SALE STARTS WEDNESDAY, NOVEMBER 28th AT

# S. Bucovetsky's Stores

GORDON BLOCK, PINE ST.

TIMMINS

29 THIRD AVENUE

### Timmins and District Notes

Mr. B. Bernard, of Montreal, was a business visitor to town last week.

Mr. A. E. Cain, of Haileybury, spent the week-end in town the guest of Mr. S. A. Calbick.

His hosts of friends in the Camp are pleased to see Mr. Carl Mueller recovered from his recent attack of typhoid fever.

The local Salvation Army expects a visit tomorrow (Thursday) night from Ensign Herbert Porter, Territorial Life Saving Scout Organizer.

Christmas Greeting Cards for Overseas. See J. T. Heffernan & Co.'s Large Display, Gordon Block, Timmins.

The Timmins Business College Athletic Club are giving a Dance in the Masonic Hall on Thursday (tomorrow) evening. Wolno's Orchestra will furnish the music for the occasion.

Mr. J. J. Johnson went to Toronto last week to take some children left fatherless here to the care of the L.O.L. Orphanage where the youngsters will have the best of attention and a good chance in life for education, care and training.

Two O.T.A. special agents last week at Cobalt were responsible for cases that resulted in fines that totalled \$2,400.00. There were three fined \$500.00 and costs each, and three assessed \$300.00 and costs each. Four of the six were women. Two of those getting \$500.00 fines are said to intend to appeal their cases, but the others did not fight the cases and paid without objection.

Official notice was received last week by the Crown Attorney that the criminal negligence charge against J. H. Dwyer, despatcher at North Bay at the time of the fatal wreck at Dane last August, had been withdrawn by the Attorney-General's Department. The previous week word to this effect had been received by Mr. Dwyer's counsel, but it was not officially confirmed until last week. At the inquest held in connection with the wreck, the operator at Englehart admitted that he had failed to give an order to one of the trains, and this failure was regarded as the cause of the wreck. This operator is said to be now in the United States.

Writing to The Toronto Globe last week a Matheson man signing himself "A Hunter for Thirty Years," suggests that a law be enacted placing a ten-year prison term on anyone shooting another person in mistake for a deer or other animal, and that reference to this special law be placed on all hunting licenses sold. "Any hunter who sees an object at a distance and can't resist shooting at it has no right to be in the bush with a rifle," says the letter. While the writer of the letter is no doubt quite correct as to the lack of any necessity for accidents of the type referred to, he makes the rather common mistake of thinking that another law will remedy the matter. There are enough laws now on the books. There is no reason why a hunter shooting a man by mistake should have a special law for his advantage. If he shows carelessness he should pay the penalty. The idea of warning hunters when licenses are purchased is a particularly good one, however. Prevention is better than punishment.

Chief of Police Dick Smith has resigned at Iroquois Falls and returned this week to South Porcupine.

Christmas Greeting Cards for Overseas. See J. T. Heffernan & Co.'s Large Display, Gordon Block, Timmins.

Mr. J. Vanier was re-elected Mayor of Iroquois Falls by acclamation on Monday. There were nine men nominated for Councillors for the Falls.

Mr. H. G. Piekard was last week elected President and G. J. Gibbons the secretary-treasurer of the Haileybury Curling Club.

Mr. Wm. Wallace, of Toronto, Inspector from the Head Office of the Confederation Life Insurance Co., is a business visitor to the Camp this week.

Mr. R. Richardson, of Haileybury, spent the week-end at the home of his brother, Mr. W. F. Richardson, who has been confined to his bed for the past few weeks.

Wolves in the area east of the Sault are attacking stock and killing deer. Residents of the area are considering an organized drive to rid the country of the pests.

Mr. and Mrs. Jos. Tario, of Schumacher, announce the engagement of their eldest daughter, Violet P., to Wilson A. Boyce, second eldest son of Mrs. John Boyce, of Ottawa, the marriage to take place the latter part of December.

Mr. Hamilton B. Wills, President of the Vapond Consolidated, and well-known in the North Land as a mining financier, is reported as making satisfactory recovery from his recent serious illness.

At the annual meeting of the Haileybury Children's Aid Society last week Mrs. G. H. Rochester was elected President and Mrs. N. J. McAnlay, secretary. The Haileybury branch closed the year with a balance of \$50 on hand.

Mr. Elmore, Field Representative for the Kiwanis Club, who has been in Timmins for some weeks past, was recently a visitor to Cobalt where it is suggested that a Kiwanis Club be established. Timmins has organized a Kiwanis Club and New Liskeard is working along the same line.

A mining plant is being installed on the Gardiner-Guibord Mines property east of Matheson. The plant has a capacity for 500 feet depth. Mr. R. S. Potter is one of the principals in control of the property, which is showing unusual high-grade ore from the work so far.

Mr. and Mrs. A. Brazeau and family left last week to take up residence in Ottawa, Mr. Brazeau, however, to spend most of his time in this district in connection with his plumbing business. Mr. Brazeau returned here at the week-end after seeing the family settled in their new home. There will be general regret at the removal of the family from town where they were held in the highest esteem and where they have innumerable friends. All will be pleased, however, to know that they will be frequent visitors here, and that Mr. Brazeau will continue to be practically a resident in town in connection with the extensive business in the district.

Born—In Timmins, on Tuesday, Nov. 27th, to Dr. R. H. and Mrs. Brown,—a daughter.

The Euchre on Sunday evening under the auspices of the Altar Girls' Society proved a pleasing and successful event in every way. The attendance was large and the evening much enjoyed.

The Ladies' Aid of the Schumacher Union Church added to its laurels by the Hot Turkey Supper event last Wednesday evening in the McIntyre Hall. Everything about the event was up to the high standards always set by the Schumacher people, and the event was thoroughly enjoyed and appreciated.

Mr. A. Saint, now of Toronto, formerly on the express staff at Timmins, is spending a few days renewing acquaintances here. Everybody here is pleased to see "S'm" again. He is still with the express company, having a run out from Toronto at present.

Among the early calendars received for 1924 is a beautiful art calendar sent with the compliments of Mr. A. H. Cederberg, architect and engineer, Timmins, Ont. This calendar is an attractive reproduction in colours of a river-side scene, a charming young peasant woman being depicted at the stream to secure a supply of water. The calendar is in a fancy box, and will no doubt be much appreciated by all receiving a copy.

J. H. Dwyer, T. & N.O. despatcher at North Bay, who was relieved of his duties at the time of the fatal wreck at Dane, has been re-instated by the T. & N.O. Commission. There will be general approval of the re-instatement as it is the general opinion that the despatcher was not responsible for the sad accident. Relieving Operator Gillicie who was on duty at Englehart at the time of the accident, admitted at the inquest that the fact that he had mislaid an order was responsible for the wreck.

#### IN AID OF PROPOSED NEW RINK AT SOUTH PORCUPINE

A Euchre, Dance and Box Social is announced to be given by the ladies of the Tisdale Ratepayers' Association, in aid of the Rink, at the L.O.O. F. Hall, South Porcupine, on Tuesday evening, Dec. 11th, commencing at 8 p.m. There will be good music, good prizes, good eats and a general jolly good time.

#### FUNERAL OF AURORE LEGAULT TOMORROW

There will be sincere sympathy extended to Mr. and Mrs. Hermas Legault, 78 Spruce street, in the death last night of their little daughter, Aurore, aged 8 years and four months. Death was due to meningitis. The funeral will take place from the family residence at 10 o'clock tomorrow (Thursday) to the R.C. Church and cemetery.

#### THREE BOYS PLACED ON PAROLE LAST THURSDAY

At the Juvenile Court last Thursday, Magistrate Atkinson dealt with the three boys who had attempted some nights previously to enter Halperin's jewelry store. The Magistrate gave the lads good advice and warning as to final results of their wayward course. On receiving the assurance of the lads that hereafter they would try to be real good fellows, instead of a nuisance to all concerned, the Magistrate placed them on parole for the present.

### ALL VOTERS SHOULD CAST THEIR BALLOTS MONDAY

If the Voters Do Their Part a Good Council Will be Elected. Polling Places, Etc.

The one danger of unsuitable persons securing places on the municipal Council Board will arise from neglect of the voters in general to turn out and exercise their franchise. In past elections only a small proportion of the vote has turned out. With a complete turnout of the electors on Monday the real will and wish of the people would be shown. There is really no issue in the election. It is simply a case of selecting the most suitable men. The agitation carried on by a number of persons with axes to grind has brought out no issues. The tall stories peddled round were knocked into a cocked hat at the recent public meeting. The alleged leaders could not bring forward in public a single issue that would bear discussion. "We have no fault to find with the present Council," was the expression of more than one of these self-appointed leaders when they knew that anything they stated would be challenged and they would need facts and sense to back their words. The campaign of rumor and whisperings should be disregarded. The agitators failed to make a case when they had the public opportunity. In public they retracted practically all their peddled goods. New issues that they may feature at the last minute are likely to have no more value than the previous ones that were recanted.

The voting for Councillors and Public School Trustees on Monday will be at the following places:—

Voters whose surnames begin with the letters A. to F. inclusive, at the Finlander Hall, Fourth Avenue. G. to M., at the Town Hall. N. to Z., at the Jewish Synagogue, Cedar street.

Six councillors are to be elected. Ballots marked for more than six will be spoiled and the votes accordingly lost.

Only three Public School Trustees are to be elected.

Only those on the Revised Voters' List, who are British subjects and of the full age of 21 years, are entitled to vote.

### CLIFTON-PORCUPINE CO. EXAMINE ST. ANTHONY MINE

The Clifton Porcupine Company is making an examination of the St. Anthony Mine in the Rainy River District. This is part of a plan to secure additional favorable territory in the Mining fields of Northern Ontario. Rich ore is known to exist on the St. Anthony Mine, and the ques-

tion which Clifton Porcupine is endeavoring to determine is the consistency of mineralization. Clifton Porcupine also has other property under consideration.

The Kiwanis Club, recently organized here, had a dinner Tuesday of this week, one of the features of the occasion being an inspiring address by Rev. J. D. Parks.
