Timmins and District Notes

Mr. W. F. Kingsvelt, of New York, N.Y., was a visitor to the Camp last week.

Mrs. R. J. Ennis, Mrs. J. P. Bickell and Miss Bickell sailed on Saturday on the Antonio to spend the winter months in France.

The Ladies' Auxiliary of the Union Church, Schumacher, will serve a Hot Supper in the church on Tuesday, Nov. 20th, from 5:30 to 7:30. Keep this date in mind—Nov. 20th.

The Northern News last week says:—"Mrs. R. B. Holmes has returned home to Cobalt after a two weeks' visit to her daughters in Timmins."

Mrs. Fligg returned on Saturday from a four months' vacation spent visiting friends at Toronto, Ottawa, Newmarket and other points in the south and east.

A very enjoyable evening was spent at cards and dancing last Friday evening when the Misses Janet and Grace Purvis, Miss Everett and Miss Hill were the hostesses to a number of their friends.

The Misses Rhoda and Nina McLeod and Miss Coon were the hostesses at a very enjoyable party last Friday evening. A delightful time was spent by the guests present, dancing, vocal selections, and other social pleasures being enjoyed.

Mr. E. R. Dunbar, formerly of this Camp where he was well-known and highly-esteemed in football circles, but who recently has been engaged in an exploration trip through British Guiana, returned to Timmins on Saturday last for a visit.

Thursday (to-morrow) evening, Oct. 25th, is the date of the annual dance given by Porcupine Lodge No. 506, A.F. & A.M., the event to be held in the Oddfellows' Hall, South Porcupine. Music by Wolno's Orchestra. Each year this is one of the specially pleasing social events of the season.

Mrs. M. Downey, who has been seriously ill for some weeks past, left on Monday for Toronto to take specialists' treatment at the hospital there. Mr. H. J. Downey accompanied his mother to the city. Many friends in the town and district will join in wishing Mrs. Downey an early and complete recovery of health.

In referring to the appreciation felt for the orchestra that played at the evening session of the Teachers Institute on the previous Thursday night, The Advance last week left the impression that the same orchestra furnished the music for the dance following. This was not the case. The orchestra furnishing the attractive music for the dance was the three-piece orchestra including Mrs. Parker at the piano, Mr. Torrance on the drums, and Mr. Gillies on the violin.

Because of the unusual general public interest shown in the Porcupine Poultry & Pet Stock Association, there will also be interest no doubt in the fact that there is what is called the Temiskaming Poultry Association with headquarters at Englehart. Owing to the fire that did so much destruction last fall in Central Temiskaming, the Temiskaming Poultry Association did not hold any show last year. This year, however, they will hold their annual poultry show at Englehart on Dec. 12th and 13th. While it will not be on as extended a scale as the one planned to be held by the Porcupine Poultry and Pet Stock Association in Timmins next January, the Englehart event will undoubtedly be an interesting one and will attract much interest from poultry fanciers in the North Land.

All were pleased to see Mr. Frank Carlin sufficiently recovered from his recent injuries to be able to be out and around again as usual last week.

The Haileyburian claims the season's record in potato growing for Mr. Geo. Patterson, Marvella street, Haileybury, who has a specimen "Murphy" that weighs 3 lbs., 9 ounces, and measures 28 inches around the longest way.

IN MEMORIAM

In loving memory of Mr. J. N. Angrignon, who died on Oct. 30th, 1918. High Mass will be said at the Roman Catholic Church at Schumacher on Sunday, Oct. 28th.

—Wife and Children.

Porcupine Chapter No. 84, Order of the Eastern Star, is giving an Armistice Dance in the Oddfellows' Hall, South Porcupine, on Monday evening, Nov. 12th. Refreshments served. Best of music. A very pleasant evening may be assured to all attending this event.

During the past few days someone sent \$2.00 to the Golf Club but overlooked enclosing any name with the subscription. The Golf Club naturally is anxiously desirous of crediting this \$2.00 to the person sending it and so would ask that the name of the subscriber be forwarded to the Club.

In renewing subscription to The Advance for another year, Mrs. Hugh McGee, formerly of Timmins, but for some years past at St. Jean, Manitoba, writes as follows:—"We don't want to miss a copy. We are glad to know that times are so good in Timmins. We intend to spend a few days there in the coming holiday season. We have had a lovely Fall, but there have been lots of crop failures in Manitoba this year."

Mr. Wm. H. Templeton, of Toronto, was a visitor to town this week and was warmly welcomed here by all the old-timers. Mr. Templeton was one of the real pioneers of the Porcupine, coming to the Camp in 1909. Since that early date he will find remarkable changes in this Camp—changes in everything except the regard in which he is held by all the old-timers. Mr. Templeton is now with the firm of J. Muirhead, Limited, dealers in builders' supplies, coal, etc.

A scuffle between a couple of young men in the Paris Cafe around one o'clock on Saturday afternoon resulted in the upsetting of the stove, and the sending in of an alarm of fire. The Brigade was promptly on the scene, the stove was set up again and no serious damage resulted from the incident. A broken window and other minor damages were among the souvenirs of the occasion. As a result of the trouble one young man will face a charge of disorderly conduct at tomorrow's police court.

Miss Lilian Kellett, Deaconess, is in the Camp this week on the annual visit of collection for the Tract Society's Mission to Sailors on Inland Waters. This Society does a very commendable work for sailors on the Great Lakes and for workers in the lumber camps, etc. For these libraries are provided and other helpful attention shown. Sailors' homes are also maintained at lake ports and other efforts made to brighten the lives and help the comfort of the sailors and the camps at distant points. In the past this Camp has given generous support to this worthy cause. Last year Timmins gave \$134.79; Schumacher, \$37.95; and South Porcupine, \$44.69. This year the growth of the Camp will likely be reflected by an increase in the contributions to the Missions to Sailors on Inland Waters.

"IN THE PUBLIC EYE"
BY Curtis Optical Co.
FORE SIGHT IS BETTER THAN HINDSIGHT
DON'T NOW!

You can talk with many people who are advanced in years who will tell you that they wish they had consulted an expert optometrist at the first indication of eye trouble. They will inform you that they feel sure if they had that they would have been able to have worn corrective glasses that they might have discarded later on. If your eyes trouble you let us test them.
