TIMMINS WINNER OF THE KING FOOTBALL TROPHY

By Defeating Kirkland Team On Saturday Local Team Assured Winners of Prized Cup.

Timmins won the King Cup by defeating Kirkland Lake Football team 2 to 0 at Timmins on Saturday. This win gave the Timmins team a total of six points for this series of the N.O.F.A. matches, and with only one game to play. This match is at Kirkland Lake on June 14th, but its outcome will make no difference in the winning of the series. Kirkland Lake and the Dome have each two games to play, but they have only one point each to their credit, having drawn a game. If either of them win both games to be played, that team can only make a total of 5 points, still leaving Timmins in the lead. The battle now is simply as to whether Kirkland or the Dome will be in second place for the King Cup.

In the meantime, Timmins has won the King Cup, and this cup, given by Mr. T. F. King, of Timmins, is the trophy that Timmins is always especially anxious to win. However, Timmins is also out to win other trophies this year, all offered, if possible. With the effective team here this season it looks good, indeed, for this to be a regular trophy year.

Saturday's match was a fine one, with combination by both teams in evidence throughout the whole ninety minutes. Timmins played seven men who had played in two other matches in the week.

Even with the Timmins team two goals up in the second half, it was hard to say who was eventually going to win, until the whistle blew for time.

The grounds were in perfect condition, and the fine weather brought out about 600 spectators. This was a pleasing feature, but it was not so pleasing to see the nearby balconies filled with spectators watching the game and saving the paltry 50 cents by this poor evasion of the gate.

Fergie Cadman was lucky again in winning the toss, and he elected to kick with the wind and have the sun behind his men. Kirkland started swinging the ball from man to man. Cooper checked, and sent Dunbar off, the latter passing over to Peterson, who sent it on to Sathrang. Sathrang took a drive between the backs and Elrick had a hard save to make, but he made it in good fashion. Kirkland came down again, swinging the ball from right to left, only to have Hetherington spoil their combination. Hetherington cleared to Dunbar and Dunbar after beating his way through, passed to Sathrang. Elrick took no chances but came out and robbed Sathrang of the leather. The ball was kept swinging in midfield for quite a while, neither team being able to get by the half-backs until Halley went up and passed one to Sathrang who tested out the Kirkland backs with his trick dribbling, and, getting by, sent in a hot, low drive, Elrick having no chance to save.

The first dangerous one to come to the Timmins goal was after Kirkland was awarded a free kick just outside the penalty area, but their chances was lost when the ball was kicked wide of the goal. Timmins went on a raid and gave Elrick a hot one to handle, but he was there and cleared in fine style. Webster, McKenna and Hastie tried a three-man rush. The shot was weak and Street had no difficulty in clearing. Bassett sent the ball back again. Street gave them a corner by clearing the ball around the post. The corner kick went wide. The first half ended with a nice pass from Dunbar and Peterson driving the ball over the bar. Half-time score, Timmins 1, Kirkland Lake, nil.

Timmins started the second half on the offensive and soon gave Elrick one to handle. Sathrang and Peterson rushed him but he was too clever and evaded both of them, and set his left in motion, Lucas passing to McKenna, who in turn passed to Rhodes who had an open goal, but his shot went wide. Fergie Cadman, who up to this time had not been in his usual top-notch form, now let loose and showed Kirkland what he could do. He played a regular little game of his own until he got clear, and passed to Bell, who had a great chance but was a little slow and was robbed of the ball. Warne, Fergie and Cooper all had a turn at intercepting the leather, and got it to Peterson, only to have Ramsay clear to Ford who ran in but met Elrick. In trying to kick the ball Ford accidentally kicked Elrick. The latter apparently thought it was not an accidental kick and he immediately kicked back at Ford. Ford was kicked on the ankle but as there was not much force behind it there was no serious harm done. Ford was warned but Elrick escaped scot free from the referee. Soon afterwards Parsons did so much to Dunbar, and also got

away with it, a free kick being awarded. This sort of play is not good sport and referees should take a firm hand in discouraging it by banishing the offenders without fear, favour or affection. Timmins now let out every bit of energy in them, and Elrick was very lucky in saving one from a scrimmage in front of the goal mouth. Timmins came on again with Cooper, Sathrang and Peterson passing short passes. Peterson finished with a nice shot, Elrick saving by fisting over the bar for a corner. Dunbar kicked wide. Halley and Hetherington now had a spell of clearing from the rushes of Lucas and Rhodes and did it in fine style, Street having no worry in keeping his sheet clean. Five minutes from time Ford took a pass from Warne, taking the ball down and centering it to Peterson. Peterson passed to Sathrang who made sure on a low shot. Kirkland were attacking on their right when the whistle went. This ended a great match, every man on both teams playing well, with the exception of Bell who seemed lost with the ball. Kirkland missed two great chances, while Elrick played a smart game throughout, saving some very difficult shots.

The teams lined up as follows:—

Timmins—Street, goal; Hetherington and Halley, backs; Cooper, F. Cadman and Warne, half-backs; Dunbar, Sathrang, Peterson, Bell and

Ford, forwards.

Kirkland Lake—Elrick, goal; Ramsay and Parsons, backs; McVey, Hamilton and Hastie, half-backs; Bassett, Webster, McKenna, Rhodes and Lucas, forwards.

Referee—O. Robertson. Linemen—Messrs. Larimer and McElroy.

GOOD ATTENDANCE AND GOOD TIME AT L.O.L. EUCHRE

The Euchre and Social Evening given last Friday evening by the Timmins L.O.L. in the L.O.O.F. Hall proved a very successful and enjoyable event. There was a good attendance and the evening was thoroughly enjoyed by all. Everything went along smoothly, showing good arrangements by the Committee. The music for the evening was specially worthy of mention. Among the musicians for the event were: Mr. Chas. Wilkins, on the violin; Mrs. Wilkins, at the piano; Mr. Pagliari on the banjo. Another special was the fine line of refreshments served. In the Euchre, the following were the prize-winners:—Ladies' first, Mrs. Levine; Gentlemen's first, Mr. Shephard; Ladies' consolation, Miss Keeler; Gentlemen's consolation, Jack Bolster. The evening was generally voted as a very enjoyable and successful social affair.
