**MUSIC HEARD HERE FROM
SCOTLAND BY THE RADIO**

Sandy Falls Radio Expert Listens In to Programme from Glasgow. Music Clearly Heard.

In an interview last week at Toronto Mr. Hugh F. Marriott, who was here recently in connection with the establishment of an Empire Council of Mining and Metallurgy, took occasion to refer to the wonderful possibilities of radio. "Within less than two years' time," said Mr. Marriott, "it should be practicable to talk around the world by radio telephony." As a striking confirmation of Mr. Marriott's faith in the radio, it may be noted that a radio broadcast of music from Glasgow, Scotland, was heard by Radio Station W.N.T., located at Sandy Falls, near Timmins, on the night of Nov. 25th. The reception was strong and clear, and the programme from Glasgow, Scotland, was thus heard plainly and effectively in the Porcupine. Mr. M. J. Cavaney, who conducts the radio station at Sandy Falls, is one of the pioneers of radio in this North Land. He has had striking success in the work almost since the inception of the invention or discovery. At the station built and operated by Mr. Cavaney messages have been received from the most distant points on this continent and beyond. On more than one occasion the station has "listened in" on European messages and on despatches from South America. The programme broadcast last week from Glasgow, Scotland, was heard with unusual clearness and the whole programme reached the Sandy Falls station as distinctly as programmes from stations in the nearer sections of this continent. With the full programme from Glasgow so clearly heard here it is certain that Mr. Cavaney will now make still further progress in "listening in" on the wide, wide world.

**BAZAAR ON SATURDAY IN

Guessing contests with attractive prizes will be features of the event and there will be many other pleasing novelties. Fancy work, home cooking, candy and other booths will be in evidence. A good orchestra will be present to furnish music for the occasion, and tea will be served. The event promises to be a most attractive one.

**PROGRAMME OF MEETINGS
OF A.S.D. CLUB NEXT MONTH**

The Hard Times Dance held by the A.S.D. Club on Wednesday evening last, in the I.O.O.F. Hall here, was one of the most enjoyable events yet held by the Club. There was a good crowd present, and all enjoyed themselves. Music for the dancing was provided by Messrs. Wolno, Whaley, Torrance and Macdonald. As Specials there were three feature dances, a Stock Market Dance, Lucky Number and Block Dance, prizes being awarded in the last two. Miss Lee and Mr. C. Current winning the Lucky Number Prize, and Mrs. Weston and Mr. Wolno winning the Block Dance. Refreshments were served by the young lady members of the Club, and these as usual were up to A.S.D. standard.

In the absence of the president, Mr. R. Hoggarth, the Vice-President, Mr. G. S. Drew occupied the chair. The minutes of the Executive Meeting of the Society held on Sunday were read, the following items being brought to the attention of the Club. The Advisory Committee was enlarged by two members, Mrs. G. S. Drew and Miss Mary Boyd being elected by the Committee. A schedule for the rest of the month was drawn up, consisting of the following:—Nov. 28th, Cards and Dancing; Dec. 5th, Bridge and Five Hundred; Dec. 12th, Cards and Dancing; Dec. 19th, Men's Night, when the entire evening's entertainment will be arranged and conducted by the male members of the Executive Committee. A by-law making it necessary for all future applications to be accompanied by the admission fee was pressed by the Committee. Another by-law was passed making the penalty for failure of any lady member to bring lunch on two successive occasions, loss of membership in the Club. It was announced that the next meeting of the Executive Committee would be held on Sunday, Dec. 2nd, in the offices of Arthur E. Moysey & Co.

The meeting this (Wednesday) evening as noted above will be the usual cards and dancing, and all members are requested to be present at nine sharp.

If you become disabled
what about your
Life Insurance?

"I HAVE always hesitated about increasing my life insurance because of the responsibility I would have to assume for the premiums," said a man who typifies a considerable class. "I always pictured myself in some situation, perhaps disabled through an accident, where I might be unable to pay the premiums."

But you may now insure against this possibility of future inability to pay your premiums. For a small additional charge the Mutual Life of Canada will issue your policy subject to a clause which provides that in case of total and permanent disability the Company will waive further premiums.

That is not all. Upon approval of proofs of disability, the Company will not only waive future premiums, but will pay \$10 a month per \$1,000 of assurance, so long as total disability continues.

And further, if the policyholder should die by accident the Company will pay double the amount of life insurance named in the policy. These new clauses are optional in all old or new Mutual policies if assured be over 15 or under 55 years of age.
