SCHUMACHER BOWLING SCHEDULE COMMENCED

Archambault, Newlands and Starr's Teams the Winners in the First Three Nights' Games.

The Schumacher Bowling League schedule opened on Tuesday evening last. Archambault's won the first game by 91 pins. Arnott's took the second by 14 pins. Archambault's took the third game by 31. Archambault was high for his team with 561 score. Costain had the high single, 208. Arnott was high for his team with 200 single and 540 total.

The following were the scores:
Dummy 125 125 125—375
Williams 157 150 126—433
Costain 132 119 208—459
Campbell 135 137 132—404
Archambault 195 204 162—561

Total 744 735 753—2232
Howey 94 135 95—324
Naylor 105 131 106—342
Jones 138 134 154—426
Hall 175 149 168—492
Arnott 141 200 199—540

Total 653 749 722—2124
Wednesday, Nov. 14th.—Newland's Pin Busters took two from Solomon's, losing the first by 2 pins and winning the second by 43 and the third game by 1 pin. Newlands high with 510 for his team and Williams high for Solomon's team with 482, and high single, 204.

Scoring as follows:—
Angmignon 136 162 165—464
Robinson 163 110 120—393
Graham 131 158 141—430
MacMillan 124 137 142—403
Newlands 169 183 158—510

Total 724 750 726—2200
Cushing 142 122 126—390
Gold 135 153 128—416
Williams 157 121 204—482
McNaughton 133 153 130—418
Solomon 159 138 137—434

Total 726 687 725—2138
Thursday, Nov. 15th.—Starr's Ten Pin tossers took 2 out of 3 from McMillan's. They lost the first game by 100 pins, and won the second and third by 108 and 126 pins. Corrigan was high for Starr's with 482, and Ferguson high for McMillan's with 485. McNaughton for the same team got the high single for the evening, 192.

Scoring as follows:—
Cooke 137 161 154—452
C. MacDonald 141 148 143—432
Corrigan 141 163 178—482
Parker 139 165 177—481

EUCHRE NOV. 24TH, UNDER AUSPICES ALTAR GIRLS

A Euchre is announced, under the auspices of the Altar Girls' Society, in the Parish Hall, Timmins, on Sunday evening, Nov. 25th. (St. Catharines' Day). There will be good prizes. Refreshments will be served. A musical programme will be rendered. A good time is assured to all. The Altar Girls' Society has a well-deserved reputation for arranging pleasing social events and the event on the evening of St. Catharines' Day is sure to be up to the usual high standard of pleasure and interest.

FOR SCENERY, NIPIGON IS THE GARDEN OF THE GODS

Writing from Nipigon last week, Mr. J. R. O'Neill, Conservative candidate in the last Provincial election, says:—"From the standpoint of scenery, this is the garden of the gods; while, of course, we are not yet familiar with the world-famous rainbow and speckled trout, we have deer and moose in abundance, and the birds are not foreign to our table. The pines, the bold, rugged promontories, the mad, rushing waters, combine to radiate an enchantment which even The Advance might have difficulty in setting to words. But the spirit predominating is the spirit of the North which holds its charm."

CALEDONIAN CHOIR HAS ROOM FOR MORE MEMBERS

After re-organizing for the season the Caledonian Choir had its first practice on Monday evening in the basement of the Presbyterian church. There were several different events on for the evening, thus preventing many from attending the opening meeting of the Choir. However, there was a large attendance and the Choir got away to a good start. Mr. D. Mackie, President of the Caledonian Society, was present and made a brief but timely address, welcoming all to the Choir for the season, congratulating them on the good work of the organization for the past season, and expressing the hope that this season would prove even more pleasing and successful. During the evening it was explained that the Caledonian Choir is expressly for Caledonians and their friends and thus is broad enough to include all singers. All are welcome. Any singers wishing to join the Choir should see Mr. Jas. Geils, the leader, or either Mr. A. J. Downie or Mr. Jas. Cowan, the other members of the committee. New music is being ordered, this including many specially attractive part songs. The Caledonian Choir, under the leadership of Mr. Geils, will be a feature of importance this winter, and any singers wishing the practice or training should get in touch with the committee. It is likely that the Concert will be given in February. Practices will be held once a week. Monday evening was unanimously selected as the next night of meeting. The Choir will meet in the church basement but it is expected to secure the use of a room in the Central Public School for the practices if this can be arranged.

IROQUOIS FALLS LED THE WAY IN THIS MATTER

In regard to an item regarding the change of date for holding municipal elections as appearing in last week's issue, The Advance has received the following note from Friend John Vanier, Mayor of Iroquois Falls:—
Iroquois Falls, Nov. 17, 1923.
Editor of The Porcupine Advance, Timmins, Ont.
Dear Sir:—I notice in your last issue an item where you state Timmins is taking the lead in the matter of holding their municipal elections one month earlier, thereby getting ahead of Cochrane. Let me put you right in this small matter.
The honour goes to Iroquois Falls, as our municipal elections were held one month earlier last year. Therefore we are one year ahead. Or is Timmins and Cochrane one year behind?
Thanking you, Mr. Editor, I am,
Yours truly,
John Vanier, Mayor.

Mayor Vanier is quite right as to Iroquois Falls leading in this matter. Honour them to whom honour is due. As the note itself shows, Iroquois Falls isn't letting anybody else get ahead of them in anything. That's right. It is the spirit of getting ahead, keeping ahead, and having a head, that has made Iroquois Falls the progressive town it is. Last year The Advance commented on the fact that Iroquois Falls had changed its municipal date, but in writing the paragraph last week the priority of the Falls in the matter was forgotten. The holding of municipal elections during the holiday season is not the best plan, and towns that change to a more convenient date will undoubtedly benefit.

LICENSES WILL BE GIVEN FOR EXPORT OF BULLION

(Continued from page 1)
export may be granted by the Minister of Finance. For some time the Government, through the mint has been purchasing the miners' gold at the standard price of \$20.67 per fine ounce, and has made payment, when this was desired, by cheques on New York, the Government having funds in New York against which such cheques could be drawn. This condition has now changed. There are no longer available funds in New York. If the Government is to provide funds in New York to make payment there for the gold it will have to purchase the New York funds for that purpose. This will mean that the Government will have to pay the exchange, which, it is estimated, on the average production of the gold mines, will cost the Dominion Treasury between four and five hundred thousand dollars a year. Naturally, the Minister shrinks from assuming this obligation.
"Whether, having regard to the general condition of the country, it is expedient to adhere to the embargo policy, is a large question," the statement concludes, and the Minister said that the Government would take time to consider it. In the meanwhile in cases arising licenses to export bullion will be granted to the mining companies.
Not only among mining men but among thoughtful people in every line of business and finance, the proposal of Hon. Mr. Fielding has been viewed as an unfortunate one for the industry and for the country generally. It has been pointed out by more than one that the original proposal simply meant the complete upsetting of the gold standard for the country. A well-known mining man sums up the question as follows:—
(1) As a result of the war, there is need of greater production of gold—to redress the depleted bullion reserves of the gold-standard nations of the world.
(2) The declining production of the world's greatest gold field—the Witwatersrand—accentuates this need and gives other gold-producing countries the opportunity to press their claims upon the attention of the capitalist.
(3) If the proposed embargo upon Canadian gold were at any time to become effective it would mean that the flow of capital to Canada would at once be diverted to some other field, for its effect would be that Canadian producers would have to accept a lesser price for their product than those of any other country.
(4) The corresponding advantage to other gold-producing countries needing further capital for their development would be enormous, as their agents would immediately set upon and make the most powerful argument that there was no restriction upon the export of gold, that gold produced in Australia, New Zealand, etc., etc., was free to be sold in New York or any other place where, for the time being, the best price was obtainable for it. The parlors of every finance house in Europe and America would ring with the reason why capital should not be invested in gold mining in Canada.
It is sincerely to be hoped that not only will the Dominion Government see its way clear to at least continue the present regulation, but better still return to the plan so successfully working out for some time past.

IROQUOIS FALLS MEN VISIT OWENS-ACME MONDAY

Messrs. P. F. Wootton and A. G. Laxton of Iroquois Falls, representing the syndicate stockholders from the Falls, visited the Owens-Acme property this week and made a thorough inspection and review. They were also more than pleased with what they saw and were convinced that the Owens-Acme is a property of great promise.

LOOKS LIKE A BIG POLICE COURT FOR THIS WEEK

Last week's police court was a comparatively easy one, but this Thursday it looks like a regular hum-dinger. In addition to some remnants, including one young man to be heard on a charge of forgery in connection with a cheque passed, there are a number of other cases, many of them of importance. Two men will face charges of illegally having liquor in other than their private dwelling houses. Eleven will answer to charges of gambling, the police having made a raid on a poolroom property while a game was in progress in a room in the building. There will be at least four drunk charges and other cases are also probable. In addition there will be a session of the Juvenile Court to deal with three boys accused of attempting to break into a local jewelry store.

FALLS BURGLAR SENT TO NORTH BAY JAIL LAST WEEK

A man answering to the name of R. E. Hamilton was found guilty last week of robbing the house of Mr. Joseph F. Smith at Iroquois Falls. He was sentenced to not less than six months and not more than eighteen months in North Bay jail.

MONETA TO DO EXTENSIVE DRILLING THIS WINTER

It is understood that the Moneta-Porcupine Mines is planning to spend around \$30,000.00 this winter for diamond drilling to test up the property which adjoins the Hollinger on the west. Moneta has money in the treasury and is also selling town lots to aid in financing.

PUBLIC AUCTION SATURDAY OF WESTERN LIVE CATTLE

Mr. W. G. Henry has brought from the West a number of young beef cattle, springers, heavy draught horses, delivery horses, etc. These are to be sold by public auction, with positively no reserve, on Saturday, Nov. 24th, commencing at 1 p.m. sharp. The sale is to be held at Mr. Geo. Moore's Sales Stables, Mattagami, and Mr. W. H. Warren will be the auctioneer. Terms cash, unless otherwise arranged. This would appear to be a good opportunity for anyone desiring either horses or cattle.

TISDALE TOWNSHIP FORMS RATEPAYERS' ASSOCIATION

An association known as "The Tisdale Ratepayers' Association," has recently been organized by South Porcupine and Dome citizens. This association is apparently out to help the authorities, not to criticize, and already have shown a commendable spirit of co-operation in regard to assisting in the furtherance of the proposed waterworks system for Tisdale. The Association is also planning to provide a rink and a library for South Porcupine.

NORTH LAND MEN ON ONTARIO BOARD OF TRADE EXECUTIVE

The Associated Boards of Trade met at Hamilton last week and was attended by representatives of the Boards of Trade from all over the Province. A large number of important questions were discussed, and resolutions passed in regard to such matters as immigration, forest protection, etc. At the annual election of officers for the Associated Boards of Trade for Ontario, Mr. F. K. Edgett, of Iroquois Falls, and Mr. A. Stevens, of Cochrane, were elected to the Executive.

PARK AND COMMUNITY BUILDING NEEDED HERE

As The Advance has pointed out on more than one occasion in the past, there are two outstanding needs that face this town. It may be unpopular to press these needs because of the fact that large expenditures may be necessary to fill these wants. With the objection to taxes that always evidences itself at this time of year, this may seem a particularly inopportune moment for advocating further expenditures. But the need is so evident that at least the people should be considering the matter so as to devise ways and means to meet the needs.
Timmins should have a park, and Timmins should have some general form of community building. The longer the park problem is deferred the more difficult and expensive it will appear. It does not appear fitting for a town so progressive otherwise to lack for a park. The only bit of breathing spot for the people is the athletic grounds. For that spot, useful and helpful in its way, the Hollinger, and not the Town is to be thanked. The Board of Trade would do well to centre on this question of a park.
The need of a community building—an institution that would provide the advantages of baths, gymnasium, library, rest and recreation rooms, proper meeting places for various organizations,—has been very apparent here for years.
There are various organizations and activities doing excellent work to provide some of the need, but there is nothing of the general type of a community centre. The town lacks even a Y.M.C.A., though the proportion of young men here is so great. It would be well for the citizens to consider the question of a community building to meet the needs. Such a plan was started here some years ago, but some men who have long since left the Camp, appeared to be instrumental in sidetracking it. It would be a good idea to get this community building idea back on the main track of consideration.

FALLS TO PLAY WITH THE SUDBURY-SAULT GROUP

(Continued from Page 1)
cussed from all possible angles, the Southern representatives being particularly frank about the matter. The only basis on which the Falls outfit could play in the Senior Series was by playing a double schedule with the Southern teams; Sudbury and the Soo playing two games each on their trip North. This will give four home games for each team.
After several other deadlocks had been overcome, the Falls representatives fought for and were successful in having inserted in the agreement a clause permitting the playing of home and home games between the winners and runners up for the right to go in search of the Allan Cup. After four hours the Committee decided to report to the Convention that they had reached an agreement on everything but one point, involving a question of mileage fees. This point was discussed in open session, and still a deadlock ensued. This point was finally left for decision by the incoming executive. W. J. Edwards for the Soo, Percy Morrison for Sudbury and Scoop Thistlewaite for the Falls presented to the convention their side of the case relating to this one disputed point so that a decision could be handed down.

The amendment regarding the Intermediate and Senior play-off was then taken up and after some discussion was voted down.
The question of professional coaches was again taken up, the meeting being of opinion that the change in rule relating to this question, placed on the books by last year's executive, should have been taken up at the annual meeting, in view of its far-reaching effect, and not changed by the executive. After discussion by J. Edwards moved, seconded by J. Patterson that the Convention recommend to the incoming executive that this rule be changed back to its original form, which would mean that the N.O.H.A. professional coaches would be permitted in the Penalty Box in all series.
The Election of Officers resulted in the following appointments for 1924-1924:
President—Col. Brodie, Sudbury.
Past President—A. D. Campbell, Cobalt.
Vice-President—F. E. Thompson, New Liskeard.
Secretary—H. P. Charlton, North Bay.
On Executive—G. W. Turk, Iroquois Falls.

The newly elected officers briefly expressed their thanks and requested support for the new season and the meeting adjourned.

The annual banquet was held in the evening in the Rotary Club Room, over Hughes' Restaurant. Official welcome was given to the delegates by Mayor McDonald, of North Bay. There were addresses, social intercourse and the other pleasures of a banquet, the whole evening giving evidence of the harmony in hockey circles and the confidence felt that the coming season would be a pleasant and successful one in the N.O.H.A.

In preparation for the Senior Series, it is quite possible that the "Eskimos" of Iroquois Falls will play home and home games with their ancient rivals from the Gold Camp, which should put them right in edge for the opening of the Senior Schedule.

BAZAAR BY DAUGHTERS OF THE EMPIRE, DEC. 1ST

A Grand Bazaar is announced under the auspices of the Daughters of the Empire, to be held in the Masonic Hall, Timmins, on Saturday, December 1st. The event will be especially attractive in every way. Games, contests with pleasing prizes will be among the specialties. There will be the regular line of booths, fancy work, home cooking, candy, etc., etc., and in addition several novelties will add to the interest. Tea will be served. There will be a good orchestra in attendance. The L.O.D.E. are working to make the event a particularly noteworthy one.

KIWANIS ORGANIZED IN TOWN OF TIMMINS

Wednesday evening organization of a Kiwanis Club was completed for Timmins. The following officers were elected:—
President—Mr. L. G. Neville.
Vice-President—Dr. J. A. McInnis.
Secretary—Mr. Leng.
Treasurer—Mr. J. P. Taillon.
Directors—Messrs. D. Ostrander, Fire Chief A. Borland, E. J. Meyers, J. K. Moore and Rev. Fr. Theriault.
Mr. H. J. Laidlaw was appointed District Representative.
Mr. P. Dougal acted as secretary pro-tem. for the organization meeting.
