A Service That Saves Lives

Arrangements have been completed with the Life Extension Institute of New York by which—

Every member of the Mutual Life Assurance Company of Canada insured for \$1,000 or more may secure

A Free Periodical Health Examination

Be a Mutualist Conserve Your Health Prolong Your Life

The conditions are as follows:—

If insured for \$1,000 and less than \$2,000, the policyholder is eligible for first examination after such insurance has been in force for five years, and every fifth year thereafter.

If insured for \$2,000 and less than \$3,000—after such insurance has been in force for four years, and every fourth year thereafter.

If insured for \$3,000 and less than \$4,000—after such insurance has been in force for three years, and every third year thereafter.

If insured for \$4,000 and less than \$5,000—after such insurance has been in force for two years, and every second year thereafter.

If insured for \$5,000 and over—after such insurance has been in force one year, and every year thereafter.

Any policyholder, eligible for examination, may secure the service by applying to the Head Office of the Mutual. The Institute will then be authorized to give the examination and the result will be absolutely confidential between the Institute and the policyholder.

\$15,000 NUGGET BROUGHT FROM GILLIES LIMIT

Big Crowd Watch Wagon Arrive at Cobalt with Ton-Nugget, 75 per cent. Silver.

Last week there was considerable excitement in Cobalt at the announcement that a monster nugget worth \$20,000 to \$25,000 had been discovered in surface exploration on Claim 19999, Block 22, Gillies Limit. When the nugget of silver was brought into town there was soon a big crowd around the wagon, all interested and all asking questions. "Guess old Cobalt is still on the map as a silver mine," was an expression that indicated the commonly held opinion that this rich find of silver nearby meant that interest in silver mining and in Cobalt area is not likely to die for quite a while yet.

When weighed the monster nugget tipped the scales at one ton and 5 lbs. Reduced to troy ounces and estimating at 75 per cent. silver, this would give the nugget a value of around \$15,000. At the same time it is quite possible that the first estimates of \$20,000 to \$25,000 may be nearer the mark after all. The big nugget was later taken to New Liskeard and put on exhibit in the window of Hill-Clark-Francis, the members of which firm are part owners of the claim on which this big nugget was located by the prospector and other part owner, Mr. Anson Clement. While trenching, Mr. Clement found the nugget practically at surface. The six gentlemen particularly interested in the nugget are Messrs. L. Hill, John Clark, K. Varette, J. Varette, Oliver Varette and Anson Clement, the prospector. The claim was staked last July or August, and it is said the find was made on Sept. 16th, but was kept quiet until last week. It took three days to get the big nugget out of the bush and into Cobalt. The claim is about two miles north of the Ragged Chutes plant of the Northern Ontario Light and Power Co.

This nugget is the most spectacular ever exhibited in the Cobalt Camp. The one holding the record previously was a nugget from the Cobalt Gem property, weighing about 1,600 lbs. and valued at around \$5,000. This Gillies Limit nugget makes the previous record holder look like a piker. The new nugget is described as having a top containing heavy metal leaves jutting out from 2 to 6 inches from the Keewatin mass, and with the bottom of the nugget practically pure silver.

When weighed the monster nugget tipped the scales at one ton and 5 lbs. Reduced to troy ounces and estimating at 75 per cent. silver, this would give the nugget a value of around \$15,000. At the same time it is quite possible that the first estimates of \$20,000 to \$25,000 may be nearer the mark after all. The big nugget was later taken to New Liskeard and put on exhibit in the window of Hill-Clark-Francis, the members of which firm are part owners of the claim on which this big nugget was located by the prospector and other part owner, Mr. Anson Clement. While trenching, Mr. Clement found the nugget practically at surface. The six gentlemen particularly interested in the nugget are Messrs. L. Hill, John Clark, K. Varette, J. Varette, Oliver Varette and Anson Clement, the prospector. The claim was staked last July or August, and it is said the find was made on Sept. 16th, but was kept quiet until last week. It took three days to get the big nugget out of the bush and into Cobalt. The claim is about two miles north of the Ragged Chutes plant of the Northern Ontario Light and Power Co.

Gold Completely Cured With Two Bottles

Most colds are the result of a weakened condition of the system. Nothing will undermine your health so quickly as a cold. More consumption results from neglected colds than any other source. When you notice a cold developing build up your system. The most effective way to do this is to take a tonic—Carnol. Mr. Harry Heller, of Regina, cured a cold of two months' standing by taking Carnol. Read what he says:

"After having used two bottles of your Carnol, I find that it has completely removed my cold from which I have suffered since the first week of December last. All other remedies have been failures and I strongly recommend to others who have been suffering from a similar ailment to try a bottle of your Carnol and I am sure they will not regret such a purchase."—Harry Heller, 2126 Broad St., Regina, Sask.

Mr. Heller suggests trying a bottle, but to get the full benefit of this wonderful preparation, you should take a Course of Carnol.

Carnol is sold by all good druggists everywhere.

case charging a breach of the building by-law.

Alex. Kruhley on a charge of purchasing liquor from an unlicensed vendor was remanded for a week.

A wage dispute case was settled by the defendant paying the wages asked.

There were two charges against Tony Salvador, Moneta,—one of selling liquor, and one of having liquor in other than his private dwelling. A remand to this week was made in each case.

In discussing the hockey situation, The Sudbury Star gets off a nasty one. It suggests that the Sudbury fans would not favour Iroquois Falls being included in the southern group of the N.O.H.A., because "they do not regard the Falls team as quite up to the calibre of the other teams," as The Star puts it. The truth, of course, is that it is the expense and time taken in outside games that is the real sticker, just as suggested by Timmins and the Falls last year. Last year the Sault beat Sudbury, and the Falls beat the Sault, and that takes a lot of explaining that doesn't explain away the class of the Falls team as compared to Sudbury and the Sault. Just for that remark of The Star's Timmins or the Falls will give Sudbury or the Sault a whole of a trimming this coming season.

ANNUAL MEETING OF N.O.H.A. SATURDAY, NOVEMBER 17

The fifth annual meeting of the Northern Ontario Hockey Association has been fixed for Saturday, Nov. 17th, at North Bay, the sessions to open at 10:30 a.m. in the Town Hall. In announcing the meeting Secretary Charlton gives the following information for the guidance of the various clubs in the Association:

Each club shall be entitled to representation by three delegates, exclusive of the members of the executive of the association, and each club shall be entitled to one vote, the voting delegate being the only one allowed to cast a vote of the club he represents. Clubs are requested to notify the secretary not later than Saturday, November 10th, names of delegates and designate the voting delegate.

Any club having resolutions to place before the annual meeting, must have same in the hands of the secretary not later than Saturday, November 10th.

Nominations for officers, including the executive, must be made in writing by a club in the association, or by an officer of the association, such nominations to be in the hands of the secretary not later than Saturday, November 10th. No one shall be nominated for more than one office.

The officers of the association consist of a president, vice-president, the immediate past president, a secretary-treasurer, and one representative from each of the three original groups, provided that group is not already represented in the executive by one of the before-mentioned officers, the president and vice-president to not represent the same group.

Each club is requested to pay their fees before or at the annual meeting, entrance fee being \$10.00, annual fee for senior or intermediate, \$10.00, junior, \$5.00.

All players in the senior and intermediate series must hold A.A.U. of C. cards. Application forms will be supplied upon request, each application to be returned, properly completed by the player, and accompanied by a registration fee of 25c. These amateur cards are issued by the Ontario branch of the A.A.U. of C., Toronto, and as cards should accompany playing certificates, clubs are advised to secure their supply of application blanks immediately from the secretary of the association.

Playing certificates are available now. Junior certificates must be ac-

accompanied by a birth certificate, showing that the player has not attained his 20th birthday, prior to January 1, 1924. Birth certificates must come from the Registrar-General's department, or an extract from a church baptismal record.

All players who have changed clubs, or their place of residence, must send in written application through their club to the N.O.H.A. executive, setting forth complete and definite information and reasons for changing club or residence. In case of new players, clubs are required to secure transfer cards, making application to the association from which the player came, and if new players are from clubs within the association, application must be made to the club concerned. Transfers must accompany playing certificates.

Playing certificates in all series are now available, and if you have not yet secured your requirements, advise the secretary immediately, as it is desired that all playing certificates properly completed, be turned into the association at the annual meeting, if possible.

Astro Stephanelli arrested recently at Cobalt with a suitcase containing liquor alleged to have been dropped from a passing train, was fined \$200.00 and costs last week for breach of the O.T.A. He also was assessed \$50.00 and costs for carrying a revolver. Stephanelli's defence included the idea that he had found the suitcase while taking a short-cut home, and his explanation for carrying the gun was to the effect that a bear had chased him up a tree while he was cutting wood at Bass Lake. Apparently Mr. Stephanelli reads the Toronto Star.

CONVICTION LAST WEEK UNDER NARCOTIC DRUG ACT

Among the important cases before Magistrate Atkinson at Timmins last Thursday was the charge preferred by Corporal Samson of the R. C.M.P., against Mrs. Ella Smith, the charge being laid under the Narcotic Drug Act. The case against Joe Smith, the man arrested at the same time as the woman in the case, was dismissed, there not being evidence produced to prove any illegality on his part. The case against the woman, however, was presented in careful detail. She was shown to have travelled under different names, and under some of these names to have come under the attention of the police as being concerned in illegal traffic in narcotic drugs. Her defence was to the effect that the narcotic drugs found in her possession at the time of her arrest came to her in a letter opened by mistake and the envelope had simply been placed in a trunk awaiting a convenient time to return to the post office. Her explanation of the presence of needles, syringes, etc., used for drug taking was that she simply had these from some time ago when she had occasion to use them. Magistrate Atkinson sentenced the woman to an indeterminate term of 6 to 18 months with a fine of \$300.00, or an additional term of three months if the fine is not paid. It is likely that the woman will be deported to the United States, from which country she came to Canada.

Seven ordinary drunks, including one woman, were fined the customary \$10.00 and costs.

There was a remand to this week made in the case of the young fellow who had figured in the disturbance at the Paris Cafe on the previous Saturday, the stove being upset and the fire brigade being called out as a result of the disturbance.

Three men charged with gambling were squared with the law by fines of \$10.00 each and costs.

There was one breach of the traffic by-law that cost \$1.00 and costs. A charge of obstructing the street with wood piles brought the same penalty of \$1 and costs.

P. J. Overland, a clerk in the Goldfields Drug Store No. 2, was fined \$300.00 and costs for illegally selling liquor.

A remand of a week was made in a
