**SCHEDULES FOR KING AND
DICKSON FOOTBALL CUPS**

Dates Set for Matches at Meeting
of N.O.F.A. on Saturday.

At the meeting of the Northern Ontario Football Association in the Council Chamber, Timmins, on Saturday evening the chief item of business was the arranging of the matches in the King and Dickson Cup schedules. The following are the schedules as adopted, the first-named team in each case being the home team:—

King Cup
Dome vs. Timmins, Friday, May 16th.

Kirkland Lake vs. Dome, Saturday, May 24th.

Timmins vs. Dome, Wednesday, May 28th.

Timmins vs. Kirkland Lake, Saturday, May 31st.

Dome vs. Kirkland Lake, Saturday, June 7th.

Kirkland Lake vs. Timmins, Saturday, June 14th.

Dickson Cup
Timmins vs. Dome, Wednesday, June 18th.

Dome vs. Kirkland Lake, Saturday, June 21st.

Kirkland Lake vs. Timmins, Saturday, June 28th.

Dome vs. Timmins, Thursday, July 3rd.

Timmins vs. Kirkland Lake, Saturday, July 12th.

Kirkland Lake vs. Dome, Saturday, July 19th.

It was decided by the N.O.F.A. meeting to accept the affiliation of the Porcupine District Football League with the N.O.F.A., the fee of \$25.00 to be paid by the District League to the N.O.F.A.

The N.O.F.A., in turn, decided to affiliate again with the Ontario Football Association.

**FINES AND COSTS OVER
\$12,400.00 FOR FOUR MONTHS**

For the first four months of this year the total fines and costs taken in by the Timmins police department, according to the total of the weekly statement sheets for the police court amount to over \$12,400.00, or \$12,449.50, to be exact. This shows very conclusively that the police department is not only self-supporting but adds considerably to the revenue of the Town. Nevertheless, the department is not conducted as a money-making institution, but with the end in view of keeping the town orderly and law-abiding. Despite its city size, the rapid growth of the place, and the cosmopolitan nature of its inhabitants, Timmins is one of the most orderly and law-abiding towns in the Dominion. Visitors agree that in this respect it is remarkable, indeed, for a mining town. Chief Greer and his staff of efficient officers are to be commended on the orderliness of the town. The chief portion of the fines taken here, of course, are for breaches of the O.T.A. It need not be taken for granted that Timmins is any more given to breaches of the O.T.A. than any other town of similar size. It may be accepted as a fact, however, that breaches of the law are more closely checked up here than in most towns similarly situated.

**VICTIM OF THE WAR, THOUGH
DYING ONLY LAST WEEK**

The following is from the current issue of The Broke Hustler of Iroquois Falls:—

Joseph H. Peoples of the Service Department, died in the hospital. The cause of death was heart failure but he as truly gave his life for his country and that right might prevail as if he had died in the battle field. Mr. Peoples went overseas with the First Contingent and was taken prisoner early in the war. He was a prisoner for about four years. Three attempts to escape were unsuccessful and each time he was given worse treatment, being confined in dungeons and living off refuse. A fourth attempt at escape was successful, and after terrible privations he landed in France among friends just three days after the Armistice had been signed. The result of his terrible confinement seriously affected his health and was

the real cause of his death. Recently he had had to stop work for a week or two at a time. On Tuesday he was at the office as usual but went into the hospital on Wednesday, and died Thursday night.

Mr. Peoples was a man of quiet tastes but a man of strong personality and great courage, as his efforts to escape proved. His circle of friends was not large because he was not easy to know but those who knew him were real friends, not merely acquaintances. He was a member of the Executive of the G.W.V.A. and was very highly thought of in that organization, as well as by others whose good fortune it was to be taken into his confidence.

The funeral services were held in the G.W.V.A. Hut Saturday morning and the body was shipped to Montreal where his family resides.

Porcupine Lodge No. 506, A.F. & A.M. has issued invitations for An At Home to be held in the I.O.O.F. Hall, South Porcupine, on Tuesday evening next, May 13th.

"Is it true that your father was a policeman?"
"No, but he went with them a lot."

Here and There

The Canadian Pacific steamer Empress of Britain will arrive at Quebec shortly on her first voyage from Liverpool as a cabin-class steamer under her new name Montreal. She is the fastest vessel sailing out of Liverpool and is scheduled to run from there to Quebec in six and a half days.

British Columbia's payroll for 1923 was \$150,000,000, according to the annual report of the Workmen's Compensation Board. The payroll for 1922 was \$128,592,502, and for 1921, \$130,099,373. Employing firms operating at the end of last year numbered 6,524, an increase of 145 over the previous year.

The 1924 season for the port of Montreal was officially opened on the morning of the 18th of April, when the Government ice-breaker Lady Grey arrived in the harbor. A big season is anticipated, especially by the Canadian Pacific steamships, whose vessels on the St. Lawrence route this year will exceed 197,000 gross tons.

Vancouver this season has beaten Portland, the great wheat port of the Northwest and formerly the great wheat port of the Pacific. Portland includes flour in its wheat totals, Vancouver does not. According to the Portland press the American city has moved over 29,000,000 bushels of wheat to date. Vancouver, in the same period, shipped 36,000,000 bushels, exclusive of a very considerable quantity of flour.

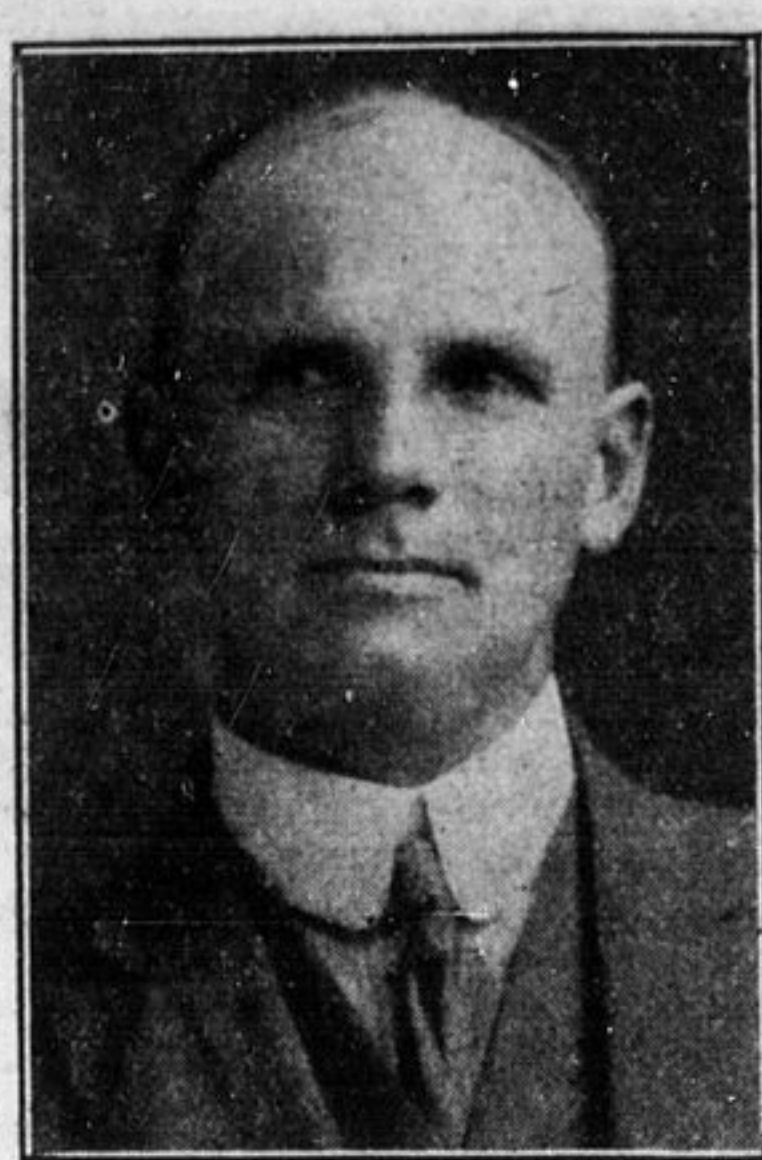

The much prized Wilder silver medal, the highest award of the American Pomological Society, the oldest horticultural body in North America, has been awarded to the Central Experimental Farm at Ottawa for the sixth time. The medal on this occasion was given for the Lobo apple, one of the many fine varieties of McIntosh Red parentage originated at the Central Farm.

An estimate of \$1,500,000 for fire protection and management of forest reserves has been placed before the Government for approval by the Minister of the Interior. The Minister stated that more drastic measures of fire prevention would be taken this year and in this connection the Department of the Interior proposes to utilize the Royal Canadian Air Force for the detection of fires.

An appeal for increased pensions for the originals of the old Royal North-West Mounted Police is now before the Federal Parliament. The present pensions are based on the pay standards of 20 to 30 years ago and are therefore quite inadequate, the appeal claims, and it is asked that they be raised to the same level as those granted members of the present Royal Canadian Mounted Police, on retirement.

"There is not a single geological reason why each and all of the world-famous mining camps, such as those of Kirkland Lake, Porcupine and Sudbury, should not be duplicated almost anywhere in the 650,000 square miles of the Quebec Laurentian Plateau, which stretches from the Ottawa and St. Lawrence Rivers to Hudson Strait," according to a statement made by T. C. Denis, Superintendent of Mines of the Province of Quebec, at a recent meeting of the Quebec branch of the Mining Institute of Canada.

Canada is financially sound. On April 14th the investors and savings account holders of the country were offered twelve million dollars worth of Canadian Pacific Railway five per cent bonds and by four o'clock that afternoon the issue had been over-subscribed and the books were closed. Telegraph orders came from all parts of the Dominion, a splendid evidence of the amount of money available for sound investment and the country's confidence in the future of the big railway. Another evidence is seen in the fact that small investors are putting savings into C.P.R. common stock which pays ten per cent on par value of \$100,000. Since 1907, Canadian holdings of this stock have increased from 9.75 per cent to 21 per cent at the present time and holdings in the British Empire total about 75 per cent.

MR. A. R. GLOBE

**MOTION PICTURE TO SHOW
THE REAL VALUE OF PAINT**

Taylor Hardware Co. Presenting
"Protecting the Homes of Canada" at New Empire Next Tuesday.

The George Taylor Hardware Co. has arranged for the presentation of the picture, "Protecting the Homes of Canada," at the New Empire Theatre on Tuesday evening next, May 13th. This picture is not, as some might imagine from its title, a story about firemen fighting flames or policeman battling with a riotous mob, but is a picture in story form showing how necessary it is to protect property of all kinds with good paint against the action of the weather. The picture tells in very interesting manner why good paint should be used to protect your property, why you should avoid using inferior paint, and how good paint is made. In every class of goods manufactured, the inferior as well as the best quality, will be found, and it has always proven itself, the best is not only the least expensive but the safest to use. The subject of property protection is of vital interest to all home owners today, and as this is the time of Clean Up Days, with the slogans, "Clean Up! Tidy Up! Paint Up! Brighten Up!" the motion picture being presented Tuesday seems to be especially timely. Paint, it may be remarked, has not only a property value—protecting buildings from the weather and so on—but it has also a material community value, for a town's appearance is bettered and brightened in proportion as paint is generously used to keep buildings looking well and out of the weather-beaten, tumble down class.

**EUCHRE AND DANCE, MAY 16TH
AUSPICES OF TIMMINS L.O.L.**

A Euchre and Dance, under the auspices of Timmins L.O.L., is announced for Friday evening, May 16th, in the I.O.O.F. Hall. Refreshments will be served, and a pleasant social evening enjoyed.

**COMMISSIONER SOWTON
TO VISIT TIMMINS ARMY**

Commissioner Sowton, Territorial Commander of the Salvation Army, will visit Timmins on May 24th and 25th. Commissioner Sowton is in charge of the Salvation Army from the Great Lakes to the Atlantic, also Newfoundland and Bermuda. Commissioner and Mrs. Sowton have seen 40 years' service in Norway, Sweden, Denmark, U.S.A., India and other countries. Mrs. Sowton often accompanies the Commissioner on his tours, but unfortunately will not be able to come to Timmins for the visit this spring. The programme for the special visit here of the Commissioner is announced as follows:—
Saturday, May 24th, at 8:15 p.m.—Welcome Meeting.
Sunday, May 25th, at 11 a.m.—Holiness Address. At 3 p.m.—Lecture, "Social Regeneration"; Mayor Melnis will occupy the chair at this meeting. At 7:00 p.m.—Great Salvation Meeting.
Special music and singing at all meetings.
Lieut.-Col. Adby will accompany the Commissioner on the visit here. Lieut.-Col. Adby is a noted singer and concertina player. Major Knight, with his trombone, will also assist. Major Knight on his recent visit here made a great hit. Capt. Cornthwaite, of the local Army, expects unusually large attendances at the meetings here during the visit of the Territorial Commander, Commissioner Sowton.

Mrs. Purves left on Sunday for the south where she will be married during the coming month. Mrs. Purves, during her stay in Timmins as Public Health Nurse, has made innumerable friends, all of whom regret her departure, but sincerely wish her the best of life in her new home.

FOR SALE—Four good Milk Cows; two with calves at side; cheap for cash. Apply to Timmins Fuel & Produce Co., or rear of 33 Commercial Ave. 19p.

LOST—Lady's Pocketbook, grey leather. Reward. Lost on Third Avenue or Pine street. Apply to Mrs. Shippam, Bakery, Schumacher. 19.

**TIMMINS MAN THE ONLY
DELEGATE FROM CANADA**

Last week Mr. R. J. Smith, of the firm of L'Ecuyer & Smith, returned to Timmins from an extended trip to Chicago where he attended a Class of Heating Engineers and Contractors conducted at the plant of the Dunham Company. The course covered a period of two months. Mr. Smith was the only delegate registered at this convention from Canada.

**WEDNESDAY
