### SPECIAL PROGRAMME AT BAND CONCERT ON SUNDAY

The next in the series of Bank Concerts being given every second Sunday in the New Empire Theatre after the church services will be held Sunday evening, Oct. 28th. The Band Concert on Sunday evening will be the best this season. A programme of special excellence is being prepared. There will be vocal and instrumental music of outstanding excellence, as well as some new selections by the Band. Motion picture films will also be shown during the evening. The chair is to be taken by Mr. A. Borland, the first President of the Timmins Citizens' Band.

### SNOW ON TRACKS DELAYS TRAIN LAST SATURDAY

On Saturday last the North Land train was delayed by snow for the first time this season. It wasn't a T. & N.O. train either. It was the Continental southbound which was several hours late, the loss of time being due to snow on the tracks around Hearst it is said. Passengers reported a fall of several inches of snow, and this, with a heavy wind, caused a blocking of cuts with snow and a consequent loss of time for the train coming from the West. Snow has no more respect for Government-owned lines than for ones privately owned.

Division Court was held here on Tuesday with Judge Caron presiding and the usual lengthy array of cases.

### A.S.D. CLUB MEETINGS PROVING VERY SUCCESSFUL

The regular weekly meeting and dance of the A.S.D. Club last Wednesday evening was as usual a very enjoyable event. Due to Hollinger pay night, the members were later than usual in getting out and it was not until after half past nine, that the Club rooms in the L.O.O.F. Hall here presented their usual Wednesday evening's activity. "Scotty" Wilson at the piano kept things going until the arrival of Messrs. Wolno and Rodgers, the regular orchestra. The usual dances were enjoyed, a feature being introduced in a Ladies' Tag Fox Trot, this proving one of the most enjoyable numbers. Refreshments were served by the young lady members of the Club; these as usual were up to the high standard set by the lady members of the A.S.D. Club. The meeting this evening will be the usual cards and dancing, a good time being assured all members, who are urged to attend.

### MR. SALIM DAVID MARRIED AT NORTH BAY LAST WEEK

The marriage of Miss Louise David, of North Bay, and Mr. Salim David, of Timmins, was solemnized in St. John's Anglican church at North Bay, on Sunday, Oct. 7th, the Rector, Rev. Gilbert Oliver, officiating. In referring to the event The North Bay Nugget says: "The bride was attended by her cousin, Miss Helen Karam, and wore a becoming gown of beige georgette with accordion pleated panels and a black velvet hat. The bride's cousin, Mr. Elias Karam, supported the groom. Mr. and Mrs. David left on Monday morning for Timmins where they will take up their residence. Some interest was aroused by the fact that although the contracting parties are of the Greek Catholic faith, the ceremony was performed in the Church of England by an Anglican clergyman. This is possible in the absence of a Greek Catholic place of worship and priest, as adherents of the Greek Catholic faith enjoy the privilege of full communion in the Church of England.

Mr. and Mrs. David will take up residence in Timmins, and friends here will extend best wishes.

### MR. HUGH F. MARRIOTT TO SPEAK HERE ON NOV. 17TH

Mr. Hugh F. Marriott, a well-known authority on mining matters, will give an address before the Porcupine Branch of the Mining Institute on November 17th. Mr. Marriott will speak on "Empire Council of Mining and Metallurgical Institutes," and the address will be one of special importance to all interested in the mining industry. Mr. Marriott is at present on his way from Australia, and is expected at Vancouver on Nov. 1st. He will come from the West to the Porcupine Camp.

### "THE WOLF" TO BE GIVEN AT TIMMINS NOV. 7 AND 8

A dramatic event of special attractiveness is promised for the New Empire Theatre on Wednesday and Thursday, Nov. 7th and 8th. The event is under the auspices of the Altar Girls' Society of St. Anthony's R.C. church and this Society has a well-merited reputation for successful entertainments and events. The event is the play "The Wolf," described as the "strongest play of the North Country ever written." The play is mounted with special scenery, lighting and effects. A clever cast has been selected for the presentation of the play and rehearsals are now in progress.

### MAYBE IT WAS HENRY FORD WHO WISHED THE O.T.A. ON US

On Thursday morning last between ten and eleven o'clock no less than ten automobiles could be counted parked on the sides of the street in the short block between the Goldfields corner and the Fire Hall. Most of the cars were expensive ones at that. One man noticing the array of handsome cars, enquired as to the reason for so many automobiles being parked on this particular section of roadway. Another man answered: "Oh, there's a bunch of blind-piggers up in police court this morning." The first man seemed perfectly satisfied with the answer. It was quite reasonable.

### SECOND OF SERIES OF L.O.L. EUCHRES AND DANCES

The second in the series of Euchres and Dances to be held by the Timmins Orange Lodge, last Friday evening in the L.O.O.F. Hall here was like the first put on by the Lodge, a very enjoyable event. There was a good crowd present, and one and all report a very enjoyable time. There were ten tables of euchre, after which dancing was enjoyed until after midnight. The winners in the euchre contest were: Ladies' first—Mrs. M. Clarke; gentlemen's first—Mr. F. Ford. The prizes for the least number of wins were won by Miss Mayme Prest and Mr. E. Warnock. The dancing was much enjoyed, Mr. G. Gwilliam at the piano providing the music for this part of the entertainment. Refreshments served during the evening were up to the high standard set by the Orange Lodge at its previous social evening. The success attending these euchres and dances speaks well for any event of this kind put on in the future by the local Orangemen, and one and all are cordially invited to be present on any future occasion.

### DRUNK IN CHARGE OF MOTOR CAR, GETS THIRTY DAYS

At the police court on Thursday last, Magistrate Atkinson sentenced A. Pittle to thirty days in North Bay jail on the charge of being drunk while running a motor car. Three ordinary drunks were assessed the ordinary \$10.00 and costs. For breach of the Motor Act, one citizen paid \$1.00 and costs. A vicious dog at large cost one man \$5.00 and costs. There was a rather lengthy case in connection with a dispute over some potatoes. Two local men had agreed to put in a garden together. Then there developed dispute as to the relative share of produce each was entitled to. One of the two laid a charge of theft against his partner in gardening, but Magistrate Atkinson dismissed the case, pointing out that if there were a case it was one for the civil courts. Constable Rycroft had F. Lucei and M. Mazzuci before the court on charges of illegally having liquor. The Magistrate fined each of the men \$200.00 and costs. A wage case was remanded for a week, as was also a charge of illegally having narcotic drugs.

There will be general regret at the illness of Mr. J. A. Howse and all will sincerely wish him an early and complete recovery.

### PRESENTATION MADE BY THE VIPOND MINE STAFF

On Tuesday evening this week the employees of the Vipond Mine staged a surprise party and presentation in honour of Mr. and Mrs. Everard. Mr. and Mrs. Everard were presented with a handsome silver dish, and the staff of the Vipond made evident in no uncertain way the high regard in which Mr. and Mrs. Everard are held.

Diamond drilling is being carried on with very encouraging results at the Porcupine Grande property in the Three Nations Lake district of Whitney Township. Last week reports were to the effect that a very important discovery seemed to be indicated by one drill hole. Two strong veins are said to have been cut, with visible gold and excellent vein composition suggested.
