OVER ONE HUNDRED AT A.S.D. CLUB DANCE LAST WEEK

With over one hundred present the third of the weekly dances of the A.S.D. Club, held last Wednesday evening in the I.O.O.F. Hall here was one of the best yet. Though the large number present made the floor a little crowded for comfortable dancing, every one enjoyed themselves and the signs point to this being even more successful than past seasons of the Club. The best of music was furnished by Wolno's Orchestra, and the refreshments were of the usual high standard set by the young lady members of the Club. Mr. R. Hoggarth, the president announced that no further applications would be accepted after the evening, until the business meeting, and that during the absence of Mr. A. E. Riddell, the treasurer, Mr. Wm. Mackie, would take any applications and dues. The meeting this evening will be the usual cards and dancing, and all are urged to attend to make this dance a success in every way.

CIGARETTE COMMENDED BY MEDICAL AUTHORITY

Commendation of the cigarette as the most suitable smoke was given recently by Dr. Royal S. Copeland, formerly Health Commissioner for the city of New York and now a United States Senator. Dr. Copeland is a non-smoker, and he dealt with the question from the purely scientific standpoint.

Dr. Copeland says that the cigarette is the most suitable smoke, as the tobacco taken in that form is more perfectly consumed, and as combustion is better, the nicotine is practically destroyed. "There can be no doubt," he said, "that smokers find solace and comfort in the moderate use of tobacco."

Dr. Copeland's statement confirmed the pronouncement made some years ago by the Lancet. As the result of an investigation conducted by that eminent medical journal, the Lancet announced that the cigarette is the purest form in which tobacco can be smoked.

CASE OF FORMER TRAIN DESPATCHER ADJOURNED

Mr. J. Dwyer, despatcher on the T. & N.O. on duty at the time of the wreck at Dane some weeks ago, appeared before Magistrate Weegar at North Bay last Friday for preliminary hearing on a charge of criminal negligence arising from the fatal wreck. Attorney-General Nickle had a special representative present for his department, this being Mr. J. E. Lawson, of Toronto. The case was adjourned until Thursday of this week, bail being renewed at \$1,000.00.

REVOLUTIONARY RECIPE FOR MAKING "O-BE-JOYFUL"

In sending renewal of his subscription for the year, an old-time resident of this Camp now living in Toronto encloses what he has headed "A New Recipe." It is as follows, and is given without prejudice, also without fear, favour or affection for those who may use it:—

"Chase wild bullfrogs for three miles and gather up the hops. To them add ten gallons of tan bark, half a pint of shellac, and one bar of home-made soap. Boil thirty-six hours, then strain through an I.W. W. sock to keep it from working. Add one grass-hopper to each pint to give it a kick. Pour a little into the kitchen sink. If it takes the enamel off, it is ready for bottling."

Mr. Wm. Arnott, a well-known prospector of the Elk Lake district, was reported as lost in the bush last week and search parties were organized for his relief. He missed his way in the bush and wandered approximately 100 miles before he struck the White River and thus a lead to safety. He suffered some inconvenience during the time he was lost, but also had some compensations. He encountered some spectacular mineral showings in his wanderings, and will no doubt secure some advantages in his business from his accidental loss of known trails.

CLASS "A" Insurance Risk

Chevrolet now rated as Class "A" Insurance Risk

Less than a dozen motor cars—all much higher in price—have similar insurance rating, which is the lowest possible.

THE sound construction of Chevrolet Superior Models has again been proved by the fact that the Underwriters have given to Chevrolet Class "A" Insurance Rating. This means that the Chevrolet owner gets the lowest possible rate of insurance on his car.

Less than a dozen other cars so low, and they are all cars of much higher price.

This new ruling is further evidence of the attention to detail which Chevrolet engineers have given to the design and production of the Chevrolet Car.

"Theatre of the Home" "His Master's Voice" Victrola

To audiences in homes throughout the land, "His Master's Voice" Victrola brings all the entertainment of the world's greatest, most famous artists. Think of it in terms of a great animate theatre—a conservatory of music, through whose welcoming doors your fancy may pass at will.

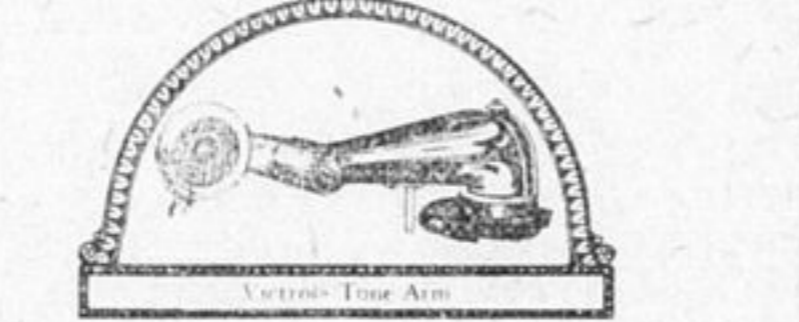

Based on the same principles which give the human voice or the very finest violin their powers of reproduction—it IS the human voice, it IS the voice of the violin.

Only the living presence of the artist is missing but even this is overcome, for its performance pictures their personalities in a subtle lifelike

something—peculiar alone to this marvelous instrument. Combined with "His Master's Voice" Victor Records—it is the singer and his song.

It were just as unthinkable that any instrument could take its place as that someone ELSE could be a Caruso, someone else could substitute for a Galli-Curci, a McCormack or an Elman.

No voice can take the place of "His Master's Voice". Pay it the homage it deserves. Prevent substitution by demanding that the instrument you buy bears our famous trade mark "His Master's Voice" (under the lid). Years of pleasure will repay you for this caution.

Why "HIS MASTER'S VOICE" VICTROLA dominates!

Victrola tone-arms are drawn—not brazed or cast—consequently the sound waves in passing through them find a perfectly smooth, even passage, the same as they do in a cornet, trumpet, saxophone or other brass instrument. The tone-arms on all types of Victrolas are constructed in exactly the same expensive and effective manner. This is indicative of the superb construction throughout of "His Master's Voice" Victrolas.

"Use His Master's Voice"—Victor Tungs-tone Styli needles. A package of 3 should play over 300 times. We recommend them."

Genuine "His Master's Voice" Victrolas from \$37.50 to \$615.00

Red Seal Records now double-sided. Two selections for practically the price of one. New catalogue listing all double-sided Red Seal Records now ready. It's free.
