FOR CLOSER ENFORCING OF REGISTRATION RULE

Porcupine District Football League
Passes By-law for Penalty for
Team Playing Unregistered
Players.

Thursday last there was a meeting of the Porcupine District Football League with all the clubs represented. The Secretary-Treasurer reported five breaches of the Registration Rule among the various teams. It was decided, and a by-law accordingly passed, that from this date any team playing an unregistered player, or one not signed on in the specified time, will automatically lose two points from the total. It was also provided that any player being ordered off the field by a referee is automatically suspended until his case is dealt with by the League. Player Hendry was suspended to conform with the N.O.F.A. ruling, and the game played between McIntyre and Dome Black and Whites, in which this player took part was annulled and the match ordered played again on July 1st at McIntyre. The next meeting of the League is called for Thursday, June 26th.

Mrs. Basille was formerly resident in Timmins, living with her husband and child on Third Avenue.

Premier Magicians at Chautauqua

THE MARKO COMPANY

The Marko Company, noted magicians and illusionists, will be one of the feature attractions at the coming Dominion Chautauqua.

In clever sleight-of-hand performances and with baffling illusionary art, Marko and his able assistant thoroughly demonstrate to their audiences that the "hand is quicker than the eye." Not once is an audience able to catch Marko, "The Man of Mystery," in a fumble as he performs his lightning-speed tricks, which are accompanied by a running fire of wit and humor.

The Marko program is one of clean fun and mystery—one which will be tremendously enjoyed by old and young alike.

MYSTERIOUS LETTERING OVER NEW HIGH SCHOOL DOOR

Several have been puzzled by the lettering over the eastern door of the new Timmins High School Building. The letters are of the type commonly called Old English Text, but more correctly termed Gothic lettering. Unlike the roman type of lettering, it is not customary to use all capital letters of Gothic or Old English for a complete word. The usual method is to employ a capital letter for the initial letter and then use the small letter, or "lower case letters," as printers term them, for the balance of the word. As the letters over the High School door were all capital letters it was taken for granted that they were initial letters of various words, and accordingly there was considerable discussion as to their significance. The peculiar formation of the letters left lots of room for difference of opinion. One read the letters as "G.I.R.U.S." Another made them "T.I.R.U.S." Still another considered the letters were "T.J.R.I.S." There was great ingenuity displayed in finding appropriate words for these initials. None of the efforts seemed to be plausible enough to be considered completely successful. It turns out now that the mysterious lettering is nothing more nor less than a single word spelled out in capital letters of the Gothic or Old English Text type. The word is "G.I.R.L.S." Over the western door there is another inscription "B.O.Y.S." The one door is the girls' entrance and the other the boys'. The Advance has on its staff an expert in lettering and design, at present on vacation, but as soon as he returns he will be set up against those inscribed doors to see whether the letters are all absolutely true to type and whether or not it is permissible to use all capitals of this type of lettering to spell a word in this fashion. In the meantime, however, the new High School may be set down as a decided credit to the Town of Timmins and to the contractors.

LARGE ATTENDANCE AT FUNERAL OF J. GALENO

The funeral of Pete Galeno took place on Friday, June 6th, from his late residence, 107 Cedar street, to the R.C. church and cemetery. There was a very large attendance at the funeral, testifying to the respect and regard in which the deceased was held by all who knew him. There were 26 motor cars in the line, and a large number of floral offerings indicated the popularity of the late Pete Galeno. Following the usual custom, friends had engaged the Finlander Band for the occasion, but though they had promised attendance they failed to fill the engagement, much to the regret of the friends who had charge of the arrangements.

The late Pete Galeno was 26 years old at the time of his death. He was a native of Italy, where his father and mother and other relatives reside at present. One sister, Mrs. Joe Fritman, is a resident of Schumacher. The late Mr. Galeno had been in Canada for three years and a half. He had been an employee of the McIntyre mill. He had been ill for some two months past, death being due to tuberculosis.
