JUVENILE BAND BEING ORGANIZED IN TIMMINS

Messrs. H. F. Schroeder and F. J. Wolno Arranging to Establish Boys' Band in Town.

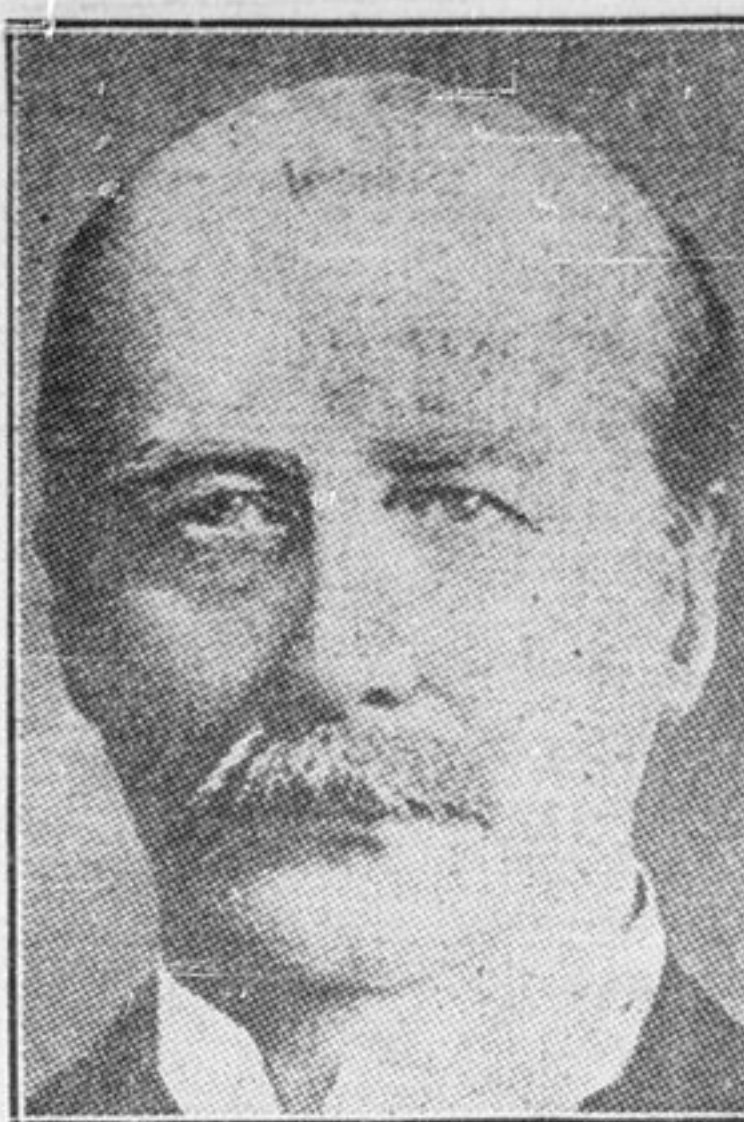

On several occasions the suggestion has been made that it would be a good thing to organize a boys' band in town. The idea has been heartily approved by the Timmins Citizens' Band, and by others interested in music. It has been recognized that not only would such a juvenile band prove of help to the boys, of interest to the town and of advantage to the musical progress of the community, but it would also be a valuable aid to the Timmins Citizens' Band, providing, as it would, trained young bandmen who would graduate into the senior band.

Mr. H. F. Schroeder, of the Timmins Academy of Music, and Mr. F. J. Wolno, leader of the Timmins Citizens' Band, are taking up the matter and arranging to have a first-class juvenile band. With these two skilled musicians in charge the boys can be assured of the very best training in their band. Parents who may be interested are asked to see either Mr. Wolno or Mr. Schroeder at once, so that the boys' band may get going at an early date. The Juvenile Band provides an unusual opportunity for boys to secure very desirable musical training and take part in very interesting musical work. If your boy is musically inclined see Mr. Schroeder or Mr. Wolno at once.

Mr. Wolno is also joining Mr. Schroeder in the giving of instruction on the violin at the Timmins Academy of Music.

NO COMPLAINT TO POLICE ABOUT REPORTED HOLD-UP

Some excitement was created Monday evening by the activity of Provincial, Township and Town Police in the search for a car supposed to contain two or more hold-up men. It had been reported to the police that a hold-up had occurred on the road between South Porcupine and Porepine, or vice versa. One story has it that one man was holding up three, the one having a gun and the others their hands in the air. Another tale says that the hold-up was witnessed from the train coming in to Timmins that evening. All these rumors do not yield much fact when traced up. The Timmins police, on receipt of a call from the Provincial, went out as far as Porepine, but found nothing to elucidate the mystery. The Provincial and Township police were equally unsuccessful, though they kept up the search until the morning hours, stopping cars and making enquiries. Up to the present, however, no one has reported to the police as

LORD CAVE

Who rendered the decision of the Privy Council which grants a speedy trial before a Single Judge, without jury, of the accused directors of the defunct Home Bank of Canada. They will be tried by a judge without a jury unless Attorney-General Niekke forces them to trial by jury on a conspiracy charge by issuing a fiat.

to being held up Monday evening by one, two or more men, masked or unmasked auto bandits or footpads. It looks much like a joke of some sort. No one seems to know where the hold-up occurred, who was held up, who did the hold-up and why, if they got anything or not, or if anybody was shot, or even half shot. Apart from these little things the case may be strong enough. There is ground for the suspicion that the report originated from something connected with the transportation of what is technically called booze. It may be that a car containing a supply of the evening train was held up by rival interests. Or it may be that the conveyors of the liquor quarrelled among themselves. Or it may be that the sudden activities of the police looking for bandits gave a good opportunity for safely carrying on elsewhere business that Hon. Mr. Raney would not approve. It would not be the first time such things have happened. Anyone with an imagination can think up a theory of their own. It is not likely that any theory will be disproven.

LEFT PURSE AMONG LOGS BEFORE DROWNING HERSELF

Find Believed to Give Further Indication of Intention to Destroy Herself.

This week a neighbor, Mrs. N. Toefler, who has been looking after the garden of the late Natisaz Badioluk, found the dead woman's purse thrust in among some logs in the back yard of the property. The purse contained only a couple of silk handkerchiefs, a receipt for payment on some Niagara wine, a duplicate set of keys for the house, and a tag for the recent Dominion Day sports. The purse had apparently been placed quite carefully in its position. The theory is that the woman on her way to the river had decided that she would not need the purse any more and so had slipped it in among the logs as she passed through the yard. The woman committed suicide on July 3rd by jumping from the bridge over the Mattagami River. Later the body of the man, Mike Lasuk, with whom she had been living, was found in his

house at Moneta, the head slashed and battered apparently by an axe. All the evidence seemed to indicate that the woman had killed the man while he lay in a drunken stupor, this being followed many hours after by the deliberate suicide of the woman at the river.

TIMMINS MAKES WIN IN ONTARIO CUP MATCH

(Continued from Page 1)

sent it over the crossbar. The ball was now kept in Kirkland's territory for a long period. Berg and Peterson worked through. Peterson kicked the ball in Cadman's hands. Another of the same followed. Cadman was kept on the go all the time, the next coming from Dunbar. Cadman came out to save but dropped the ball. Sathrang let drive at the unattended goal but the shot went over the bar. Kirkland went up but Hetherington cleared. Haley stopped Lucas on the right and sent the ball to Fergie who passed it in the centre of the goal mouth, Cadman pulling off a great save from the whole of the Timmins forwards. Five minutes from time was dangerous when Kirkland went up in line and sent in a low shot. Street came down and had a hot time in sending the ball past the post through the feet of a couple of men. In the process he was kicked. The corner was fruitless. The ball was in midfield when the whistle went time and the great match was won.

Mr. H. H. Costain deserves much credit for his good work as referee. He had two good co-workers in the linesmen, Mr. A. Roberts, of Timmins and Mr. Lang, of Kirkland Lake.

Kirkland—G. Cadman, goal; Ramsay and McDonald, backs; McVey, J. Hamilton and Morris Hastie, halves; Lucas, Condie, Parsons, McKenna, A. Hamilton, forwards.

Timmins—Street, goal; Haley and Hetherington, backs; Warne, W. F. B. Cadman, G. Cooper, halves; Dunbar, Sathrang, Peterson, Berg, Adamson, forwards.

Kirkland Lake has a fine name for good sportsmanship and as usual showed Monday that their good name is well deserved. Both teams played fine football, and the match was clean as well as lively. Matches like this increase the standing of football.

Timmins is now the representative of the North Land in the Ontario Cup series. It is not known where they will play next in the series. If they draw a home game they will be O.K. If they have to go away the public will have opportunity to show appreciation of the fine football this season. The football this year has been self-sustaining, not a single contribution being solicited up to date. If the boys need finances later to carry the name of Timmins before the outside world in the Ontario Cup matches, it is more than likely that the public response will be very generous.
