POST OFFICE AND COMMUNITY HALL FOR HAILEYBURY

The Dominion Government is to proceed shortly to erect a building for a community hall and post office in Haileybury, according to The Haileyburian last week. An official of the Ottawa Public Works Department has been in Haileybury looking over prospective sites. A building 35x70, with post office on the ground floor and community hall upstairs is planned, \$85,000.00 received from the insurance on the Armories being earmarked in the estimates to defray the cost. It would be nice if Timmins had a member in the Dominion House to secure a similar necessity for Timmins. This town certainly needs a proper post office and also could do with a community hall, all of which The Advance has been pointing out for years past.

He has had a brilliant career in the Grenadier Guards and was formerly British Ambassador to France and Secretary for War in the Coalition Cabinet of 1916-18. Lord Derby is the seventeenth of his line, the Earldom having been created in 1485.
