

Timmins and District Notes

Mr. Wallace Edmonds was a visitor to Haileybury last week.

All members of the Ladies' Orange Benevolent Association are requested to attend a joint meeting with Timmins L.O.L., 2552, on Monday evening, Feb. 25th, at 8 p.m., the meeting to be held in the basement of St. Matthew's church.

"What about the Public Library?" queries a reader of The Advance, suggesting that it is a good thing to keep the matter before public notice. The Advance has been doing that same for some three or four or six years past.

In the list of candidates for Carnival Queen as published last week the name of Miss Muriel Carswell was inadvertently omitted. Miss Carswell was duly nominated and will no doubt make a good run, many friends being at work in her behalf already.

Through mistaking the date many were disappointed Sunday evening in regard to the Band Concert. A crowd turned out for the event Sunday evening, only to find that the Concert was scheduled for next Sunday evening, Feb. 24th. This date was announced last week in The Advance, but apparently some noted only that it was Sunday evening and failed to note the qualifying "Feb. 24th" following. However, those who were disappointed Sunday evening can be recompensed by turning out on Sunday, Feb. 24th to the Band Concert, a particularly good programme having been prepared for the event.

Mr. H. A. Proctor left on Saturday on a business trip to New York.

Dr. Scott, of New Liskeard, was a week-end visitor to Timmins.

Next regular meeting of Town Council, Monday, Feb. 25th, commencing at 4 p.m.

The Timmins Male Chorus will have a "Social Evening" in the Hollinger Recreation Hall on Saturday evening of this week.

Band Concert, after the church services Sunday evening, Feb. 24th, in the New Empire Theatre. Specially good programme of instrumental and vocal music, etc.

Mr. Frank Byck believes in keeping strictly up-to-date in his store equipment. He has just installed a Vaughan Sanitary Electric Meat Cutter—the latest improvement in the meat industry. This is something specially new and good, and is the first of its type to be installed in the North Land.

The Board of Managers of the Union Church, Schumacher, were very pleasantly entertained at the Newray one evening last week. Mr. Reddington delighted the guests with his selections on the radio, and Mr. and Mrs. W. P. Olton added to the evening's enjoyment by the pleasing luncheon served. The evening proved throughout a most enjoyable one.

According to present prospects Cobalt is going ahead with the plans for a big Old Boys' Re-Union at the Silver Town this summer, to celebrate the twentieth anniversary of the establishment of the town. Recently there has been some talk of the celebration being dropped, on account of the apparent indifference of many, but this indifference is now explained as more apparent than real, and the celebration is to be prepared for with the old-time Cobalt enthusiasm.

Capt. Dondera, of Montreal, recently returned from a month spent in Northern Ontario, where he had shot two big timber wolves and a brush wolf. He says positively that wolves will not attack human beings, being too cowardly. He mentions their trick of following men in the bush, but points out that they keep well behind and usually well out of sight. In these opinions Capt. Dondera is in line with practically all old-time bush men.

TRAIL RANGERS BANQUET FEATURED BY GOOD SONGS

The Trail Rangers had a very successful and pleasing banquet in the basement of the Presbyterian church on Monday evening of last week. It was a "Father and Son" banquet, many adults being present and all being well pleased with the fine way the boys conducted their part of the event. The fine array of good things to eat was enjoyed by all, and the programme for the occasion also included attractive musical numbers and capable speeches by the boys and the adults present in response to the toast list. The songs by the boys in chorus were a feature of the occasion. Mr. R. R. Johnston assisted in the musical part of the programme and the effects of his good leadership and tuition were apparent in the excellent chorus work. The programme included: Grace; songs, toast, "Our Country," proposed by Keith Stirling, responded to by Dr. Honey; "Our Schools," proposed by Roy Hardy, responded to by Mr. Day and Mr. Treleven; "Church," proposed by W. Drew, responded to by Rev. J. D. Parks; reading, by R. Hardy; "Home," proposed by Raymond Raycroft, responded to by Mr. E. Warneok; reading, by C. Slater; "Dad," proposed by E. Trofford, responded to by Dr. A. S. Porter. Reference was made to the matter of finances, and

it was decided to have Honorary Membership tickets to assist in raising the money required to finance. On motion of Keith Stirling a hearty vote of thanks was passed to all who had helped to make the event so successful. A very pleasing event was concluded by the singing of "God Save the King," the gathering dispersing after a rousing rendition of the Trail Rangers' "yell."

Dr. W. J. Butler, one of Canada's foremost Eye Specialists and a Graduate of Quebec Ophthalmic College and American College of Optics, Detroit, Mich., also a Licentiate of Quebec and Ontario, will be at Meyer's Drug Store next Monday, Tuesday and Wednesday, Feb. 25th, 26th and 27th.

Mr. Hugh Park, resident manager under the late Mr. R. B. Watson, has been appointed manager of the Nipissing in succession to the late Mr. Watson. Mr. Park is very popular and held in the highest regard and confidence, and the appointment is accordingly very favourably received.
