathering of the U.F.O. decided to follow Hon. Mr. Drury's programme but not his leadership. The Farmers' Party has apparently agreed to "broaden out," as the former Premier suggested, but in their plan for broadening, Hon. Mr. Drury will be squeezed out of the leadership. It was decided that while the Party will welcome other than Farmers to its membership, the leader is to be selected from the list of members in the House at the opening, and as there will not be time for Hon. Mr. Drury to secure a seat in the House before the session opens, he is thus getting a shabby treatment as the North Land often received from his Government. As Shakespear said, "It's a long lane that hasn't got a boomerang."

PAYING THE SETTLERS SHOULD BE THE FIRST WORK

According to an item in a recent issue of the Cochrane Northland Post, the Mattagami Pulp & Paper Co.'s plant at Smooth Rock Falls is reported to have been operating at capacity during the past month, with a production of 4,000 tons of unbleached sulphite. A number of improvements and installation of new equipment are also now under way at the mill, according to the same authority. The first "operation" that the Mattagami Pulp & Paper Co. should look after is the paying of the settlers the amounts due them for the past two or three years. After that is done, the people in general will no doubt be generous enough to wish the Mattagami Co. all success and a happy issue out of all their trouble.

ORIENTALS HAVE BARBECUE DOWN AT DRINKWATER PIT

During the week-end the Orientals of Timmins were the guests of the Mayor of Drinkwater Pit, the Honorable Wallace B. Nicholson, and he proved, as all expected, to be one of the most delightful of hosts. All the Orientals and other Oddfellows going down to Drinkwater had a regular whale of a good time. Southern Barbecues were outdone by this event. There was abundance in quantity and excellence in quality in the chicken bouillon, roasted corn and other items on the menu, all being home grown by the Mayor of Drinkwater at his own estate there. Another item was a baseball match in which Drinkwater Pit won from a selected Timmins team 10 to 9, the only instance in the visit where the guests did not get all and everything to delight them. Both Bill Smith and Dick Eddy demand a "return match" soon—at Drinkwater Pit again.

The "Opening Dance" for the season in the McIntyre Hall on Monday evening proved a regular McIntyre Hall success. There was a good attendance, the music by the McIntyre Orchestra was much appreciated, and all attending had a very pleasant evening.

Further new gold discoveries are reported from the Township of McNeill, but details are not to hand. Work is progressing steadily in McNeill and there is a general disposition on the part of prospectors and others to believe that McNeill is a "comer" all right.

Announcing

Laura Secord Historical Essay Contest

The devotion and loyalty of Laura Secord, the heroine of 1812, is one of the brightest spots in Canadian History. Her heroism shines out through the years as an emblem of patriotism and pluck that is a model for our lives to-day.

Yet how many boys and girls know that once Canada's fate hung on this dauntless woman's courage—that this devoted woman braved almost certain death to save her country.

To develop a greater interest among the boys and girls of our schools and to encourage them in a study of the history of our country, Laura Secord Candy Shops are offering \$500.00 in gold for the best Essay, Short Story or Composition on the life of this patriotic Canadian woman.

Contest Open to Everyone

The contest is open to everyone up to the age of eighteen, but to make it more fair, there are two classes, seven prizes in each and one special prize of \$200.00 in gold or a free trip to New York for the boy or girl, and of course Mother must go along too. A fine chance for some bright Canadian youngster to treat his Mother to a trip to New York.

The Judges are as Follows:

- R. W. Doan—Secretary, Ontario Educational Association.
- John R. Bone—Managing Editor, The Daily Star, Toronto.
- Harry Anderson—Assistant Editor, The Globe, Toronto.
- Geo. E. Scroggie—Advertising Manager, The Mail & Empire, Toronto.

- THE RULES**
They are few and plain.
1. Essays or stories must not be over 500 words in length and written on one side of sheet.
2. Name and address and age of entrant must be on the top of first page, and if attending school, name of teacher.
3. Facts must be historically accurate.
4. Contest is open to all boys and girls up to 18 years of age—Neatness, originality and good composition will have first consideration.
5. Classes and Prizes.
Class A.
First—\$100.00 in gold.
Second—\$50.00 in gold.
Ages 14-18
For the five next best essays, \$5.00 in gold.
Class B.
First—\$100.00 in gold.
Second—\$50.00 in gold.
Ages 13 and under.
For the five next best essays, \$5.00 in gold.
GRAND PRIZE
For best Essay in either class, \$200.00 in gold, or trip to New York for Mother and the successful contestant. The winner of this prize will not be eligible for any of the other prizes.

J. S. Snider—News Editor, The Evening Telegram, Toronto.
Fifteen prizes amounting in all to \$500.00 in gold will be awarded by the judges according to the conditions and distributed not later than December 1st. Contest closes October 31st, 1923—decision to be announced about November 15th.

The conditions are easy—the prizes are worth while and we hope every boy and girl will try for one.

Nova Scotia Interior as Moose Pasture

Nova Scotia is a country of lakes and streams, offering many ideal canoe trips, and the interior is a great moose pasture. Ideal, too, is the moose hunting, because both the canoe and automobile are used by hunters and guides, thus saving many miles of weary hiking through the wilderness. On the Liverpool chain of lakes reached from South Milford via Annapolis Royal or Digby, and on Lake Kedgemakooe, Lake Rossignol, Lake Munro, Loon Lake and the Liverpool River expert Indian and white guides use the canoes for long distances and even call the moose to the shore with their birch bark horns. When some distant point is to be reached from "Del" Thomas' South Milford camp, canoes, guides, hunters and duffle are loaded upon a big motor truck for the journey.

South Milford is 15 miles from Annapolis Royal and is a favorite outfitting point. So is the Kedgemakooe Rod and Gun Club, on famous Lake Kedgemakooe, in the heart of the wilderness 36 miles from Annapolis Royal. Both of these camps have ample accommodations and plenty of canoes and reliable guides.

The Nova Scotian moose season lasts from Oct. 1 to Nov. 15. Deer are as plentiful as moose, and the open season for this game lasts from Oct. 16 to Nov. 31.

Although large numbers of moose are shot each year, many with magnificent "spreads," the annual increase is said to equal the kill. Such guides as Louie Harlow, half-breed Micmac, and Sam Glode, full-blooded Indian, are expert moose callers and stalkers and rarely disappoint the hunter. The cleverness with which they simulate the calls of the cow moose with a simple roll of birch bark fashioned into a horn, is sure to fool the wisest old bull in the wilderness. When the calling season is past, the moose no longer comes to the hunter and the hunter must go to him. Neither canoe, nor automobile figures much in this phase of moose hunting except that one, or both, may help the hunter near the place where the quarry is supposed to be and carry him home when the hunt is over.
