Here's the Secret of Health

Do you know why you catch cold, why you have chronic dyspepsia, why you have headaches, why you can't sleep, why you are weak, nervous or depressed? It's because your system is run down. When the system is run down every organ becomes more or less affected. If any one organ is weaker than another, it is the first to succumb. For instance, if you have a weak stomach dyspepsia results—if you are subject to headaches they become more frequent and so on. No matter what your trouble, the first thing to do is to build up and nourish your system by feeding your nerves and enriching your blood. When you do this every organ in the body is strengthened. Carnol accomplishes this. Carnol is a blood-builder, a nerve invigorator, a stimulating and nourishing food, a flesh builder. Mr. Hill, the prescription specialist of New Westminster, B.C., has such faith in Carnol that he is pushing the sale of it at every opportunity. He knows from experience its value as a tonic and this is what he writes:

"It indeed gives me pleasure to say a good word for Carnol. With the sales talk and general boost which it has had from this store, the sale of Carnol has grown from nothing to something worth while."—Frederic T. Hill, Prescription Specialist, 607 Columbia Street, New Westminster, B.C.

Carnol is sold by all good druggists everywhere.

FEELS TEN YEARS YOUNGER

Mrs. Sage gets great benefit from Dreo and recommends it to anyone who is suffering from stomach troubles.

"I can hardly realize that I am the same person" says Mrs. S. Sage, of 22 Batavia Avenue, Toronto. "I feel ten years younger and enjoy every meal, something that has been impossible with me for years."

"I was chronically constipated and my stomach was out of order, feeling full of gas and nauseated. I would suffer from bilious attacks which would often cause me to go to bed and dizzy spells would come over me. I was very nervous and never felt rested and truly, this complication of troubles was making life a misery."

"I was told about Dreo by some of my friends who had received great benefits from it and from the very first week's treatment I began to notice considerable improvement."

"The beneficial results I obtained from just three bottles really surprised me for I'm feeling grand these days. The sharp rheumatic pains which were across my back and through my body have entirely disappeared and I have no more gastric troubles or bilious attacks while the Dreo laxative tablets are the best thing I ever tried for constipation."

"I cannot praise Dreo enough. There is hardly a day passes but what I tell some one about it. I recommend Dreo heartily to anyone having stomach troubles."

Dreo is made from the pure juices of herbs, roots, bark and leaves. It contains no mercury, potash or habit forming drugs and is always safe and reliable.

Dreo is being specially introduced in Timmins by F. M. Burks. It is also sold in South Porcupine by B. L. Pilsworth, and by a good druggist everywhere.

CONIAGAS MAY ADD TO THEIR PORCUPINE HOLDINGS

Reports have recently been current to the effect that the Coniagas Mines, Limited, is endeavoring to secure control of the Armstrong-Booth properties adjoining the Newray and Goldale Mines in Porcupine. With the development of the Newray planned to a depth of 1,000 feet and the strike of the veins indicating that they will continue into the Armstrong-Booth properties, it felt that it is only natural that Coniagas should be anxious to obtain these claims.
