work upon, but they built up a straight case that could not be converted. They intend to have things so that all criminals will feel that no matter how quietly or cutely they may work they will be sure of being caught after all.

The solitary drunk at Thursday's court paid the usual ten and costs. Jake Moreland, on a charge of procuring, was sentenced by Magistrate Atkinson to two years in Kingston penitentiary.

The man up for not having a tail light on his auto explained that the equipment had broken on the road and he was simply taking it to be fixed. The case was dismissed.

The case of A. Bersheh charged with obstructing traffic by having a low awning over the sidewalk was remanded to this week.

For unloading wood on the sidewalk Jos. Hudon was fined \$4.00 and costs.

Two women, on charges of immoral living, were remanded for a week.

Marcel Riard, on a charge of renting a house for the purposes of prostitution, was remanded for a week, being granted bail of \$1,000.00.

Mary Krubley, the woman brought back from Cobalt to answer to a charge of theft, explained that the money she was accused of taking had been voluntarily given to her by the man, who laid the charge. The case against the woman was dismissed.

Pete Clement, accused of illegally taking timber, was remanded to this week.

Officer Bennett, of Schumacher, had charges against two or three automobile drivers for running cars without the current year's markers. The cases were remanded for a week.

COBALT JUNIORS WIN THE SECOND GAME AT COBALT

(Continued from Page One) ups, Hylands and Lemon doing the trick.

At the outset of play it appeared as though Cobalt would have a walk-over. They started by checking Timmins so closely that, for the first few minutes, the play was all in Levine's neighborhood and when they ran in a couple of goals through the efforts of Southall and Lemon the impression of a rout was strengthened.

Weakness in front of the nets, probably due to lack of experience, lost several chances for the visitors, and Cobalt also erred somewhat in this respect. Lemon retains the bad habit of skating in front of his own goal, and he would be lucky to get away with it against a stronger team.

The defence spent a strenuous evening and the forwards were held in check most of the time, although occasionally an individual dash would be uncoiled.

Interest here now centres in the chances of Cobalt against the much-advertised North Bay outfit. Reports from the railway town give glowing accounts of the prowess of the team and it is confidently expected there that North Bay will have the privilege of disposing of the O.H.A. winners.

TWO MEN SENTENCED FOR ROBBERY AT GRAY'S STORE

Neil Bell and Earl Carroll were each sentenced to not less than three months nor more than one year, at police court last Thursday, on the charge of robbing Gray's Drug Store recently, about half a gallon of alcohol and a box of toilet soap being the chief goods taken.

The defence spent a strenuous evening and the forwards were held in check most of the time, although occasionally an individual dash would be uncoiled.

Monday's teams were: Cobalt—Barry, goal; Southall, Bennett, defence; Lemon, Hylands, Hughes, forwards; Munroe and Valentine, subs.

Timmins—Levine, goal; Fell, Morash, defence; Desormeaux, Charlebois, Briden, forwards; Hackett and Sampson, subs.

Referee—O. C. Frood, New Liskeard.

The next regular meeting of the Town Council is scheduled for Monday afternoon, March 10th, commencing at 4 p.m.
