MCKENZIE-PORCUPINE AND GOLDACRE LOOKING WELL

Surface work on the McKenzie-Porcupine Mines property near Schumacher has given very pleasing results during the past few months and development work will be carried on throughout the winter. The management may sink a shaft this winter.

On the property of the Goldacre Co., near the McKenzie-Porcupine, work is also being carried on with much success. Two drills are at work on the Goldacre with very interesting results. The work on the Goldacre and the McKenzie is attracting very favourable attention to the section.

INTERESTING PROGRAMME FOR BAND CONCERT SUNDAY

A specially pleasing programme is being prepared for the regular semi-monthly Band Concert in the New Empire Theatre after the church services on Sunday evening, Nov. 11th. In addition to selections by the Timmins Citizens' Band there will be vocal and instrumental solos, duets, etc., by outstanding local talent. The last Band Concert was particularly well received, the programme making a decided hit with the audience. The event Sunday evening promises to be even more appreciated. Moving picture films of appropriate type will be shown as usual during the evening.

A Euchre and Five Hundred Party will be given by the ladies of the R. C. Church, Schumacher, on Monday evening, Nov. 19th, at 8 p.m., in the McIntyre Recreation Hall, Schumacher. Refreshments will be served and there will be a good orchestra to provide music for the occasion.
