HOME WINS FROM KIRKLAND IN DICKSON CUP SERIES

On Dome Grounds on Saturday Evening Dome Makes Nice Win With a Score of 2 to 1.

The Dome Football team Saturday evening last threw aside the jinx that has been pursuing that club much of this year, and took the first two points for Dome in the cup matches. In other words Dome won from Kirkland Lake to the score of 2 to 1.

The Kirkland Lake team came up without their goalkeeper, Elrick. In place of Elrick they had McPhail. The latter played a good game throughout but he is not yet in Elrick's class.

The teams lined up as follows:—
Dome—Fidoek, goal; Harrower and Ewart, backs; Fell, Kellow and Hitt, half-backs; Williams, Homer, Wallace, Hawkin and Miner, forwards.

Kirkland Lake—McPhail, goal; Ramsay and McDonald, backs; McVey, J. Hamilton, and Hastie, half-backs; Lucas, Condie, Parsons, A. Hamilton and Rhodes, forwards.

The Dome won the kick and chose to kick with the strong wind behind them. The Lake pressed on their right. Harrower cleared. The Dome started a combination move, only to have Hastie break it up and set Lucas going. The Lake failed to get through the Dome backs. The Dome made a raid. McDonald cleared. Hitt got on the ball and put in a great shot. McPhail saved by punching over the bar. The Dome pressed, but the wind carried the ball wide on a couple of nice shots. Kirkland took the ball down and gave Fidoek one to handle. He set his forwards going again with a long drive. The Dome now played a close combination and worked close in. After a lively time, Miner got a shot on an open goal and scored. Kirkland Lake pressed. Lucas made some fine rushes on the right and passed in some nice centres but Ewart and Harrower were watching too close, and Fidoek pulled off some nice saves on long shots. The Lake kept up the attack and got close to get the ball by Fidoek. After half an hour's play the Dome pressed past the Lake again, and after more close passing, Homer got an easy one past McPhail. The Dome kept up the attack. Hastie Ramsay and McDonald worked hard in keeping them out, while A. Hamilton and Lucas were doing good work also in trying to get the ball by Fidoek. Hitt and Wallace, however, took care of them. At half-time the score stood 2 to 0.

At the opening of the second half Kirkland Lake had the wind in their favour, and took advantage of this, keeping the ball around the Dome goal. Ramsay and McDonald came to the half-way line and bottled the Dome up for ten minutes. Then Parsons tricked his way through for a goal for Kirkland. The Dome tried several times to break away but Ramsay and McDonald kept them back. Wallace got through twice, but the speedy McDonald went after him and robbed him of the leather before he could shoot. Lucas and A. Hamilton pressed on the wing and passed in the centres, but Fidoek got what came his way, and he was getting them from all directions. Kirkland Lake were having all the play but could not get a clear shot on goal. Ramsay sent in one fine shot from nearly the half-way line. Fidoek made a nice save by tipping it over the bar. The corner kick looked dangerous, but Ewart saved. He set Wallace going and Wallace passed to Williams, who returned to Wallace, the latter taking the only shot on Kirkland goal in the second half. McPhail had no difficulty in saving. The whistle went with the Lake pressing to equalize the score, but they did not succeed the final score being 2 to 1 in favour of the Dome.

Referee—O. Robertson. Linesmen, Joek Nicolson and Purser.

GINGHAM BALL ONE OF THE BEST EVENTS OF SEASON

A very enjoyable and successful event was the Gingham Ball held last Friday evening in the Masonic Hall, Timmins, under the auspices of the Girls' Auxiliary of St. Matthew's Anglican church. Despite the warm weather there was a large crowd present and all had a very enjoyable time. The best of good music was furnished for the occasion by Wolno's Orchestra. The refreshments served during the evening were an enjoyable part of a successful evening's programme. In fact, every feature of the dance may be said to have been eminently successful and enjoyable and the event proved one more to be added to the long list of pleasing social events under the auspices of the Girls' Auxiliary.

Being "sonare" does not mean from the neck up.
