**McINTYRE MAINTAINS LEAD IN MINES HOCKEY**

**Timmins Loses to McIntyre Friday Night. Hollinger Wins From Dome 12 to 2.**

McIntyre maintained their lead in the Mines League in a game here last Friday evening, when they defeated the Town of Timmins to the tune of four goals to two, in a game which was anybody's until the last two minutes of play. Immediately after the first game, Russ Fraser's Hollinger sextette were victors over the Dome Mines team to the tune of 12 to 2. This game was not as good as the first, it being a foregone conclusion that the Holly sextette would score over the Dome, the team from South End being the league tail-enders. Mr. H. Lillie refereed the second game, and Mr. Elliott refereed the first.

In the McIntyre versus Timmins game, the line-up of the teams were—

McIntyre	Position	Timmins
McIntyre	goal	Hoggarth
Briden, D.	defence	Lillie
Snyder		Roach
Duval	centre	Burns
Kelly	forwards	Campbell
Parker		Desormeaux
Jones	spares	White
W. Briden		Portelance
Lawrence		Gervais

Referee—Mr. Elliott, Timmins.  
Goal Umpires—K. Eyre and H. Ling.

Timekeepers—Solomon and Smith.  
Penalties—Riddell and Parker.

The first period was very fast, Burns scoring the first goal three minutes from the face-off, six minutes later Duval evened the score from a close-in shot, which Hoggarth had no chance against. Three penalties were handed out during this period. Patsy Parker and Doug. Briden and Desormeaux took a trip to the box for a rest. The McIntyre team during this period never subbed, keeping this record up for the whole game.

The second period opened with Doug. Briden and Lillie taking a trip to the cooler, for mixing it. Roach took the puck down, and shot so hard that McIntyre's stick flew out of his hand. Campbell tried one right after. Parker tried a shot on Hoggarth, but Bobby saved. One minute from the face-off Roach, on a piece of the nicest stick handling of the evening, put the Timmins team ahead when he sent one in which McIntyre could not stop. The play swung to the Timmins end, until Lillie went down, losing at the McIntyre defence. Kelly sent a hot one in at Hoggarth, Bobby catching the puck in his pads. Parker went to the box when he cross-checked Lillie. A humorous incident happened at this time, when Duval who was off-side held his stick for a few seconds in front of the puck, with Burns waiting to get a chance to sneak the puck from under his nose. The checking was closer. Roach went to the cooler when he tripped Duval, when the fast McIntyre centre man was going through with what looked like a sure goal. It was good work on Charlie's part. Shortly after, Duval scored on an off-side pass from Kelly, again evening the score. Desormeaux and Duval went off when they mixed it. Patsy Parker was doing a lot of loafing during this part of the period.

**Whose Fault If the Child is Delicate?**

The success of your child's future is largely dependent upon its present health. The time to watch its health is while it is young—during the growing age. Give a boy or girl health as a foundation and their future is fairly well assured. Isn't delicate health in children sometimes the result of unintentional neglect? Parents often dismiss these troubles with the remark, "They will be all right tomorrow." Drowsiness, weakness, lack of energy, loss of appetite, inability to study and concentrate, etc., in children are due to ill-health. Usually what the child, boy or girl, needs is a tonic. Carnol has worked wonders as a tonic with children. Read what Carnol did for Mrs. Ida Waite's little girl:

"I am very glad to be able to speak to any parent and explain to them that my little girl has been completely restored to health by the use of Carnol. She has been from infancy a weak, delicate child and very nervous, but the use of Carnol has not only completely strengthened her, but restored her to perfect health. I recommend Carnol to all mothers whenever a safe and effective tonic is needed."—Mrs. Ida Waite, 5 Summit Street, Halifax. 16-9  
Carnol is sold by all good druggists everywhere.

Campbell went to the box for hooking. Right after, Parker took the puck from Snyder, though he was ten feet off-side, and put the Schumacher team in the lead.

The third opened with Kelly doing some off-side loafing, and spoiling some good plays. Burns was sent to the box, when he gave Duval a clean check. Shortly after McIntyre did the most spectacular bit of goaltending of the season, when he beat Burns and Campbell for a close-in shot. Mac deserves all credit for this clever save. Duval sent in the McIntyre's fourth goal, when he took Snyder's pass, and left Hoggarth still looking for the puck. This was a nice goal. Parker went to the box when he slashed Burns. This practically ended the game, Parker just returning to the ice when the gong rang.

Clubs desiring to have their scores broadcasted are asked to telegraph them to the Westinghouse Station, immediately after the game.

**ENJOYABLE EVENING AT THE A.S.D. CLUB MEETING**

Ladies' Night at the A.S.D. Club last Wednesday evening, proved what everyone expected it would be,—a very successful evening. There was a good attendance of members of the Club present, and a few visitors, and all enjoyed themselves. A feature of the evening was the serving of a special luncheon consisting of "hot-dogs" and home-made candy with coffee. A few novelty dances were also held, a Lucky Number Dance, was won by Miss Morrison, a Peanut Dance, with Mr. Ernie Fortin's musical voice singing the peanut song, and Mr. Norman Leaman trying out his marksmanship, hitting the dancing couples with bags of peanuts. A Leap Year Dance was another feature.

In taking the chair for the business portion of the meeting, Mr. Robt Hoggarth expressed the thanks of the Club to the ladies for the evening put on, especially to Misses Boyd, McIntosh and Stevenson, who worked hard to make the evening the success it was. The last chance to hand in names for invitations to the dance, to be held this Friday evening in the Masonic Hall, was taken advantage of, by quite a number of the members. The Executive Committee of the Club met on Sunday afternoon, to decide the final arrangements for the dance.

Mr. Thos. G. Blair, of Montreal, was a visitor here last week.

**The Mutual Life of Canada (Operated Solely For Its Policyholders) Makes A Notable Record**

**Again Achieved Remarkable Surplus Earnings of Over \$3,000,000**

THE Directors presented a report to the policyholders at the Annual Meeting on February 7th, which was one of the most gratifying submitted during the past fifty-four years of its history. The following are the most salient features—

- The Assurances in force now total..... \$269,982,566
- A net increase of \$23,495,912 over the previous year.
- The new business written amounted to..... 39,040,578
- An increase over 1922 of..... 4,583,330
- The assets have accumulated to..... 59,727,388
- An increase over the previous year of..... 6,121,757
- During the year there was paid to Policyholders and their Beneficiaries..... 5,369,743
- The invested assets earned the high average rate of interest of 6.55%.
- The death claims were only 39.26% of the expected mortality according to the standard mortality tables.
- Careful and economic management is again indicated by the circumstance that only 16.15% of the total year's income was required to meet all expenses of administration.
- The net result of the various transactions, which are briefly summarized above, is shown in the

**Surplus Earnings of \$3,012,806.99**

This magnificent amount further strengthened the Company's impregnable financial position, increasing the provision against possible depreciation of securities and for mortality fluctuation and other contingencies, besides enabling the payment of

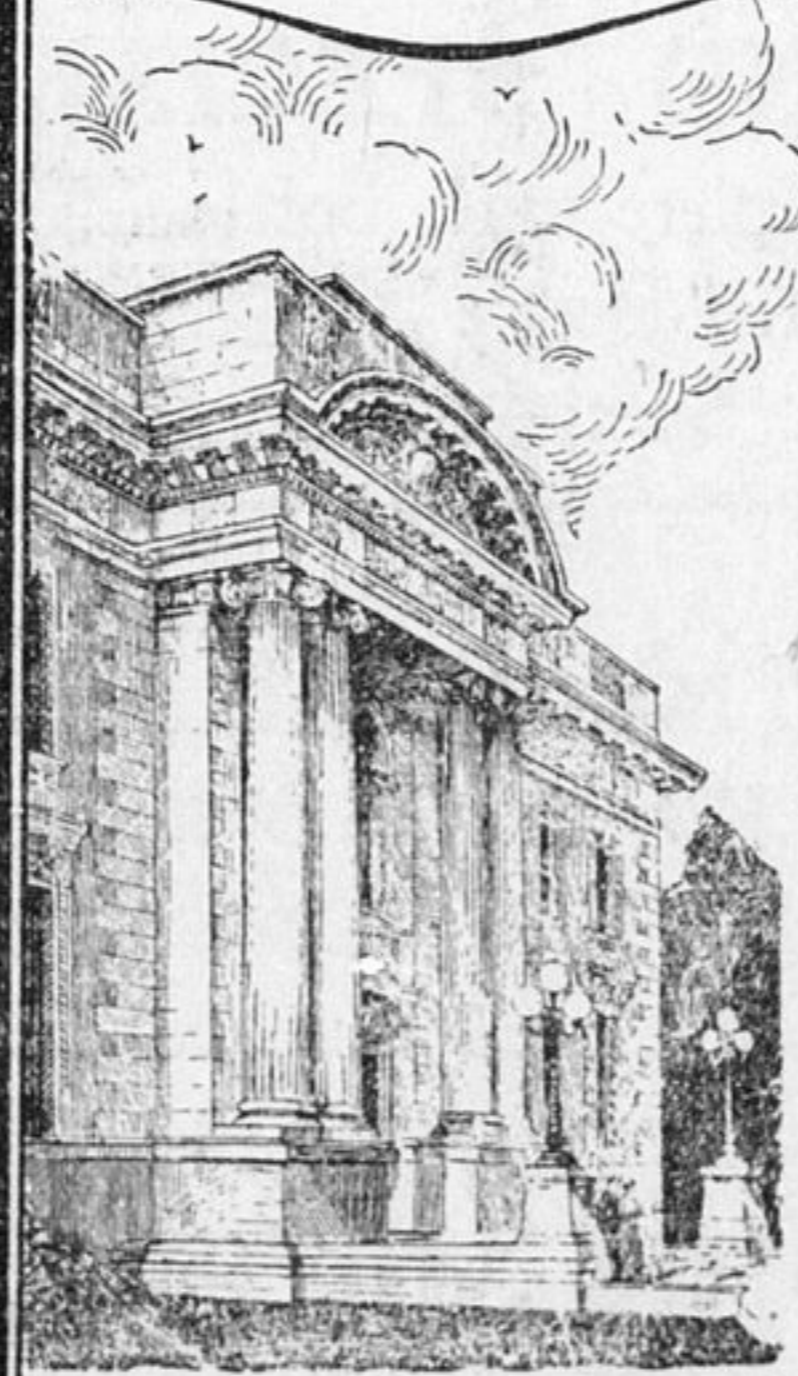

**Increased Dividends to Policyholders**

The past year has been one of grave anxiety in financial circles owing to economic conditions, and there has been a pessimistic note sounded in some quarters. But this pessimism has not been reflected in the experience of The Mutual Life of Canada. It is natural that in times of financial stress the people should look more carefully than ever to their expenditures and give first consideration to the absolute security and protection of life insurance as afforded by

**Our Company's Sound Progress**

"Accordingly, though doubtless pleased, we are not surprised by a showing of over thirty-nine millions of new business, by a net increase in the total business in force of nearly twenty-three and a half millions, and by our magnificent surplus earnings of more than three millions of dollars."—  
From President Cronyn's address.

"Our holdings of bonds and debentures have a present value of slightly over a million dollars above the figures at which they are carried in the books of the Company."—  
From President Cronyn's address.
